Excise & Energy Tax Division, Cigarette Wholesaler Filing Frequency Change

Dear Cigarette Wholesalers,

On July 1, 2016, the Ohio Department of Taxation will transition to a new software system. This transition will require a change to your cigarette filing schedule.

Beginning with the July 2016 reporting period, you will be required to file your cigarette tax return on a monthly basis. The cigarette tax return is due by the last day of the month following the reporting period. For example, your July 2016 cigarette tax return and all corresponding schedules will be due by August 31, 2016.

Please contact us with any questions or concerns.
