

# Revision Notice for 2003 IT 1040 Filing Instructions

## January 14, 2004

### ***Line 34 – Neighboring States and Nonresident Military Personnel***

#### **Neighboring States**

Because of “reciprocity agreements” Ohio has with the states of Indiana, Kentucky, West Virginia, Michigan and Pennsylvania, you do not have any Ohio income tax liability if the following three conditions apply:

- You resided in one or more of these states for the entire year; and
- Your only source of income within Ohio was from wages, salaries, tips or commissions; and
- The “exceptions” discussed below do not apply to you (or to your spouse if your filing status is married filing jointly).

If Ohio income tax was withheld on this income but you meet the three conditions set forth above, you can file an Ohio income tax return to get a full refund. Enter the amount from line 1 on line 34, Schedule A and on line 2. Then enter zero (“0”) on lines 3, 14, & 15, and complete the return according to instructions.

**Exceptions:** Civilian nonresidents and civilian part-year residents must enter zero “0” on line 34 if either of the following circumstances applies:

1. You were a part-year resident of Ohio, had additional sources of income from Ohio, or do not meet the conditions set forth above, you cannot use this deduction. Instead, you must file Form IT 1040 and claim the part-year resident/nonresident credit in Schedule D.
2. You own directly or indirectly at least 20% of a pass-through entity (PTE) having nexus in Ohio. Ohio Revised Code section 5747.40(A)(7) reclassifies any compensation from such PTE’s as a distributive share of income from the pass-through entity. Therefore, you must file Form IT 1040 and claim the part-year resident/nonresident credit in Schedule D. Also, please see ***How do Investors in a Pass-through Entity report income?*** and ***How Do Nonresidents or Part-year Residents Engaged in Business apportion income?*** on page 6 of the Income Tax Instruction Booklet.

#### **Nonresident Military Personnel**

If you are a member of the military during any portion or all of the taxable year and if you file the Ohio income tax return as a nonresident or part-year resident (the “nonresident” or “part-year resident” box is checked on page one of the return), you should deduct on line 34, Schedule A all amounts included in line 1 **except** the following income items:

- Civilian compensation earned in Ohio.
- All other types of income which are “Ohio-specific” earnings. Examples of such Ohio-specific earnings are rental income from Ohio-based property, capital gains from the sale of Ohio-based property, winnings you received from the Ohio Lottery Commission, and the distributive share of income from any pass-through entity (PTE) doing business in Ohio. You cannot deduct on line 34 these Ohio-specific earnings. Unless you have income from a PTE doing business in Ohio and elsewhere, you generally cannot use Schedule D, Nonresident Credit.

## *A Message from Ohio's Tax Commissioner –*

If you want to make preparing your taxes easier and more convenient this year, please join the 2.2 million Ohioans who have made the switch from paper to electronic filing. Thanks to your support, Ohio ranked second among all States in number of electronic returns filed last year. The reduction in paper filing allows us to protect one of our country's most valuable natural resources while providing you, the taxpayer, with a safe, quicker and easier way to file your Ohio Individual Income Tax return.

Electronic filing continues to save your tax dollars by reducing our processing costs. In addition, only electronic filing methods offer direct deposit of your refund which is the fastest way to a speedy refund.

New this year is the expansion of the electronic check payment option previously offered only to taxpayers using Ohio I-File or TeleFile. This year all taxpayers, regardless of filing method, have the option to pay their tax due with an electronic check. You can file early to avoid the April 15<sup>th</sup> rush while scheduling your payment for anytime before midnight April 15, 2004. You can also use an electronic check to pay your estimated tax for 2004. Please see page 37 for more information on this. All taxpayers will also benefit from an increase in the personal and dependent exemption amount. Last year it was \$1,200 and this year it increased to \$1,250.

Please consider electronic filing of your return by using one of these popular filing methods:

- Use your telephone to **TeleFile** your return (it's free);
- Use your personal computer to access **Ohio I-File** at our web site to file your return (it's free); or
- You can choose **IRS e-file** to file your return and have it transmitted electronically to us through an approved software program or through an authorized tax professional.

You are encouraged to visit our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax). It is a valuable resource for you and it is available 24 hours a day, 7 days a week. You can preview and download Ohio tax forms, check on the status of your refund and view other helpful information.

Please take a few minutes to explore the various electronic filing methods and see if one of them is for you.

## **AVOID THESE!** –the most common errors on last year's income tax returns!

-  If you use a tax preparer to electronically file your return (e-file), make sure your current address is on file with the preparer. It may be necessary for your preparer to update your mailing address on your return if you have moved since last year's filing. This prevents your refund from being returned to us as "undeliverable."
-  Taxpayers who claimed the state and local overpayment deduction in error. Only taxpayers who itemize their deductions for federal purposes may be eligible to claim this deduction.
-  Taxpayers who incorrectly calculated their Ohio "use tax."
-  Failure to sign tax returns.
-  Failure to attach W-2's to tax returns.
-  Failure to indicate the school district number on tax returns.

All of these errors may delay the processing of your tax return. Please review your return before filing and read our instructions carefully.

# General Information

## Do I have to **File** an Ohio Income Tax Return?

Every Ohio resident and part-year resident is subject to the Ohio income tax; so is every nonresident who directly as a sole proprietor, or through a partnership, S corporation or a limited liability company earns or receives income from Ohio sources. There are some people who do not have to file an Ohio income tax return.

### You **do** have to file an Ohio return if you . . .

- Have completed Schedule A (on the back of the Ohio Form IT 1040).
- Had Ohio tax withheld.
- Are due an Ohio income tax refund.
- Are single, under age 65, AND your federal adjusted gross income is \$4,150 or more.
- Are single, age 65, or over, AND your federal adjusted gross income is \$8,550 or more.
- Are married, filing jointly, under age 65, AND your federal adjusted gross income is \$7,800 or more.
- Are married, filing jointly, age 65 or over, AND your federal adjusted gross income is \$11,150 or more.

### You **do not** have to file an Ohio return if . . .

- Your only source of income is retirement income which is eligible for the Retirement Income Credit (line 46) AND the credit is the same or larger than your tax before credits (line 6).
- You are eligible for the SENIOR CITIZEN CREDIT AND your tax before credits (line 6) is \$50 or less.
- Your exemption amount on line 4 is the same as or more than your Ohio adjusted gross income (line 3).

If we mailed you an Ohio income tax return with a preprinted label and you do not have to file, please fill out and send in the Information Notice (IT-10) on page 36 of this booklet.

## Where and When do I file?

File on or before April 15, 2004 for calendar year 2003. Returns for other tax periods are due on the 15th day of the fourth month following the close of your taxable year. Mail your return to the address noted below.

IT 1040 (payment enclosed), mail to: Ohio Department of Taxation PO Box 2057 Columbus, Ohio 43270-2057	IT 1040EZ (payment enclosed), mail to: Ohio Department of Taxation PO Box 182850 Columbus, Ohio 43218-2850
IT 1040 (NO payment enclosed), mail to: Ohio Department of Taxation PO Box 2679 Columbus, Ohio 43270-2679	IT 1040EZ (NO payment enclosed), mail to: Ohio Department of Taxation PO Box 182294 Columbus, Ohio 43218-2294

## What **Tax Records** do I need to keep?

Keep a copy of your completed income tax return. Also keep copies of any papers you used to prepare your return. Keep these records for at least 4 years from the later of the filing due date or the date you filed the return. Your tax return may be audited by the Ohio Department of Taxation. If your return is audited, you must be able to prove all claims and items listed on your return.

## Can **Dependent Children** claim themselves if they file their own tax return?

Yes! Ohio law differs from federal law by permitting dependents who are claimed on their parent's tax return to claim themselves on their own tax return.

## What if I want a **Receipt** to prove that I paid?

Your cancelled check or credit card statement may be used as proof of receipt of your tax payment. If you make payment with a money order, be sure to keep your copy for your records.

## How do Investors in a Pass-through Entity report income?

A pass-through entity is generally a partnership, S corporation or limited liability company treated as a partnership for federal income tax purposes. Individuals who are investors in a pass-through entity must file Form IT 1040. However, such investors do not have to file Form IT 1040 if ALL of the following apply:

- the investor is a full year nonresident AND
- the pass-through entity files Form IT-4708 Annual Composite Income Tax Return on behalf of the investor AND
- the investor has no other Ohio source income or if the investor has other Ohio source income, that income is also reported on other IT-4708's.

## How do Nonresidents or Part-Year Residents Engaged in Business apportion income?

A nonresident or part-year resident who is engaged in business (directly as a sole proprietor or through a partnership, S corporation or limited liability company) that has activities inside Ohio must apportion his/her business income inside and outside of Ohio. If you file Form IT 1040, use Form IT-2023 Income Allocation and Apportionment Worksheet to determine the proper amount of credit to claim in Schedule D of Form IT 1040.

## What if a taxpayer has Died?

If a taxpayer died before filing a return for 2003, the taxpayer's spouse or personal representative may have to file and sign a return for the person who died. A personal representative can be the executor, administrator, or anyone who is in charge of the deceased person's property.

- Use the same form and filing status that the taxpayer would have used if living.
- In the name and address area, write 'DECEASED' and the date of death after the person's first name.

Claiming a refund for a deceased person: If you are a surviving spouse filing a joint return with the deceased, file only the tax return to claim the refund. If you are a court appointed representative, file the return and attach a copy of the certificate that shows your appointment. All other filers must attach a copy of Federal Form 1310.

**CAUTION:** We cannot rewrite a decedent's refund check (i.e., payable to the estate of the decedent or add an executor's name).

