

To: Township Fiscal Officers

On an annual basis, we survey all localities in Ohio for tax data pertaining to lodging tax. The reported revenues and tax rates are published and made available to the general public.

Please report net collections and the rate imposed during calendar year 2015 from a lodging tax levied by your jurisdiction (do not include any amounts received from a county-imposed lodging tax). Please report net collections including any distributions to other parties, notably a Convention and Visitors' Bureau.
