Motor Fuel Tax Alert

This message is to inform all motor fuel tax taxpayers and practitioners that the Department now accepts deferred payments for the motor fuel tax through the Ohio Business Gateway.

When scheduling a payment for a future date, please double-check to ensure the selected date is on or before the due date, as late payments will result in interest charges and the loss of shrinkage gallons.

Please visit the Department's motor fuel tax website at tax.ohio.gov/excise/motor_fuel.aspx or call the Excise & Energy Tax Division at 1-855-466-3921 with any questions.