## What if I need More Time to file?

You must first qualify for a federal extension. Ohio does not have an Ohio extension form and honors the federal extension. You should attach a copy of your federal extension (with your extension confirmation number) or a printed copy of the federal acknowledgment to the Ohio income tax return when you file. **Remember that there is no extension for paying the tax.** Extension payments should be made on Form IT-40P (see page 37) by April 15th. Certain military personnel in a combat zone may have an additional extension (see *What If I am in the Military?*).

## Do I owe Penalties and Interest?

A failure to **file** penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to file your Ohio Income Tax Return by the due date, unless the due date is extended by a federal extension.

A failure to **pay** penalty of double the interest charged will apply if you do not **pay** the full amount of tax by April 15, 2004. However, this penalty may not apply if you obtained a federal extension of time to file and your total payments equal or exceed 90% of your total Ohio Tax.

In all cases, interest will be charged from the date the tax should have been paid (April 15, 2004) until the date of payment. An additional \$50 bad check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

The interest rate for 2003 is 6%, and for 2004 is 4%.

## How do I Round to the Nearest Dollar?

You are required to round to the nearest whole dollar. To do so, drop any cents less than 50 cents and increase amounts from 50 cents to 99 cents to the next higher dollar.

## What if I need to Correct my Income Tax Return after I mail it?

Any change or correction to your return can be made by filing an Amended Ohio Income Tax Return (Form IT 1040X). To speed -up the processing of your amended return:

- Attach a copy of your original return, AND
- Attach a copy of any cancelled checks used as payment on your original return.

You can get Ohio Form IT 1040X from our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax) or by calling toll free 1-800-282-1782. If you correct your federal income tax return or if you are audited by the Internal Revenue Service, you must file Ohio Form IT 1040X within 60 days of the final determination of the federal change.

**CAUTION:** The Internal Revenue Service tells us about all changes it makes to your federal return. To avoid penalties, be sure to file your Ohio amended return within 60 days of the final determination of the federal change.

## Should I make **Estimated Tax** payments in 2004?

Estimated tax is a method used to pay tax on income when your withholding and refundable credits do not cover your tax liability. You **must** pay estimated tax if you expect your 2004 tax to be more than \$500 after subtracting your withholding and refundable credits. Common examples of income sources which make quarterly estimated payments necessary would be self-employment income, pensions, commissions, lump sum payments, capital gains, dividends, interest, alimony or other sources of income not subject to withholding.

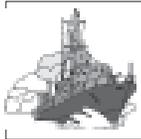

If you estimate that you will owe over \$500 in tax for 2004 (after subtracting your estimated withholding and refundable credits), then you should make quarterly estimated payments on Ohio Form IT-1040ES or by filing and paying electronically (see page 37 for details).

**CAUTION:** If you are required to make estimated payments and do not, you may be subject to an interest penalty on your underpayment of estimated taxes. Ohio Form IT-2210 is used to calculate the interest penalty on your underpayment amount.

### 2004 Payment Due Dates:

- 1st Quarter – April 15, 2004
- 2nd Quarter – June 15, 2004
- 3rd Quarter – Sept. 15, 2004
- 4th Quarter – Jan. 18, 2005

**Tip**—If you don't want to make estimated payments, you may increase the amount of Ohio tax your employer withholds from your wages. To do this, file with your employer a revised Ohio Form IT-4 (Employee Withholding Exemption Certificate).

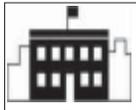

## What if I am in the **Military**?

If you are an Ohio resident, your entire federal adjusted gross income including your military pay is taxed by Ohio even if you spent no time in Ohio during 2003. Ohio will allow you to calculate a tax credit if your nonmilitary pay was taxed by another state. See Schedule C. If you are not an Ohio resident, Ohio does not tax your military pay. **Please see Revision Notice at the front of this booklet.** Ohio will tax your nonmilitary pay included in your federal adjusted gross income if the nonmilitary pay was earned in Ohio. Income from a nonmilitary Ohio job or Ohio rental property would be taxable to Ohio. See Schedule D. If you are unsure of your state of residency, see Ohio residency status on page 9.

### Operation Iraqi Freedom

A taxpayer eligible for a federal extension receives an automatic extension to file an Ohio return and to pay the tax. The Ohio extension is for the same length of time as the federal extension.

Beginning with taxable year January 1, 2002 and subsequent years, a member of the National Guard or a reserve component of the armed forces called to duty under "Operation Iraqi Freedom" who does not qualify for the automatic federal extension may apply for an Ohio income tax extension before the sixtieth day from his/her termination of duty. The Tax Commissioner will enter into a contract for the payment of tax in installments beginning on the sixty-first day after the duty under Operation Iraqi Freedom terminates. The applicant does not have to file a return or other tax document prior to the sixty-first day. Taxes paid pursuant to an agreement are not delinquent, and the applicant will not have to pay any penalties or interest.

## Do I have to file a **School District Income Tax** Form?

Certain Ohio school districts have an additional income tax. These school districts are marked with an asterisk (\*) on pages 33 to 35 in this booklet. If you lived in one of these districts during all or part of 2003, you must file an Ohio School District Income Tax Return (Form SD-100). File Form SD-100 with the Department of Taxation at the same time that you file your Ohio return. You can get Form SD-100 from our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax), your local school board office, or by calling toll free 1-800-282-1782.

## What is a **Medical Savings Account** and what are the qualifications?

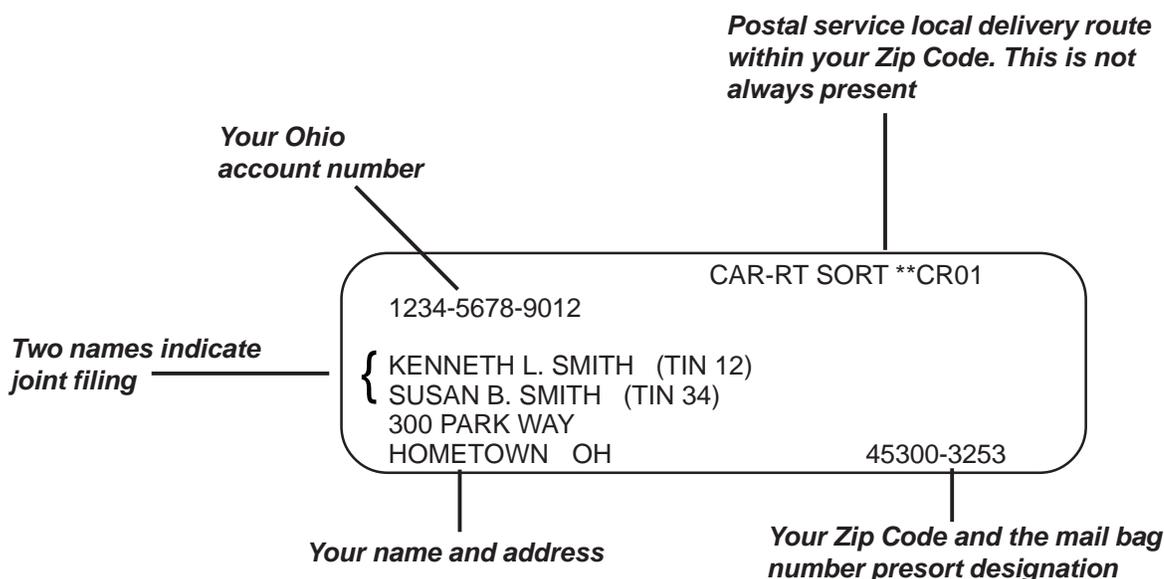

A medical savings account is used to pay eligible expenses of the account holder, the account holder's spouse, and qualified dependents. A medical savings account can be opened by or on behalf of a person that participates in either a sickness and accident plan, a plan offered by a Health Maintenance Organization, or a self-funded employer-sponsored health benefit plan pursuant to the federal Employee Retirement Income Security Act (ERISA).

An administrator must be designated for a medical savings account at the time the account is opened. Account holders are generally permitted to withdraw the funds at any time for any reason. However, account administrators **may not release any funds during the year of deposit** except for reimbursement of eligible medical expenses. Any withdrawals for a non-qualifying medical purpose may result in increased Ohio taxes. An "eligible" medical expense would include any expense for a service rendered by or for an article, device or drug prescribed by a licensed health care provider or a Christian Science practitioner.

A qualified dependent is any of the following:

- the account holder's child if under 19 years of age or if under 23 years of age and a full-time student at an accredited college or university,
- the account holder's child who is not self-sufficient due to physical or mental disorders or impairments, or
- the account holder's child who is legally entitled to the provision of proper or necessary subsistence who is not otherwise emancipated, married, or a member of the armed forces of the United States.

## Your mailing label – what does it mean?

### Why use the label?

The mailing label on the front of the instruction booklet is designed to speed processing at our service center and prevent errors that delay refund checks. Do not attach the label to your return until you have finished completing all of the lines of your return.

Besides your name, address and Ohio account number, the label contains mailing codes. The above diagram shows you where these items appear.

## Instructions for top of the forms

### Name and address

*Did you receive a label with the correct information?*

**YES**

After you have completed your return, take the label off the front of the tax booklet and put it in the “Name” space on the return you send in.

**If the label shows both spouses’ names but you are filing separate returns, you cannot use the label.**

Note: You must fill in your social security number(s) in the space provided.

**NO**

**If you received a label with incorrect information,** cross out any errors and print the correct information on the label. Add any missing items (such as an apartment number).

**If you didn’t receive a label,** please print or type your name, address and social security number in the spaces provided. If this is a joint return, print or type both names and social security numbers in the spaces provided.

Write the first four letters of the name of the Ohio county where you live.

### Filing status

Your filing status must be the same as your federal income tax filing status for this year with the following exception: select the single box on your Ohio return if you marked the box labeled “qualifying widow(er) with dependent child” on your federal return.

