For taxpayers subject to the phase-out of the corporation franchise tax and the phase-in of the commercial activity tax (CAT), 2008 was the last report year for which certain credits were available. For all subsequent years, the credits automatically converted to credits against the CAT and may be claimed beginning July 1, 2008. As such, for CAT periods beginning on or after July 1, 2008, a taxpayer may apply any of the following unused corporation franchise tax credits against the CAT, provided the combined number of carryforward years under the corporation franchise tax and the CAT does not exceed the carryforward period allowed, if applicable. Please see O.A.C. 5703-29-22 contained in information release CAT 2007-03 for more detailed information regarding the CAT credits.
