

Department of
Taxation

Motor Fuel Tax Excel Converter Tool Now Available

The Department of Taxation appreciates the motor fuel filing community's responsiveness in preparing for the recent electronic filing mandate. To help prepare electronic files, the Department posted an [Excel file generator tool](#) on our website. The tool takes data entered into an Excel file and converts it to an ASCII file, which can be easily uploaded via the Ohio Business Gateway.

Please contact us at 1-855-466-3921 with any questions or concerns.