**CAUTION: If you and your spouse filed a joint federal income tax return, you MUST file a joint Ohio income tax return. If you and your spouse file separate federal income tax returns, you MUST file separate Ohio income tax returns.**

### Ohio public school district number

Every school district in Ohio has been given an identification number. These numbers are found on pages 33, 34 and 35 of this booklet.

Look up the number for your school district that you lived in for the majority of 2003 and write it in the space provided. Nonresidents should enter 9999 in the space provided.

## Ohio residency status

- **Resident.** Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were still a resident of Ohio.
- **Nonresident.** Mark this box if you were domiciled outside of Ohio all year. Write the name of the state where you resided for 2003 in the space provided.
- **Part Year resident.** Mark this box if you moved into or out of Ohio during 2003 not counting being away temporarily. Enter the dates you **were** an Ohio resident in the space provided.

**Caution:** Part-year residents should use the part-year/nonresident credit in Schedule D for income earned while a resident of another state (see page 22).

If you are unsure of your state of residency, Ohio law provides that you will be considered a nonresident of Ohio if you meet **all** of the following requirements:

- During the entire taxable year you had at least one abode outside of Ohio, AND
- You spent no more than 120 days in Ohio during the taxable year, plus 30 additional days may be spent in Ohio for specific reasons (e.g., funerals, charity functions, doctor's visits), AND

- You attach to your tax return a statement, signed under the penalties of perjury, declaring that (1) you were not domiciled in Ohio at any time during the taxable year and (2) you had at least one place of abode outside Ohio during the entire taxable year.

Such individuals who earn and receive all income outside of Ohio will not have an Ohio tax liability. Such individuals who do earn or receive some income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned or received in Ohio.

It is important that individuals submitting the affidavit appreciate the complete ramifications of submitting this statement. Other state agencies (such as the Ohio Board of Regents, the Ohio Bureau of Motor Vehicles, and the Ohio Elections Division of the Ohio Secretary of State) may no longer recognize you as a resident of Ohio if you submit such a statement to the Ohio Department of Taxation.

## Ohio political party fund

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund may only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get-out-the vote campaigns not related to any particular candidate or election.

**If you file a single return** and have a tax (line 14 of Form IT 1040 or line 10 of Form IT 1040EZ) of \$1 or more, you may choose to have \$1 go to this fund by checking the YES box on the return. **If you file a joint return** and have tax (line 14 of Form IT 1040 or line 10 of Form IT 1040EZ) of \$2 or more, each of you may choose to have \$1 go to this fund or each may choose not to. Marking YES will not increase the tax due or reduce the refund shown on your return.

# Form IT 1040EZ Line by Line Instructions

Round all lines to the nearest whole dollar.

## EZ Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2003 federal income tax return.

Use: Form 1040, line 34 OR  
Form 1040A, line 21 OR  
Form 1040EZ, line 4 OR  
Form 1040TEL, adjusted gross income.

**In all cases your line 1 must match your federal adjusted gross income as defined in the Internal Revenue Code. There are no exceptions to this requirement. Federal adjusted gross income includes, but is not limited to, wages, salaries, commissions, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of penalty.**

**Zero or Negative Federal Adjusted Gross Income** – If you have zero or a negative Federal adjusted gross income, then you must attach a copy of page 1 of your Federal Form (1040, 1040NR, 1042-S or equivalent) to your Ohio return when you file.

## EZ Line 2 – State or Municipal Refunds

If you filed a federal 1040 tax return, you may be entitled to a deduction on your Ohio tax return for state or municipal income tax refunds. You are not entitled to a deduction if you filed a federal 1040EZ, 1040A, or 1040TEL. See **Worksheet A on the back of the Ohio IT 1040EZ.**

## EZ Line 3 – Ohio Adjusted Gross Income

Deduct line 2 from line 1.

## EZ Line 4 – Exemptions/Dependents

### Personal Exemption

You get a personal exemption of \$1,250 for yourself and an additional \$1,250 for your spouse if you are filing a joint return.

### Dependent Exemptions

Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal tax return. You get a \$1,250 deduction for each dependent exemption.

### What personal exemptions and dependent exemptions can I claim?

You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your federal return with the following exception:

- Children being claimed as dependents on their parents' Ohio tax return may claim the \$1,250 personal exemption on their own Ohio tax return and their parents may use the \$1,250 dependent exemption for that same child on the parents' Ohio tax return.

Enter the number of your personal and dependency exemptions in the space provided on line 4 and multiply this number by \$1,250.

See “**TIP–Line 4 and Line 7**” on the back of the Ohio IT 1040EZ.

## EZ Line 5 – Ohio Taxable Income

Subtract line 4 from line 3. If the amount on line 4 is larger than line 3, enter “0” on line 5. You do not owe any Ohio income tax. If you had Ohio tax withheld, you must complete the rest of the return to get a refund.

## EZ Line 6 – Tax on Line 5

Figure your tax on your Ohio taxable income (line 5) using the tax tables on pages 26 through 32.

- If your taxable income is less than \$100,000, your tax has been figured for you as shown in Tax Table 1, or you may use Tax Table 2.
- If your taxable income is \$100,000 or more, you must use Tax Table 2.

## EZ Line 7 – Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 7. See “**TIP–Line 4 and Line 7**” on the back of the IT 1040EZ.

## EZ Line 8 – Tax Less Exemption Credit

Subtract line 7 from line 6.

- If your total credit on line 7 is larger than your tax on line 6, enter a “0” on lines 8, 9, and 10.

## EZ Line 9 – Joint Filing Credit

If you are a married couple filing a joint Ohio income tax return, you may be entitled to a joint filing credit. You can take this credit only if each spouse has qualifying Ohio Adjusted Gross Income of \$500 or more. Qualifying income does not include income from interest, dividends and distributions, royalties, rents, capital gains, and state or municipal income tax refunds. If you do not qualify for the joint filing credit, enter “0” on line 9.

If you do qualify for the joint filing credit, then find your Ohio taxable income in the first column below. The second column then tells you what percent of your tax on line 8 will be your joint filing credit. Multiply your tax by this percent and enter the amount on line 9. Enter the percent in the space provided.

### If your Ohio taxable income (line 5) is:

	Your credit is:
\$25,000 or less .....	20% of line 8
More than \$25,000 but not more than \$50,000 .....	15% of line 8
More than \$50,000 but not more than \$75,000 .....	10% of line 8
More than \$75,000 .....	5% of line 8

**The credit is limited to a maximum of \$650.**

**Example:** If your Ohio taxable income on line 5 was \$23,000 AND the tax amount on line 8 is \$541, THEN the joint filing credit will be \$541 X .20 = \$108 (**rounded**).

If either spouse does not have a W-2 Form showing \$500 or more of Ohio income, you must attach a separate statement to your return explaining what income qualifies for this credit.

## EZ Line 10 – Ohio Income Tax

Subtract line 9 from line 8.

## EZ Line 11 – Unpaid Ohio Use (Sales) Tax

Please use line 11 of the IT 1040EZ income tax return to report the amount of unpaid use (sales) tax (if any) that you may owe from out-of-state purchase(s) that you made in 2003 (e.g., mail order or Internet purchases). A detailed explanation of the Ohio use tax is provided on page 23 and a worksheet can be found on the back of the IT 1040EZ.

If you did not make any out-of-state purchases during 2003, enter -0- on line 11. If you did make out-of-state purchases during 2003 and you paid **no** sales tax on the purchase(s), then you are required to complete **Worksheet B** on the back of the IT 1040EZ to determine the amount of Ohio use tax you owe (which is the sales tax on those purchases).

**Note:** If you decide to report your Ohio use tax on your income tax return, any unpaid portion of the total tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing Form VP-USE, then you do not have to report the use tax on line 11 of Form IT 1040EZ.

## EZ Line 12 – Total Ohio Tax

Add lines 10 and 11.

## EZ Line 13 – Ohio Tax Withheld

Enter the total amount of Ohio tax withheld. This is shown normally on your tax statement form (W-2–Box 17, W-2G or 1099R).

- **Attach legible state** copies of your W-2, W-2G OR 1099R Forms to the back of Form IT 1040EZ. (See sample W-2 on page 9.)
- You cannot claim taxes withheld for another state or a city or a school district on the Ohio return.

Do not include estimated payments or IT-40P payments on this line. If you made these types of payment, you must file Form IT 1040.

## EZ Line 14 – Refund

If line 13 is larger than line 12, you have a refund. Subtract line 12 from line 13 and enter the amount of your refund on line 14.

**CAUTION:** If you move after filing your tax return and you are expecting a refund, notify the Post Office servicing your old address. Fill out a change of address form at the Post Office.

## EZ Line 15 – Amount You Owe

If line 12 is larger than line 13, you owe more tax. Subtract line 13 from line 12 and enter the tax you owe on line 15.

- Make your check or money order payable to the **Treasurer of State of Ohio**. Write your social security number on your check or money order.
- You can also pay by electronic check or credit card (see page 37).

If you cannot pay the amount you owe, you must file the return by April 15th to avoid the late filing penalty.

**CAUTION:** You may be charged interest penalty for not paying enough tax during the year. You may have to pay an interest pen-

alty if the Amount You Owe (line 15), less any use tax, is more than \$500 and both of the following apply:

- The amount of your 2003 Ohio tax withheld (line 13) is less than 90% of your 2003 tax (line 10) less \$500, and
- The amount of your 2003 Ohio tax withheld was less than 100% of your 2002 tax (line 14, 2002 IT 1040 or line 10, 2002 IT 1040EZ).

If you owe an interest penalty, you may choose to have us calculate the interest penalty for you, and we will send you a bill. However, if you want to figure your interest penalty on the Ohio Form IT-2210, you must file the standard Form IT 1040 by paper or electronically to do so.

