**ADAMS COUNTY  
CALENDAR YEAR 2017 ESTIMATE  
OF THE COUNTY UNDIVIDED LOCAL GOVERNMENT FUND**

**July 25, 2016**

In compliance with RC 5747.51(A), the Ohio Department of Taxation is certifying to Adams County, the estimated revenues to be allocated and received by the county's Undivided Local Government Fund for Calendar Year 2017.

**Calendar Year 2017 Estimated County  
Undivided Local Government Fund  
Adams County:**

<b>CY 2017 Estimated CULGF</b>	<b>\$750,000.00</b>
--------------------------------	---------------------

The CULGF receives 1.66 percent of the revenue from all state General Revenue tax sources. Your county's share was determined pursuant to the formula contained in RC sections 5747.50 through 5747.51 (inclusive). RC 5747.501 guarantees that each county's CULGF distribution will receive in any fiscal year an amount that is no less than the lesser of the amount the county received in state Fiscal Year 2013 or \$750,000.

Note that the above figures are *estimates*, reflecting the current best projection of state tax revenues during Calendar Year 2017. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2017 distributions to your county's undivided local government fund will vary from the above estimate by an unknown degree.

In addition, forms for your use in complying with the reporting requirements of RC 5747.51(J) will be posted to our website (RA/JL form). This section requires notification to the Tax Commissioner of the estimated allocations to the subdivisions of the CULGF. In addition, we are asking that also show the estimated allocations of the Public Library Fund. Please complete and return these forms after your county's budget commission has made the 2016 apportionments.

If you have any questions concerning the CULGF, please contact either Johnathan Heckert of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

RC 5747.501 guarantees that each county's CULGF distribution will receive in any fiscal year an amount that is no less than the lesser of the amount the county received in state Fiscal Year 2013 or \$750,000.

Note that the above figures are *estimates*, reflecting the current best projection of state tax revenues during Calendar Year 2017. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2017 distributions to your county's undivided local government fund will vary from the above estimate by an unknown degree.

In addition, forms for your use in complying with the reporting requirements of RC 5747.51(J) will be posted to our website (RA/JL form). This section requires notification to the Tax Commissioner of the estimated allocations to the subdivisions of the CULGF. In addition, we are asking that also show the estimated allocations of the Public Library Fund. Please complete and return these forms after your county's budget commission has made the 2016 apportionments.

The CULGF receives 1.66 percent of the revenue from all state General Revenue tax sources. Your county's share was determined pursuant to the formula contained in RC sections 5747.50 through 5747.51 (inclusive). RC 5747.501 guarantees that each county's CULGF distribution will receive in any fiscal year an amount that is no less than the lesser of the amount the county received in state Fiscal Year 2013 or \$750,000.

Note that the above figures are *estimates*, reflecting the current best projection of state tax revenues during Calendar Year 2017. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2017 distributions to your county's undivided local government fund will vary from the above estimate by an unknown degree.

In addition, forms for your use in complying with the reporting requirements of RC 5747.51(J) will be posted to our website (RA/JL form). This section requires notification to the Tax Commissioner of the estimated allocations to the subdivisions of the CULGF. In addition, we are asking that also show the estimated allocations of the Public Library Fund. Please complete and return these forms after your county's budget commission has made the 2016 apportionments.

OF THE COUNTY UNDIVIDED LOCAL GOVERNMENT FUND**

**July 25, 2016**

In compliance with RC 5747.51(A), the Ohio Department of Taxation is certifying to Medina County, the estimated revenues to be allocated and received by the county's Undivided Local Government Fund for Calendar Year 2017.

**Calendar Year 2017 Estimated County  
Undivided Local Government Fund  
Medina County:**

<b>CY 2017 Estimated CULGF</b>	<b>\$4,078,330.50</b>
--------------------------------	-----------------------

The CULGF receives 1.66 percent of the revenue from all state General Revenue tax sources. Your county's share was determined pursuant to the formula contained in RC sections 5747.50 through 5747.51 (inclusive). RC 5747.501 guarantees that each county's CULGF distribution will receive in any fiscal year an amount that is no less than the lesser of the amount the county received in state Fiscal Year 2013 or \$750,000.

Note that the above figures are *estimates*, reflecting the current best projection of state tax revenues during Calendar Year 2017. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2017 distributions to your county's undivided local government fund will vary from the above estimate by an unknown degree.

In addition, forms for your use in complying with the reporting requirements of RC 5747.51(J) will be posted to our website (RA/JL form). This section requires notification to the Tax Commissioner of the estimated allocations to the subdivisions of the CULGF. In addition, we are asking that also show the estimated allocations of the Public Library Fund. Please complete and return these forms after your county's budget commission has made the 2016 apportionments.

If you have any questions concerning the CULGF, please contact either Johnathan Heckert of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

**PICKAWAY COUNTY  
CALENDAR YEAR 2017 ESTIMATE  
OF THE COUNTY UNDIVIDED LOCAL GOVERNMENT FUND**

**July 25, 2016**

In compliance with RC 5747.51(A), the Ohio Department of Taxation is certifying to Pickaway County, the estimated revenues to be allocated and received by the county's Undivided Local Government Fund for Calendar Year 2017.

**Calendar Year 2017 Estimated County  
Undivided Local Government Fund  
Pickaway County:**

<b>CY 2017 Estimated CULGF</b>	<b>\$1,096,576.97</b>
--------------------------------	-----------------------

The CULGF receives 1.66 percent of the revenue from all state General Revenue tax sources. Your county's share was determined pursuant to the formula contained in RC sections 5747.50 through 5747.51 (inclusive). RC 5747.501 guarantees that each county's CULGF distribution will receive in any fiscal year an amount that is no less than the lesser of the amount the county received in state Fiscal Year 2013 or \$750,000.

Note that the above figures are *estimates*, reflecting the current best projection of state tax revenues during Calendar Year 2017. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2017 distributions to your county's undivided local government fund will vary from the above estimate by an unknown degree.

In addition, forms for your use in complying with the reporting requirements of RC 5747.51(J) will be posted to our website (RA/JL form). This section requires notification to the Tax Commissioner of the estimated allocations to the subdivisions of the CULGF. In addition, we are asking that also show the estimated allocations of the Public Library Fund. Please complete and return these forms after your county's budget commission has made the 2016 apportionments.

If you have any questions concerning the CULGF, please contact either Johnathan Heckert of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.
