

September 2006

Ohio Sales and Use Tax Rate Change Notice

County Name	County Code	Old Rate	New Rate	Effective Date
Clark	12	7.00%	6.50%	October 1, 2006

This and future notices of rate changes can be found on our Web site (http://www.tax.ohio.gov/divisions/sales_and_use/rate_changes/index.stm) sixty days prior to the effective date of the change. Please see below for a listing of all counties and their respective rates and codes to be used in filing the Ohio Universal Sales Tax Return (form UST-1) and the Ohio Universal Use Tax Return (form UUT-1).

Semiannual Return Filers - How to File Returns Showing Two Different Rates

Vendors that file form UST-1 on a semiannual basis are required to report the taxable sales and tax liability for two different rates if sales are made in or into a county that has a rate change.

For vendors that file paper returns: Use form UST-1 for the entire six-month period, July 1, 2006 through December 31, 2006. For the period before the rate change, July 1 to September 30, 2006, add a 2 to the beginning of the county code. For example, for Clark County, the code would be 212. Use the two-digit county code (12) for a rate-change county for reporting sales and tax for the period after the rate change, October 1 to December 31, 2006. The one return is due by January 23, 2007. Refer to the bottom of page two for proper coding.

For vendors that file through the Ohio Business Gateway (OBG) and the account number begins with 12: You will need to file two returns for the six-month period. The first period covers sales at the old rate for July 1, 2006 through September 30, 2006 (due October 23, 2006). The second period covers the new rate for October 1, 2006 through December 31, 2006 (due January 23, 2007).

For vendors that file through the OBG and the account number begins with 89, 90, 99 and 01 through 88 (except 12 which is described in the previous paragraph): You will file one return for the entire six-month period, July 1, 2006 through December 31, 2006 (due January 23, 2007). If you have sales into one of the rate change counties, that county will show two lines for the different rate periods as shown for paper filers.

Vendors in rate change counties cannot use Telefile to file returns at two different rates. Please use a paper return or the OBG.

If you have any questions regarding the tax rate changes, please contact us at 1-888-405-4039, or e-mail us through our Web site: tax.ohio.gov.