## EZ Line 16 and 17 – Natural Areas and Wildlife Donations

If you have an overpayment on line 14, you may donate part of it, or all of it, to either or both of the two programs administered by the Ohio Department of Natural Resources. These programs work to protect your natural heritage. Your tax return is confidential and your name will not be released to these programs; therefore, they extend their appreciation to those who donate, in advance. Please note, your donation may be tax deductible on next year's federal tax form.

**Line 16** may be used to donate to the preservation of Ohio's nature preserves and scenic rivers. You can help create a rich and lasting legacy for all Ohioans. Your generous donation supports the protection of Ohio's endangered species, as well as preserves high-quality natural areas and streams.

**Line 17** may be used to donate to help all of Ohio's wildlife. The Division of Wildlife uses these funds to establish habitat and protect open spaces for wildlife. Past donations have helped to restore populations of endangered species including peregrine falcons, bald eagles, and snowshoe hares. Your generous donation will continue to help support Ohio's native wildlife, a natural treasure!

**CAUTION:** You should not deduct the amount of your donation from your refund. Any donations shown will automatically reduce the amount of the refund that will be sent to you. If you decide to donate, this decision is final. If you do not wish to donate, leave lines 16 and 17 blank.

If you do not have a refund on line 14, but you want to donate to protect Ohio's natural heritage, you can still do it. **DON'T DO IT ON YOUR INCOME TAX FORM.** Instead, you can donate directly to these programs by writing them a check.

- If you want to donate to nature preserves, scenic rivers, and endangered species protection, make your check payable to: Natural Areas and Preserves Special Account.
- If you want to donate to endangered wildlife species and biodiversity projects, make your check payable to: Nongame and Endangered Wildlife Special Account.

**Mail your donation to:**

Use: Form 1040, line 34 **OR**  
Form 1040A, line 21 **OR**  
Form 1040EZ, line 4 **OR**  
Form 1040TEL, adjusted gross income

**In all cases your line 1 must match your federal adjusted gross income as defined in the Internal Revenue Code. There are no exceptions to this requirement. Federal adjusted gross income includes, but is not limited to, wages, salaries, commissions, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of penalty.**

**Zero or Negative Federal Adjusted Gross Income** – If you have zero or a negative Federal adjusted gross income, then you must attach a copy of page 1 of your Federal Form (1040, 1040NR, 1042-S or equivalent) to your Ohio return when you file.

## Line 2 – Ohio Adjustments

Schedule A (lines 28 to 43) on the back of the return has a list of additions and deductions to your Ohio income. Turn to pages 15, 16, 17, 18, and 19 and read the additions required and the deductions to which you may be entitled.

- If you have no additions or deductions to your Ohio income, leave line 2 blank.
- If you have additions or deductions in Schedule A on the back of the return, complete Schedule A at this time. Copy the net adjustments from line 45 onto line 2.

## Line 3 – Ohio Adjusted Gross Income

Add to or subtract from line 1 the amount of adjustments on line 2.

## Line 4 – Exemptions/Dependents

### Personal Exemption for You and Your Spouse

You get a personal exemption of \$1,250 for *yourself* and an additional \$1,250 for your *spouse* if you are filing a joint return.

### Dependent Exemptions

Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal income tax return. You get a \$1,250 deduction for each dependent exemption.

### TIP for lines 4 and 9–Personal Exemption Deduction and Exemption Credit

Every taxpayer who files an Ohio income tax return is entitled to a personal exemption of \$1,250 (line 4) and a \$20 exemption credit (line 9). **You are entitled to this deduction and credit even if you can be claimed on another taxpayer's tax return.** Some taxpayers (mostly working students) are not taking advantage of this deduction/credit because they are claimed on their parents' return and believe they are not entitled to the personal exemption deduction or exemption credit provided on the Ohio return. By taking advantage of this deduction and credit, you will increase your refund or decrease the amount you owe.

## Line 5 – Ohio Taxable Income

Subtract line 4 from line 3:

- Your exemption amount on line 4 may be larger than your Ohio Adjusted Gross Income on line 3. If this is so, enter a "0" (zero) on line 5. You do not owe any Ohio income tax. If you had Ohio tax withheld or made an estimated or extension payment, you must complete and file this return to receive any overpayment.

## Line 6 – Tax On Line 5

Figure your tax on your Ohio taxable income (line 5) using the tax tables on pages 26 through 32.

- If your taxable income is less than \$100,000, your tax has been figured for you as shown in Tax Table 1, or you may use Tax Table 2.
- If your taxable income is \$100,000 or more, you must use Tax Table 2.

## Line 7 – Credits - Schedule B

Schedule B on the back of the return has a list of the nonbusiness credits that you may be allowed to take. Turn to pages 20, 21 and 22 to read the credits for which you may be eligible.

- If you do have credits, complete Schedule B at this time. Copy the total credits from line 54 onto line 7.
- If you have no credits from Schedule B, enter "0" on line 7.

## Line 8 – Tax Less Schedule B Credits

Subtract line 7 from line 6.

- If your total credits on line 7 are larger than your tax on line 6, enter a "0" on lines 8 through 15.

## Line 9 – Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 9.

## Line 10 – Tax Less Exemption Credit

Subtract line 9 from line 8.

- If your total credit on line 9 is larger than your tax on line 8, enter a "0" on lines 10 through 15.

## Line 11 – Joint Filing Credit

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio Adjusted Gross Income (line 3) of \$500 or more. Qualifying income does not include income from interest, dividends and distributions, royalties, rents, capital gains, and state or municipal income tax refunds. Find your Ohio taxable income from line 5 in the first column on the next page. The second column then tells you what percent of your tax on line 10 will be your joint filing credit. Multiply your tax by

this percent and enter the amount on line 11. Enter the percent in the space provided. This credit is limited to a maximum of \$650.

**If you have deducted an amount on Schedule A of your Ohio return, you may not be entitled to the joint filing credit, unless each spouse has other sources of qualifying income totaling \$500 or more included in Ohio Adjusted Gross Income, line 3.**

**Example:** Pat and Sharon Green file a joint return. Sharon earned \$200,000 from her current employment. Pat’s only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 35 and is not included in the Green’s Ohio Adjusted Gross Income. Therefore, they do not qualify for Ohio’s joint filing credit. However, if Pat had another source of qualifying income of \$500 or more not deducted in Schedule A, the Greens would qualify for the credit.

- If you do not qualify for the joint filing credit, enter “0” on line 11.
- If you do qualify for the joint filing credit, figure it this way:

**If your Ohio Taxable**

Income (Line 5 ) is:	Your credit is:
\$25,000 or less .....	20% of line 10
More than \$25,000 but not more than \$50,000 .....	15% of line 10
More than \$50,000 but not more than \$75,000 .....	10% of line 10
More than \$75,000 .....	5% of line 10

**The credit limit is limited to a maximum of \$650.**

**Example:**

IF Ohio taxable income on line 5 is \$23,000 AND

The tax amount on line 10 is \$541, THEN

The joint filing credit will be     \$541  
  x .20  
joint filing credit = \$108 (rounded)

- ON JOINT RETURNS if either spouse does not have wage and tax statement (W-2 Form) showing \$500 or more of income, you **must** attach a separate statement to the return explaining what income qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio Adjusted Gross Income (line 3) in order to take the joint filing credit.

**Line 12 – Tax Less Joint Filing Credit**

Subtract line 11 from line 10.

**Line 13 – Resident/Nonresident/Part-Year Resident/Nonrefundable Business Credits**

Please see page 22 for instructions on who qualifies for and how to compute the resident and/or nonresident/part-year resident credits. If you own or operate a business or if you have invested in a partnership, an “S” corporation or a limited liability company, you may qualify for a business credit. Nonrefundable business credits must be calculated on Schedule E (available at any of our offices listed on page 40 of this booklet and on our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax)). A refundable Jobs Credit is also available for qualifying businesses. See the instructions for line 20a for further information.

**NONREFUNDABLE BUSINESS CREDITS INCLUDE:**

- Credits for child-daycare centers
- Credit for investment in certified ethanol plant
- Credits for manufacturing investment
- Enterprise zone credits
- Grape production credit
- Brownfield credit
- Export sales credit carry-forward
- Edison credit

If you have NO credits from Schedule C and/or D and/or E, leave line 13 blank.

If you DO have credits from Schedule C and/or D and/or E, complete the proper schedule(s) at this time. Copy the computed credit(s) from Schedule C, D and/or E onto line 13.

**Line 14 – Ohio Income Tax**

Subtract line 13 from line 12. If your total credits on line 13 are more or equal to your tax on line 12, enter “0” on lines 14 and 15.

**Line 15 – Interest Penalty**

Most taxpayers are not required to enter an amount on this line. However, you may owe an interest penalty if your 2003 Ohio tax withheld and refundable credits (lines 18 and 20, 2003 IT 1040) is less than both of the following:

- 90% of your 2003 Ohio income tax (line 14, 2003 IT 1040) less \$500; and
- 100% of your 2002 Ohio income tax (line 14, 2002 IT 1040 or line 10 2002 IT 1040EZ).

To see if you owe an interest penalty you may either complete Form IT-2210 or elect for us to do the computation. If we do the computation and find that you owe an interest penalty, we will send you a bill – see “**lowering your interest penalty**” below.

If you elect to do the computation and you owe an interest penalty, enter on line 15 the total interest penalty due from your 2003 IT-2210. Check the box next to line 15 that indicates that you have completed Form IT-2210 and attach Form IT-2210 to your Ohio income tax return (Form IT 1040).

