## Pass -Through Entity & Trust Withholding Tax

Ohio's tax laws include a provision, effective in 1998, for the collection of tax on the distributive shares of income earned by qualifying investors from their investment in any qualifying pass-through entity doing business in Ohio. The pass-through entity tax is not so much a separate tax but, rather, a mechanism designed to collect individual income tax or corporation franchise tax which pursuant to Ohio tax law is due and payable by pass-through entity investors.

### **Taxpayer**

Qualifying pass-through entities.

### **Tax Base**

The sum of the "adjusted qualifying amounts" of a qualifying pass-through entity's qualifying investors. A pass-through entity is an "S" corporation, partnership, or a limited liability company treated as a partnership for federal income tax purposes. (Many pass-through entities are not subject to the tax; see **Major Exemptions**). The "adjusted qualifying amount" is the net sum of the qualifying investor's distributive share of the pass-through entity's income, gain, expense, and loss apportioned to Ohio.

### **Rates**

- 5.0% withholding tax on the adjusted qualifying amount of qualifying investors who are individuals.
- 6.8% entity tax on the adjusted qualifying amount of qualifying corporate investors that are not individuals and subject to the corporation franchise tax phase-out reduction (80%) for taxable year ending in year 2005; 60% for 2006; 40% for 2007; 20% for 2008; and 0.0% for 2009 and thereafter.
- 8.5% entity tax on the adjusted qualifying amount of qualifying corporate investors that are not individuals and not subject to the corporation franchise tax phase-out reduction.
- No tax is due if the total adjusted qualifying amount is \$1,000 or less.

### **Major Exemptions**

Pass-through entities not subject to tax include (but are not limited to) the following:

95.2% to the General Revenue Fund, 4.2% to the Local Government Fund, and 0.6% to the Local Government Revenue Assistance Fund.

For fiscal years 2002 and 2003, the two local government funds were frozen and each received the same amount of corporation franchise tax revenue as they received in Fiscal Year 2001. The remainder was deposited in the General Revenue Fund. This freeze was continued in fiscal years 2004 and 2005 and again in the biennium budget for fiscal years 2006 and 2007. Refer

**Payment Dates**

Qualifying pass-through entities whose total adjusted qualifying amounts exceed \$10,000 must make estimated quarterly tax payments. The payments are due on the 15<sup>th</sup> day of the month following the last day of each quarter of the taxpayer's taxable year. For taxpayers with a January 1- December 31 taxable year, payments are due on April 15, July 15, October 15, and January 15.

The annual pass-through entity tax return must be filed by the 15<sup>th</sup> day of the fourth month following the end of the entity's taxable year. For taxpayers with a January 1- December 31 taxable year, the return is due on April 15. If the entity has an extension of time to file its federal tax return, the qualifying pass-through entity has the same extension to file the pass-through entity tax return. However, there is no extension of time to pay.

**Special Provisions/Credits**

A refundable tax credit may be claimed by qualifying individual investors in a pass-through entity against their Ohio individual income tax based upon the investor's proportionate share of the withholding tax and entity tax, if any.

A nonrefundable tax credit may be claimed by qualifying non-individual (corporate) investors against their Ohio corporation franchise tax, based upon the investing corporation's proportionate share of the entity tax.

Qualifying trusts are also subject to tax.

The entity tax does not apply to any pass-through entity to the extent the pass-through entity's distributive shares of income and gain pass through from that entity to another pass-through entity (the "investing entity"), as long as certain conditions are met.

If, for federal income tax purposes, the investor deducts the investor's proportionate share of the withholding tax or the entity tax, the investor must add back such tax on the Ohio individual income tax return or corporation franchise tax report.
