§17. Collection of tax after termination of ordinance

A. This ordinance shall continue effective insofar as the levy of taxes is concerned until repealed, and insofar as the collection of taxes levied hereunder and actions or proceedings for collecting any tax so levied or enforcing any provisions of this ordinance are concerned, it shall continue effective until all of said taxes levied hereunder are fully paid and any and all suits and prosecutions for the collection of said taxes or for the punishment of violations of this ordinance shall have been fully terminated, subject to the limitations contained in §11 and 12 hereof.

B. Annual returns due for all or any part of the last effective year of this ordinance shall be due on the date provided in §5 and 6 of this ordinance as though the same were continuing.

§18. Emergency clause

This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety and it shall go into effect forthwith. The reason for the said emergency is THAT the imposition of this tax and the collection of said tax is essential to the operation of this Village because the general fund is currently operating in a deficit category.