**Lowering your interest penalty:**

You may not owe the interest penalty or you may be able to lower the amount of your interest penalty if either of the following conditions apply and you complete Form IT-2210 and attach it to your return:

- Your income varied during the year and you used the annualized income installment method on Form IT-2210 to figure your quarterly tax payments or,
- You had Ohio income tax withheld from your wages and you elect for each quarter’s computation on Form IT-2210 to show when the tax was actually withheld instead of in four equal amounts.

**NOTE: Form IT-2210 may be obtained from any of our offices and on our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax).**

**Line 16 – Unpaid Ohio Use (Sales) Tax**

Please use line 16 of the Ohio IT 1040 income tax return to report the amount of unpaid use (sales) tax that you owe (if any) from out-of-state purchases you made in 2003 (e.g., mail order or In-

ternet purchases). A detailed explanation of the Ohio use tax is provided on page 23 and a worksheet can be found on page 24.

If you did not make any out-of-state purchases during 2003, enter -0- on line 16. If you did make out-of-state purchases during 2003 and you paid **no** sales tax on the purchase(s), then you are required to complete the **use tax worksheet** on page 24 to determine the amount of Ohio use tax you owe (which is the sales tax on those purchases).

**Note:** If you decide to report your Ohio use tax on your income tax return, any unpaid portion of the total tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing Form VP-USE, then you do not have to report the use tax on line 16 of Form IT 1040.

### Line 17 – Total Ohio Tax

Add the amounts of lines 14, 15 and 16 and enter the total on line 17.

### Line 18 – Ohio Tax Withheld

Enter the total amount of Ohio income tax withheld. This is shown normally on your tax statement Form (W-2–box 17, W-2G or 1099R). See sample W-2 on page 9.

- **Attach legible state** copies of your W-2, W-2G or 1099R Forms to the back of Form IT 1040.
- You cannot claim taxes withheld for another state or a city or a school district on the Ohio return.
- If you are a direct or indirect investor in a pass-through entity, you may **not** claim taxes withheld on your behalf by a pass-through entity on this line. For proper reporting of taxes withheld on your behalf by a pass-through entity, see line 20b instructions (Refundable Pass-through Entity Credits).

### Line 19 – Ohio Estimated Tax Payments for 2003 and Amount of 2002 Overpayment Credited to 2003

Enter the total estimated income tax payments submitted on your 2003 Form IT 1040ES including payments made on Form IT-40P plus any overpayment you credited to 2003 from your 2002 IT 1040 line 26.

- You may not claim as an estimated payment a prior year's refund that you did not receive.
- If you are a direct or indirect investor in a pass-through entity, you may **not** claim estimated taxes paid by a pass-through entity on this line. For proper reporting of the amount of tax paid on your behalf by a pass-through entity see line 20b instructions (Refundable Pass-through Entity Credits).

Please contact us for any refunds you did not receive. See page 40 for contact information.

### Line 20a – Refundable Business Jobs Credit

If the Ohio Tax Credit Authority of the Ohio Department of Development has granted you a “New Jobs” credit, you should enter the certified amount on line 20a. This amount shall be considered a payment which may be refunded in whole or in part if your total payments on line 21 exceed the tax on line 17. For further details about this credit, call the Ohio Department of Development at (614) 466-4551.

### Line 20b – Refundable Pass-through Entity Credit

If you are a direct or indirect investor in a Pass-through Entity that filed and paid Ohio tax on Form IT-4708 (Composite Return for Pass-through Entities) or Form IT-1140 (Withholding Tax Return for Pass-through Entity Distributive Shares and Certain Trust Distributions), you should enter the amount of **tax** paid on your behalf. Investors who claim this credit for taxes paid on their behalf **must attach Federal K-1's** which reflect the amount of Ohio tax paid.

The K-1 should show the amount of your distributive share of income, the amount of Ohio tax paid, the legal name of the entity, and the entity's federal employer identification number (FEIN). Enter the total of lines 20a and 20b on line 20.

### Line 21 – Total Payments

Add the amounts on lines 18, 19 and 20 and write the total on line 21.

### Line 22 – Amount You Owe

If line 21 is less than line 17, you owe more tax. Subtract line 21 from line 17 and enter the tax you owe on line 22.

- Make your check or money order payable to the **Treasurer of State of Ohio**. Write your social security number on your check or money order.
- You can also pay by electronic check or credit card (see page 37).

If you cannot pay the amount you owe, you must file the return by April 15th to avoid the late filing penalty.

### Line 23 – Amount Overpaid

If line 21 is larger than line 17, you have overpaid. Subtract line 17 from line 21 and enter the amount of overpayment on line 23.

### Lines 24 and 25 – Natural Areas and Wildlife Donations

If you have an overpayment on line 23, you may donate part of it, or all of it, to either or both of the two programs administered by the Ohio Department of Natural Resources. These programs work to protect your natural heritage. Your tax return is confidential and your name will not be released to these programs; therefore, they extend their appreciation to those who donate, in advance. Please note, your donation may be tax deductible on next year's federal tax form.

**Line 24** may be used to donate to the preservation of Ohio's nature preserves and scenic rivers. You can help create a rich and lasting legacy for all Ohioans. Your generous donation supports the protection of Ohio's endangered species, as well as preserves high-quality natural areas and streams.

**Line 25** may be used to donate to help all of Ohio's wildlife. The Division of Wildlife uses these funds to establish habitat and protect open spaces for wildlife. Past donations have helped to restore populations of endangered species including peregrine falcons, bald eagles, and snowshoe hares. Your generous donation will continue to help support Ohio's native wildlife, a natural treasure!

- If you want to donate to nature preserves, scenic rivers, and endangered species protection, make your check payable to: Natural Areas and Preserves Special Account.

**Line 27 – Refund to be Sent to You**

Add the amounts on lines 24, 25, and 26 and subtract this total from the amount on line 23. This is the amount of refund which will be sent to you.

**A donation will reduce the amount of the refund that will be sent to you. If you decide to donate, this decision is final. You cannot change your mind and ask for your donations to be refunded once you have sent in your return.**

**If you move after filing your tax return and you are expecting a refund, notify the Post Office serving your old address. Fill out a change of address form for the Post Office.**

If you do not want to donate, leave lines 24 and 25 blank.

If you do not have an overpayment on line 23, but you want to donate to protect Ohio's natural heritage, you can still do it. **DON'T DO IT ON YOUR INCOME TAX FORM.** Instead you can donate directly to these programs by writing them a check.

Add any Form IT-1140 taxes shown on your federal K-1's to the extent they were deducted in arriving at your federal adjusted gross income.

**Line 30 – ESBT Income**

Grantors and beneficiaries of an Electing Small Business Trust (ESBT) which, absent ESBT treatment, would otherwise qualify as grantor trust, **must add back the distributive share of income** attributable to S corporations to the extent the ESBT income is excluded from their federal adjusted gross income. If the ESBT income is included in federal adjusted gross income, no addback is required.

ESBT's with more than one grantor or with a "partial" grantor trust must add back the distributive share of income in the same proportion and manner as would be required under the federal grantor trust rules without regard to the ESBT treatment.

## Line 31 – Other Additions

Check the box that applies. If more than one box applies, attach a listing of the additions and the amount of each addition. Enter the total on line 31.

- a) Enter interest or dividends on obligations of the United States government that are exempt from federal taxation but are not exempt from state taxation.
- b) Enter any reimbursement received during the taxable year of any amount deducted for college tuition and fees in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.
- c) Enter any loss resulting from the sale/disposition of Ohio Public Obligations to the extent such losses have been deducted in determining federal adjusted gross income.
- d) Enter net withdrawals made from an Ohio Medical Savings account for nonmedical purposes if the amount of the withdrawal was deducted on a previous year's Ohio income tax return. See worksheet for line 41.
- e) Enter reimbursements received in 2003 for any expenses deducted on previous Ohio income tax returns if the amount of the reimbursement was not included in federal adjusted gross income.
- f) If you received a distribution during 2003 reported to you on a 2003 Form 1099Q from the **CollegeAdvantage** program and any portion of such distribution was **not** used to pay for qualified higher education expenses and was **not** due to the beneficiary's death, disability, or receipt of a scholarship, you may be required to include an adjustment to line 31f. Follow the instructions for items 1 through 3 below only for the portion of the distribution that was not used to pay for qualified higher education expenses and was not due to the beneficiary's death, disability, or receipt of a scholarship.
  1. For any portion of the distribution related to Tuition Credits or Tuition Units purchased before January 1, 2000, no adjustment is required.
  2. If you are the **CollegeAdvantage** account owner or beneficiary and a portion of the distribution reported to you on your **CollegeAdvantage** 2003 Form 1099Q relates to original contributions or purchases by the account owner (or beneficiary) which are not excluded under item 1 above, then the nonearnings portion (usually the original contribution or purchase price unless the account has declined in value below these amounts) related to such portion of the distribution must be included in Ohio adjusted gross income to the extent that either the account owner or the beneficiary has taken an Ohio contribution deduction for such contributions or purchases in this or a prior taxable year. Add this adjustment to the total reported for line 31f on line 31.
  3. If any portion of the distribution reported to you on your **CollegeAdvantage** 2003 Form 1099Q relates to original contributions or purchases to which neither items 1 or 2 above apply, then you must include the nonearnings portion of such portion of the distribution in Ohio adjusted gross income by including it in the total reported or line 31f on line 31.

**Contribution Carryovers:** **CollegeAdvantage** account owners or beneficiaries should also reduce any contribution deduction carryovers to future years to the extent the nonearnings distributions in item 2 above exceed contribution deductions taken in this and prior years and are reflected in your contribution deduction carryover to future years returns (see **Contribution Deduction** under instructions for Line 38).

