

Department of  
Taxation

## **IFTA Tax Alert**

This alert serves as a reminder that the Department of Taxation is in the process of implementing an electronic filing mandate for all IFTA Licensees. All returns and payments filed beginning with the second quarter of 2015 must be made electronically using the Ohio Business Gateway at [business.ohio.gov](http://business.ohio.gov).

Any person may apply to the Tax Commissioner to be excused from the requirement to file and pay electronically using form IFTA FBP on the department's website at [tax.ohio.gov](http://tax.ohio.gov).

The Department of Taxation has created a Self Help eLibrary, which contains multiple video tutorials to assist filers in using the Ohio Business Gateway. For those IFTA filers who are new to the Ohio Business Gateway, there is a tutorial for Registering to Use OBG. Additionally, there is a tutorial called How to File an IFTA Tax Return Electronically. To access the Self Help eLibrary, go to the Department's website at [tax.ohio.gov](http://tax.ohio.gov).

Please contact the Excise and Energy Tax Division of the Department at (855) 466-3921 with any questions regarding the electronic filing requirement.
