## INSTRUCTIONS FOR COMPLETING THE SCHOOL DISTRICT INCOME TAX RETURN

If during 2002 you resided in or had school district income tax withheld for more than one of the school districts listed on page 7 of this booklet, you must complete separate returns for those school districts affected.

- Line 1 Ohio adjusted gross income—
- ▶ If you filed your Ohio income tax return using a paper return, enter the amount from line 3 of your Ohio Form IT-1040 or IT-1040EZ.
  - ▶ If you filed your Ohio income tax return by **telephone** and filed your federal taxes using either federal Form 1040A, 1040EZ or by telephone, enter the amount from line 3 of your Ohio TeleFile worksheet.
  - ▶ If you filed your Ohio income tax return by **telephone** and filed your federal taxes using the federal long Form 1040, enter amount from line 3 of your Ohio TeleFile worksheet less any amount on line 4 of the Ohio TeleFile worksheet.
- Line 2 Part-year or nonresident deduction—enter the amount of income included on line 1 that you earned in the other school district.
- Line 3 School district adjusted gross income—subtract line 2 from line 1 and enter the result on line 3.
- Line 4 Exemptions—enter the number of your personal and dependent exemptions and multiply this number by \$1,200.
- Line 5 School district taxable income—subtract line 4 from line 3 and enter the result on line 5.
- Line 6 School district tax—multiply line 5 (school district taxable income) by the appropriate tax rate for your district shown in the SD-100 booklet, and enter the result on line 6.
- Line 7 Senior citizen credit—you may claim a \$50 credit if you were 65 years of age or older prior to January 1, 2003. Only one credit of \$50 is allowed for each return even if you are filing a joint return and you and your spouse are both 65 years of age or older.
- Line 8 School district tax less credit—subtract line 7 from line 6 and enter the result on line 8.
- Line 9 School district income tax withheld—enter **only** the school district withholding tax that is clearly identified on your W-2's with the school district number for the school district for which you are filing this return. Attach a copy of your W-2's to the back of your return.
- Line 10 Estimated payments/credit carryover—if you made estimated school district income tax payments and/or an SD-40P extension payment, enter the total amount on line 10. Also include any credit carryover from your 2001 SD-100 return.
- Line 11 Total payments—add lines 9 and 10 and enter the total on line 11.
- Line 12 **AMOUNT YOU OWE**—if line 11 is less than line 8, subtract line 11 from line 8 and enter your balance due amount on line 12. **Make your check or money order payable to SCHOOL DISTRICT INCOME TAX, and write your social security number, school district number, and "2002 SD-100" on your check or money order.**
- Line 13 Overpayment—if line 11 is more than line 8, subtract line 8 from line 11 and enter the result on line 13. You must also complete line 14 and/or line 15.
- Line 14 CREDIT TO 2003—indicate the amount of line 13 you want us to credit to your 2003 school district liability. **You cannot apply a credit against a balance due for another school district, a school district that has expired, another person's tax, prior year's tax, or your Ohio income tax return.**
- Line 15 **REFUND**—subtract line 14 from line 13. This is the amount of line 13 you want us to refund to you. **You cannot apply a refund against a balance due for another school district, another person's tax, prior year's tax, or your Ohio income tax return.**

This booklet contains your 2002 School District Income Tax Return and the instructions for completing the form. Assistance is available at any of our offices statewide. Addresses and telephone numbers are listed on the back of this booklet.

**E-file** or electronic filing is a “paperless” option available to all taxpayers. To file electronically, your return must be prepared using approved computer software and transmitted through an approved electronic filing provider. Many commercial software companies and most professional tax preparers provide electronic filing for a small fee. In order to E-file your school district return, you must also E-file your Ohio income tax return. Choosing E-file is the fastest way to get your refund.

# Common School District Income Tax Questions

**Do I have to file a School District Income Tax return?**

**Yes, if you**

► were a **resident** of a school district with an income tax in effect for 2002. You would be required to file Form SD-100, OR

► received a W-2 with **erroneous school district withholding tax** taken out of your pay for 2002. If you are liable for tax in one school district, but you had withholding taken for another school district, you must file **separate** SD-100 returns under each school district number. If you are not liable for school district tax, but had school district tax withheld in error, you must complete an SD-100 return under that school district number for a refund.

**No, if you**

► were **not a resident** of a school district with an income tax in effect during 2002 and had no school district income tax withheld in error. You would not be required to file Form SD-100.