- N E W** g) Add five-sixths of the IRC section 168(k) bonus depreciation and five-sixths of the excess of the IRC section 179 depreciation expense allowed over the amount of section 179

depreciation expense which would have been allowed based upon IRC section 179 in effect on December 31, 2002. See the information release regarding bonus depreciation on our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax).

## Line 32 – Total Additions

Enter the total of lines 28, 29, 30 and 31.

### Deductions

**Any amounts deducted on lines 33 through 43 must be included in your federal adjusted gross income, line 1 of the Ohio Return.**

## Line 33 – Federal Interest and Dividends

Enter interest and dividend income (included in line 1) from obligations issued by the United States government or its possessions/territories that are exempt from Ohio tax by law, such as U.S. Savings Bonds (Series E or Series H), treasury notes and bills, and Sallie Maes. Contact our office for a more complete listing. Examples of interest income that are **not** deductible:

- Interest paid by the IRS on a federal income tax refund.
- Interest income from Fannie Maes or Ginnie Maes.

## Line 34 – Neighboring States

**Please see  
Revision Notice  
at the front

## Line 35 – State or Municipal Refund

If you filed a federal Form 1040 tax return, you may be entitled to a deduction on your Ohio tax return for state or municipal income tax refunds. **You are not entitled to a deduction** if you filed a federal Form 1040EZ, 1040A, or 1040TEL. Complete the worksheet to determine if you are entitled to a deduction.

## State or Municipal Refund Worksheet

- a) Did you file a **2003 federal Form 1040EZ** or  
Did you file a **2003 federal Form 1040A** or  
Did you file a **2003 federal Form 1040TEL by telephone?**  
 **Yes. STOP** and enter -0- on line 35 of this return.  
 **No. Complete line b.**

- b) Did you file a **2003 federal Form 1040?**  
 **No. Enter -0- on line 35.**  
 **Yes. Go to line 10 of your federal Form 1040** to determine if you are entitled to a deduction on your Ohio return. The deduction is for state or local income tax refunds that you claimed as an itemized deduction (Schedule A) on your 2002 federal Form 1040 and added back on your 2003 federal Form 1040. **Enter** the amount from line 10 of your 2003 federal Form 1040 here and on line 35 of this return.

## Line 36 – Disability and Survivorship Benefits

Certain disability and survivorship benefits may be deducted on your Ohio income tax return.

### YOU **MAY** DEDUCT:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. Note that the disability must be (or presumed to be) permanent. Disability means a permanent physical or mental impairment which makes you unable to work for pay in the jobs for which you are qualified by training and experience.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

### YOU **MAY NOT** DEDUCT:

- Payments which otherwise qualify as retirement or pension benefits. Upon reaching minimum retirement age, disability benefits which are under an employee disability plan are considered retirement or pension benefits and are no longer deductible. (See instructions for line 46 for the proper treatment of retirement benefits.)
- Temporary wage continuation plans.
- Payments for temporary illnesses or injuries (for example, sick pay).

See Tax Commissioner Rule 5703-7-08 for additional information about this deduction.

## Line 37 – Social Security and Some Railroad Benefits

Deduct the following benefits only if and to the extent they are included in your Federal Adjusted Gross Income.

- Social Security Benefits
- Tier I and Tier II Railroad Retirement Benefits
- Supplemental Railroad Retirement Benefits
- Dual Railroad Retirement Benefits
- Railroad Disability and Railroad Unemployment Benefits

## Line 38 – Investments in College-Advantage and Ohio Tuition Credits

### Contribution Deduction:

You may deduct 2003 purchases of Tuition Units and contributions to the Ohio Tuition Trust Authority's CollegeAdvantage 529 Savings Plan, up to \$2,000 per beneficiary. Qualifying amounts exceeding the \$2,000 limitation may be deducted on future years' returns, subject to the annual \$2,000-per-beneficiary limitation, until all unused portions are deducted. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing joint or married filing separate. You may not use any contribution deduction carryover to 2003 to the extent it has been reduced due to recapture of contribution deductions (see instructions for line 31f).

**Note:** This deduction does not apply to investments in IRC Section 529 qualified tuition plans offered by other states.

### Adjustment for Earnings on Certain Distributions:

Due to a change in federal law, beginning in 2002 the earnings portion of distributions from IRC Section 529 Programs may generally be excluded from federal adjusted gross income if the distribution is used solely to fund qualified higher education expenses. If the earnings portion of a 2003 distribution from Ohio's **CollegeAdvantage** program is excluded from federal adjusted gross income, then no further adjustment is required on line 38.

For federal tax purposes, however, there are certain situations where, due to the coordination of benefits from a IRC Section 529 Program, with other federal tax benefits for higher education expenses (such as the federal Hope and Lifetime Learning Credits and Coverdale Education Account distributions), the earnings on a distribution from the **CollegeAdvantage** program **which are actually used to pay qualified higher education expenses** may not be excluded from federal adjusted gross income. If any portion of the earnings reported to you on your 2003 federal Form 1099Q from the **CollegeAdvantage** program **are used to pay qualified higher education expenses**, and because of certain federal tax limitations such earnings are **not** excluded from your federal adjusted gross income, you may exclude such portion by adding it to the total included on line 38.

**Note:** This special earnings exclusion only applies to distributions from the **CollegeAdvantage** program and not to distributions from IRC Section 529 qualified tuition plans offered by other states.

### Adjustment for Distributions at a Loss:

If a distribution reported to you on 2003 federal Form 1099Q reflects a refund of Tuition Credits or Tuition Units **due to termination of the tuition payment contract** and your Basis in Box 3 (related to the Credits and Units) is greater than the Gross Distribution in Box 1 (related to the Credits and Units) or the Earnings in Box 2 (related to the Credits and Units) is negative, you may add this loss (either negative earnings or Box 3 minus Box 1) to your total on line 38 as a positive number, if this loss is not deducted in federal adjusted gross income.

**CollegeAdvantage** is an Internal Revenue Code Section 529 Qualified Tuition Program administered by the Ohio Tuition Trust Authority. For more information about **CollegeAdvantage**, please call 1-800-AFFORD-IT (233-6734) or log onto the Tuition Trust web site at [www.collegeadvantage.com](http://www.collegeadvantage.com).

## Line 39 – Tuition Expenses Paid to Qualified Ohio Educational Institution

You may deduct up to \$2,500 of tuition paid to an Ohio-based educational institution for the first two years of post-secondary education leading to a degree for yourself, your spouse and your dependents if you meet the following limitation:

**Limitation:** You are an Ohio resident and you are either a single taxpayer with a federal adjusted gross income of less than \$50,000 or a married taxpayer filing a joint return with a federal adjusted gross income of less than \$100,000.

### Important Notes:

- Married taxpayers who file separate returns and all nonresidents cannot claim this deduction.
- The tuition paid is limited to \$2,500 per student each year with a maximum deduction of \$5,000 per student over a five-year period.
- The first two years of post-secondary education must be completed within a five-year period.

**Example:** Tom and Mickie Brown are Ohio residents who have three dependent children attending college. Two of the children are freshmen at Ohio University and they paid in excess of \$2,500 each in tuition and fees in 2003. The third child has attended Columbus State Community College on a part-time basis for the past three years and has earned enough credits to be considered a sophomore. The third child's tuition and fees totaled \$1,750 in 2003. Tom and Mickie can deduct \$6,750 on their 2003 return (\$2,500 for the first child, \$2,500 for the second child, and \$1,750 for the third child).

## Line 40 – Long Term Care Insurance, Unsubsidized Health Insurance & Excess Medical Expenses

There are two separate deductions included in this line:

- Unreimbursed Premiums for Long-Term Care Insurance Plans and Unreimbursed Premiums for Unsubsidized Health Insurance Plans; and
- Excess Medical Expenses.

## Unreimbursed Long-Term Care Insurance Premiums and Unsubsidized Health Insurance Premiums:

Enter on lines 2a and 2b of the worksheet the amount you paid during 2003 for unreimbursed long-term care insurance premiums for you, your spouse and your dependents, and for unreimbursed and unsubsidized health insurance premiums for you, your spouse and your dependents. Do not include any amounts excluded from federal adjusted gross income under a cafeteria plan or any flexible-spending plan.

An **unsubsidized health insurance plan** is a plan where your current or former employer or your spouse's current or former employer does not pay for any part of the plan's costs and does not reimburse you or your spouse for any part of the plan's costs. Most people who receive wage or salary income from an employer participate in one or more subsidized plans and therefore are not participating in an unsubsidized health insurance plan. If you are unsure, check with your employer.

**Example:** Mickie has a health insurance plan through her employer. She has \$50.00 deducted from her paycheck each month to pay for her portion of her health insurance premium costs. Her employer contributes \$450.00 each month towards the health insurance premium costs that actually total \$500.00 each month. This is a subsidized health plan, so Mickie is not participating in an unsubsidized health insurance plan. Mickie may not use her \$50.00 monthly payment on lines 2a and 2b of the worksheet but can include this amount on line 1.

**Note:** You may not use lines 2a and 2b of the worksheet to report any unsubsidized health insurance plan premiums if you qualify for **Social Security health benefits** under **Medicare**.

**Example:** Mickie is retired and qualifies for Medicare. She pays \$50.00 each month for supplemental health insurance and \$20.00 each month for Medicare B premiums. Mickie may not use her \$50.00 or \$20.00 monthly payments on lines 2a and 2b of the worksheet but can include these amounts on line 1.

### Excess Medical Expenses:

Enter on line 1 of the worksheet the costs for qualifying medical and dental expenses. Some examples of qualifying medical and dental expenses include unreimbursed costs for the following:

Insurance & Medical Cost Worksheet			
1.	Enter your 2003 unreimbursed medical and dental expenses—including unreimbursed long-term care insurance premiums and unreimbursed health insurance premiums (both subsidized and unsubsidized).	1	_____
2.	Enter only your unreimbursed long-term care insurance premiums and your unreimbursed premiums for unsubsidized health insurance (enter this amount on lines 2a and 2b).	2a	_____ 2b _____
3.	Line 1 minus line 2a. If less than zero, enter zero on line 3).	3	_____
4.	Enter federal adjusted gross income (from line 1 of your Ohio Form IT 1040).	4	_____
5.	Statutory factor	5	_____ 7.5%
6.	Line 4 times line 5 (enter on line 6).	6	_____
7.	Line 3 minus line 6. If less than zero, enter zero on line 7. This amount is your excess medical expenses.	7	_____
8.	Add lines 2b and 7. Enter here and on line 40 of Schedule A on your Ohio Form IT 1040.	8	_____

- insurance premiums for medical and dental care plans (including both unsubsidized and subsidized health plans, Medicare premiums and supplemental Medicare insurance),
- premiums for long-term care insurance,
- prescription medicine or insulin,
- medical examinations and treatment by a certified health professional,
- hospital costs and nursing care,
- eyeglasses, hearing aids, braces, crutches and wheelchairs.

**Note:** You must reduce the amount of health insurance premiums by the amount of the self-employed health insurance deduction that you claimed on line 29 of your federal Form 1040.

### Line 41 – Ohio Medical Savings Account

You may be able to deduct the amount of funds you deposited into a medical savings account or the amount deposited by your employer on your behalf. If filing a joint return, your spouse may also be able to deduct his/her funds deposited into his/her medical savings account. For 2003, the maximum amount of deposited funds you may be able to deduct is \$3,575. If filing a joint return, each spouse may be able to deduct up to \$3,575 of deposited funds into his/her separate account for a maximum of \$7,150.

Also, any investment income or interest earned on the funds deposited into a medical savings account is deductible if the income is included in your federal adjusted gross income, line 1 of your Ohio Form IT 1040.

To determine if you are eligible for this deduction, complete the medical savings account worksheet below.

For further information, please see the question “What is a Medical Savings Account and what are the qualifications?” on page 7 of this booklet.

**Example:** Tom and Mickie Brown file a joint tax return for 2003. Tom contributed \$2,000 to his medical savings account while Mickie contributed \$5,000 to hers. Tom’s account earned \$120 in interest, and Mickie’s earned \$300 which were included in their federal adjusted gross income. They would be entitled to a Medical Savings Account deduction of \$5,995 (\$2,000 for Tom and \$3,575 for Mickie plus the interest income of \$420).

**Note:** If any prior year contribution exceeded the deductible limit for that year, please contact the Ohio Department of Taxation to

help you determine the amount you should enter on line 5 of this worksheet. See page 40 for a listing of our offices.

### Line 42 – ESBT Deductions

Grantors and beneficiaries of an Electing Small Business Trust (ESBT) which, absent ESBT treatment, would otherwise qualify as a grantor trust, may deduct the distributive share of losses attributable to S corporations to the extent the ESBT loss is excluded from their federal adjusted gross income. If the ESBT loss was used to compute federal adjusted gross income, no deduction is allowed.

### Line 43 – Other Deductions

Check the box that applies. If more than one box applies, attach an explanation to your return. Enter the total on line 43.

- a) Employers may deduct the amount of wage and salary expenses not otherwise deducted for federal tax purposes because of the federal targeted jobs tax credit or the work opportunity tax credits.
- b) Deduct interest income earned from Ohio Public Obligations and Ohio Purchase Obligations if the interest income was included in your federal adjusted gross income. You may also deduct any gains resulting from the sale or disposition of Ohio Public Obligations to the extent the income was included in your federal adjusted gross income.
- c) Deduct refunds or reimbursements of expenses you originally deducted on a prior year federal income tax return if the following conditions are met:
  - The refund or reimbursement was included in your federal adjusted gross income on your 2003 federal income tax return, Form 1040, line 21 AND
  - The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior year federal income tax return, Form 1040.

**Example:** Tom Brown claimed an itemized deduction of \$500 for medical expenses on his 2002 federal income tax return. In 2003, he received a reimbursement for \$200 of the medical expenses from his insurance company which he reported on line 21 of his 2003 federal income tax return. Mr. Brown is entitled to deduct the \$200 reimbursement on this line.
- d) Deduct any amount that you received and included in your federal adjusted gross income in a prior year and paid back in 2003 if the following three conditions are met:
  - For federal income tax purposes, you claimed an itemized deduction on Schedule A of your 2003 federal income tax return for the amount repaid **or** you claimed a tax credit on your 2003 federal income tax return based upon the amount repaid **and**
  - The repayment has not otherwise reduced your federal adjusted gross income for 2003 or any other taxable year **and**
  - In the year you received the income, the income did not qualify for either the resident or nonresident/part year resident credits on Schedules C or D on your Ohio income tax return.

**Example:** Tom Brown received a \$1,000 bonus from his employer in 2002 and included the bonus in his 2002 Federal Adjusted Gross Income. In 2003, Tom had to repay \$200 of the bonus because the amount was computed in error. Tom repaid the amount in 2003. Tom is entitled to a deduction of \$200 on this line.
- e) Deduct matching contributions that you made to another person’s Individual Development Account when the account has been established by a County Department of Human Services. This program was established to provide matching funds to qualified applicants. For further information, contact your

- local County Department of Human Services.
- f) Deduct one-fifth of the IRC sections 168(k) and 179 depreciation adjustments you added back on last year's Ohio Income Tax Return. See the Information Release regarding bonus depreciation on our web site at [www.ohio.gov/tax](http://www.ohio.gov/tax).

### Line 44 – Total Deductions

Add lines 33 through 43.

### Line 45 – Net Adjustments

If line 32 is LARGER THAN line 44, subtract line 44 from line 32 and enter the amount on line 45. Also copy this amount onto line 2 on the front of the return and ADD this amount to your federal adjusted gross income.

If line 32 is SMALLER THAN line 44 subtract line 32 from line 44 and enter the difference on line 45. In this case, you have more deductions than additions to your income. Copy this amount onto line 2 on the front of the return. Put the amount in parentheses on line 2 to show that it is a minus (negative) number. SUBTRACT this amount from your federal adjusted gross income.

## Schedule B – Credits

### Line 46 – Retirement Income Credit

To qualify for the Ohio Retirement Income Credit, you must meet all of the following tests:

- You received retirement benefits, annuities, or distributions that were made from a pension, retirement or profit-sharing plan. **However, qualifying social security benefits and railroad benefits that you have already deducted on line 37 of Ohio Schedule A do not qualify.**
- You received this income because you have retired.
- This income must be included in your Ohio Adjusted Gross Income on line 3.

The amount of the credit is as follows:

Amount of qualifying retirement income received and included in Ohio Adjusted Gross Income during the taxable year:	Retirement income credit for the taxable year:
\$500 or less .....	0
Over \$500 but not more than \$1,500 .....	\$ 25
Over \$1,500 but not more than \$3,000 .....	\$ 50
Over \$3,000 but not more than \$5,000 .....	\$ 80
Over \$5,000 but not more than \$8,000 .....	\$130
Over \$8,000 .....	\$200

The maximum credit per return is \$200.

If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table.

**Example:** Pat and Sharon Green are retired and file a joint return. Pat has \$5,000 qualifying retirement income included in Ohio Adjusted Gross Income line 3. Sharon has \$2,000 qualifying retirement income included in Ohio Adjusted Gross Income line 3. Add the two qualifying retirement incomes; the total is \$7,000. The table shows a credit of \$130 for retirement income of over \$5,000 but not more than \$8,000. They would be entitled to an Ohio Retirement Income Credit of \$130.

### Line 47 – Senior Citizen Credit

You may claim a \$50 credit if you were 65 years of age or older prior to January 1, 2004. Only one credit of \$50 is allowed for each return even if you are filing a joint return and you and your spouse are both 65 years of age or older.

### Line 48 – Lump Sum Distribution Credit

This credit is available only to individuals 65 years of age or older before January 1, 2004. If you received a lump sum distribution from a pension, retirement, or profit-sharing plan whether on account of retirement or separation from employment and if you are 65 years of age or older, you may be able to take advantage of a special tax treatment which uses the \$50 senior citizen tax credit times your expected remaining life years.

If the answers to questions 1 through 6 are all “yes,” the distribution qualifies for the lump sum distribution credit.

1. Were you 65 years of age or older before January 1, 2004?
2. Was the lump sum distributed from a qualified employee benefit plan (pension, profit-sharing, stock bonus, Keogh, IRC 401(k), STRS, PERS, SERS)?
3. Was the distribution made from all of the employer's qualified plans of one kind in which the employee had funds?
4. Was the distribution for the full amount credited to the employee?
5. Was the distribution paid within a single tax year?
6. Was the distribution made because the employee died, quit, retired, was laid-off, or was fired?

If you answered “no” to any of the above questions, you do not qualify for this credit.

If you take this credit, you **cannot** take the \$50 Senior Citizen's Credit on this year's return or any future year's return.

Please contact one of the offices listed on page 40 to obtain the special instructions. You can only claim this credit once.

### Line 49 – Child and Dependent Care Credit

If your Ohio Adjusted Gross Income (line 3) is less than \$40,000 and if you made payments that qualified for the federal Child and/or Dependent Care Credit, you are entitled to the Ohio Child and Dependent Care Credit.

If line 3 on the front of the Ohio Form IT 1040 is \$40,000 or more, you're not entitled to this credit.