---

**How can I be sure of what school district I live in?**

If you are not sure what school district you are in, you should contact your county **board of elections** or county **auditor**. By giving your street address, either the board of elections or auditor's office can determine your school district of residence.

---

**I don't file a federal or Ohio return. Must I file an SD-100?**

Yes, if you have a school district tax liability. You should start with what your Ohio adjusted gross income would be if you were filing an Ohio return; then allow for personal exemptions. If the end result is an amount due, you must file the return.

---

**What if I am a part-year resident of two taxing districts?**

You must file a separate SD-100 return under **each** taxing district's school district number and deduct the other district's income on line 2. You may claim your full personal exemption(s) on each return.

---

**What if I received a W-2 with SD tax, but I don't live in a district with a tax?**

You must complete an SD-100. Be sure to use the school district number of the school district your employer withheld for. Complete line 1 and list your correct school district name and number on the back. Deduct your entire income on line 2. Complete lines 9, 11, 13 and 15. Write your explanation on the back of the return.

---

**I only lived part-year in an affected district. What must I do?**

Be sure to use the school district number for the **taxing** district on your return. Deduct your part-year income from your residence in the non-taxing district on line 2. You may still claim your full personal exemption(s).

**Do I have to file school district estimated tax?**

Yes, if your combined estimated Ohio and school district liability exceeds by \$500 any withholding. However, the two Ohio safe harbors apply: 1) your withholding amount is 90% of your estimated liability or 2) your withholding amount is 100% of last year's tax (if you were liable for the full year).

---

**My military home of record is New York, but I'm stationed at WPAFB. Am I liable?**

Your military income is not taxable, but other Ohio employment is subject to Ohio tax. Also, if your spouse resides with you and works in Ohio and does not maintain a place of abode in another state, their income is subject to the school district tax. Deduct your own military income on line 2 if you are filing a joint return. You may still claim the same number of exemptions you claim on your Ohio return.

---

**Are my children liable for the school district tax?**

Yes, if they have school district taxable income. There is no age limitation.

---

**I'm retired. Am I liable for school district tax?**

Yes, if you have school district taxable income. Taxpayers who are 65 years old before January 1, 2003, may claim a senior citizen credit of \$50 per return.

---

**Can I E-file my school district return?**

Yes. In order to E-file your school district return, you must be a full-year resident of the school district for which you are filing. You must also be filing an electronic Ohio income tax return.

---

**I can't file my SD-100 by April 15. Can I get an extension?**

Yes, if you are requesting an extension to file your federal 1040. Ohio does not have its own extension but honors the federal extension. You should attach a copy of your federal extension or extension confirmation number to the SD-100 when you file. Remember there is no extension for paying your tax.

---

**I am not able to pay by April 15. What should I do?**

File your return by April 15 to avoid the late-filing penalty, unless you have a federal extension. Whatever you pay will lessen the amount of interest and late-payment penalty you receive on your billing notice.

---

**What are the late charges for not filing or paying on time?**

If you fail to file your SD-100 by April 15 (or the extended due date), the penalty for failure to file timely may be the greater of \$50 per month up to a maximum of \$500 or 5% per month up to a maximum of 50% of the tax. If you fail to pay the full amount of the tax by April 15, the penalty for failure to pay may be double the interest charged (6% for 2003).

---

**How do I correct my

Any change or correction to your return can be made by filing an Amended School District Income Tax return (Form SD-100X). To speed up the processing of your amended return:

- Attach a copy of your original return, AND
- Attach a copy of any cancelled checks used as payment on your original return.

You can get Ohio form SD-100X from our web site at [www.state.oh.us/tax/](http://www.state.oh.us/tax/) or by calling toll-free 1-(800)-282-1782. If you correct your federal income tax return or if you are audited by the Internal Revenue Service, you must file Ohio Form SD-100X within 60 days of the final determination of the federal change.

**CAUTION:** The Internal Revenue Service tells us about all changes it makes to your federal return. To avoid penalties, be sure to file your Ohio amended return within 60 days of the final determination of the federal change.

---

**My W-2 does not  
identify my school  
district withholding.  
What can I do?**

You should ask your employer for a corrected W-2 identifying both the withholding amount and the school district by its four-digit number or ask for a letter from your employer identifying the withholding amount and school district.

---

**What can I do if my  
employer will not  
withhold the tax?**

You should put the facts in writing along with a copy of last year's W-2 (if you were with the company then) and submit them to School District Income Tax, P.O. Box 182837, Columbus, Ohio 43218-2837.