## 2003 Child and Dependent Care Worksheet

1. Enter the amount of Federal Child and Dependent Care Credit shown on line 9 of Schedule 2 for federal Form 1040A or on line 9 of Federal Form 2441, "Child and Dependent Care Expenses" ..... 1. \_\_\_\_\_
2. If line 3 of your Ohio IT 1040 is less than \$20,000, enter 100% on line 2 of this worksheet. If line 3 of your Ohio IT 1040 is equal to or greater than \$20,000 but less than \$40,000, enter 25% on line 2 of this worksheet ..... 2. \_\_\_\_\_ %
3. Multiply line 1 of this worksheet by the rate shown on line 2. Enter this amount here and on line 49 (Schedule B) on the back of Form IT 1040 ..... 3. \_\_\_\_\_

## Line 50 – Lump Sum Retirement Credit

Lump sum distributions that you received on account of retirement from a qualified retirement plan may be given special tax treatment. A "lump sum distribution" is one where you receive your entire balance from a qualified pension, retirement, or profit-sharing plan during one tax year.

If you:

- received income in a lump sum distribution during 2003 or
- are entitled to an unused retirement income exclusion from an earlier year, then you will need special instructions on how to compute your tax credit. You can get these special instructions by contacting one of the offices listed on page 40 of this booklet.

## Line 51 – Job Training Credit

Ohio law provides a credit for amounts you pay for qualified job training. Qualified job training is any training or education which improves your chances of getting a new job after you have lost your previous job. Job training includes such things as apprenticeships, internships and educational classes.

**Such training qualifies for this credit only if you can check "yes" for questions 1, 2 and 3 below:**

- |  |                          |                          |
|--|--------------------------|--------------------------|
| 1. Did you and/or your spouse lose your job because the place where you worked either permanently closed or moved, or because your employer abolished your job or shift? (Note: Abolishment of job or shift does not include layoffs resulting from seasonal employment, temporary plant closings for retooling, etc.) ..... | <u>YES</u>               | <u>NO</u>                |
| 2. During the twelve month period beginning when you and/or your spouse lost your job, did you pay for any job training? .....   | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. While you and/or your spouse were receiving job training, were you either unemployed or working no more than 20 hours per week? .....   | <input type="checkbox"/> | <input type="checkbox"/> |

If you and/or your spouse checked "yes" to all of the questions above, then complete the worksheet:

# Unpaid Sales/Use Tax

## Explanation and Instructions

Line 16 on the IT 1040, line 11 on the IT 1040EZ, or line 6 of the TeleFile Worksheet is used if you need to report the amount of unpaid sales/use tax (if any) on out-of-state or out-of-country purchases that you may have made (e.g., Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and paid **no** sales tax on that purchase(s). Please complete the Use Tax Worksheet provided on page 24 to determine if you owe this tax.

**Tip:** For most taxpayers, this line will be -0-. Many out-of-state retailers already collect sales/use tax on your purchase. Your receipt will show it as a sales tax amount. When the retailer charges you sales tax on your purchase, you **do not** have to pay additional use tax to Ohio. Line 16 on the IT 1040, line 11 on the IT 1040EZ, or line 6 of the TeleFile Worksheet should only be used to pay your sales/use tax for those purchases on which you **did not pay** tax to the out-of-state retailer at the time you made your purchase.

### Ohio's "Use" Tax

Ohio's "use tax" has been part of our tax laws since 1936. The "use tax" rate is equal to the sales tax rate in your county. Every state with a sales tax also has a companion "use tax." The "use tax" laws were passed to eliminate the disadvantage to Ohio retailers when shoppers buy from out-of-state sellers who do not collect sales tax.

### Can you give me an example?

It's simple: if you are an Ohio resident and you buy a taxable item or service from an out-of-state retailer and pay no tax, Ohio requires you to pay the "use tax." The "use tax" frequently applies when you buy from catalog or Internet retailers. The "use tax" rate is equal to the sales tax rate in your county.

**For example:** *Mickie lives in Toledo. She orders a new bedspread from the Catalog Linen Company based in New York. The price is \$125.00. The catalog company collects no tax. Mickie is liable for paying Ohio's "use tax":*

**Taxable purchase:** \$125.00

**Ohio + Lucas County use tax** = 7.25%

**"Use tax" due:**  $\$125.00 \times .0725 = \mathbf{\$9.07}$

*This use tax amount, \$9.07, should be rounded to the nearest whole dollar – \$9.*

### Who benefits from the tax?

- ✓ **You & Our Schools:** One-third of Ohio's sales & use tax supports our elementary and secondary schools. The remaining two-thirds pays for state services – higher education, parks, public safety, etc.
- ✓ **County Governments and Transit Authorities:** The sales & use tax is the largest source of financing for the local criminal justice system and public transportation systems.
- ✓ **Ohio Retailers:** The "use tax" helps Ohio retailers keep prices competitive with out-of-state merchants who don't collect tax and so protects Ohio jobs.

### What if I have already paid my tax on my out-of-state purchase?

If you previously paid your Ohio use tax by filing Form VP-Use, then you do not have to report the use tax on your Ohio income tax return.

### I owe Ohio "Use Tax." Now how do I pay it?

We've made it easy for you. You can pay your use tax when you file your income tax return. Just complete the worksheet on page 24 and carry the amount you wrote on line (e) of the Use Tax Worksheet to line 16 on the IT 1040, line 11 on the IT 1040EZ, or line 6 of the TeleFile Worksheet.

## Use Tax Worksheet

If you made any out-of-state purchase(s) during 2003 (e.g., Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and if you paid **no** sales tax on that purchase(s), you are required to complete this worksheet to determine what tax you owe on that purchase(s). Please complete the following worksheet to determine if you owe any Ohio use tax (which is the sales tax on those purchases).

<p>a) Did you make any of the purchases described above during 2003?</p> <p><input type="checkbox"/> <b>No—STOP—You do not owe any Ohio use tax.</b> Enter -0- on line e below and on line 6 of the TeleFile worksheet, line 16 on Form IT 1040, or line 11, Form IT 1040EZ.</p> <p><input type="checkbox"/> <b>Yes—Complete line b of this worksheet to determine if you owe Ohio use tax on your purchase(s).</b></p>	
<p>b) Did the retailer charge you sales tax on your out-of-state purchase(s)?</p> <p><input type="checkbox"/> <b>Yes—STOP—You do not owe any use tax.</b> Enter -0- on line e below and on line 6 of the TeleFile worksheet, line 16 on Form IT 1040, or line 11, Form IT 1040EZ.</p> <p><input type="checkbox"/> <b>No—You owe Ohio use tax on your purchase(s).</b> Complete lines c, d, and e of this worksheet.</p>	
<p>c) Enter your total out-of-state purchases on which you paid <b>no</b> sales tax or Ohio use tax.</p>	<p><b>\$ .00</b></p>
<p>d) Enter your county use tax rate (see chart below if you do not know your county's sales/use tax rate). Please use the rate decimals to calculate your tax.</p>	<p><b>X . _ _ _ _</b></p>
<p>e) Multiply line c by line d. This is the amount of tax that <b>you owe</b> on your out-of-state purchase(s). Write the amount here (round to the nearest dollar) and on line 6 of the TeleFile worksheet, line 16 on Form IT 1040, or line 11, Form IT 1040EZ. This amount is part of your income tax liability.</p>	<p><b>\$ .00</b></p>

# Ohio public school district numbers

Below is a list of the identification numbers of all public school districts in Ohio. Enter the number of the school district where you lived for the majority of 2003 on the front of the form. Each district is listed under the county in which its largest part is located. Do not use non-public or joint vocational school districts. **Nonresidents should use 9999.**

An asterisk indicates school districts (printed in red) which had income taxes in effect for 2003. If you live in one of these school districts, **you are required to file** a School District Income Tax Return, Form SD-100.

If you do not know the public school district in which you live, please call your county board of elections, if you are a registered voter, or your county auditor. See phone listing on page 25.

# Ohio's Tax Dollars: 2003

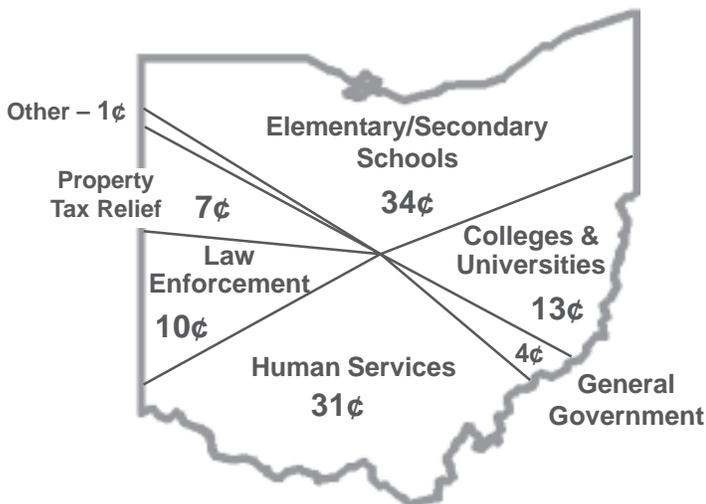

## Where the Tax Dollar Comes From

The charts show where Ohio's tax dollars come from and the programs and services this money supports.

The first chart shows that about 43 cents of each dollar comes from the state income tax, and another 37 cents from the state sales tax. The second chart shows that education—public schools and colleges—commands almost half of every state dollar spent. Elementary and secondary schools

## Where the Tax Dollar Goes

receive 34 cents from each dollar while colleges and universities are allocated 13 cents. The full range of human services is supported by a 31-cent share. When combined with education, these three categories total 78 cents or slightly more than three-fourths of every tax dollar.

These figures represent the state's General Revenue Fund for the fiscal year which ended June 30, 2003, excluding welfare reimbursement.
