Statutorily, the Public Library Fund (PLF) receives 1.66 percent of the revenue from all state General Revenue tax sources. HB 166 (133rd General Assembly) temporarily increased this percentage to 1.70 percent for FY 2020 and FY 2021. Distributions from the PLF to the Ohio Public Library Information Network and the Library for the Blind are then taken from the PLF for the January-December 2020 period. This entitlement estimate is based on 1.70 percent of projected revenues (net of the aforementioned transfers) of General Revenue Fund tax sources from the previous month (plus adding back the previous month’s PLF and Local Government Fund transfers), multiplied by your county’s computed share of the total PLF. Your county’s share was determined pursuant to the formula contained in RC sections 5747.46 and 5747.47.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2020. Please remember that actual 2020 distributions to your county’s undivided public library fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in June 2020 we will issue an updated entitlement estimate for calendar year 2020.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of the revenue from all state General Revenue tax sources. HB 166 (133rd General Assembly) temporarily increased this percentage to 1.70 percent for FY 2020 and FY 2021. Distributions from the PLF to the Ohio Public Library Information Network and the Library for the Blind are then taken from the PLF for the January-December 2020 period. This entitlement estimate is based on 1.70 percent of projected revenues (net of the aforementioned transfers) of General Revenue Fund tax sources from the previous month (plus adding back the previous month’s PLF and Local Government Fund transfers), multiplied by your county’s computed share of the total PLF. Your county’s share was determined pursuant to the formula contained in RC sections 5747.46 and 5747.47.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2020. Please remember that actual 2020 distributions to your county’s undivided public library fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in June 2020 we will issue an updated entitlement estimate for calendar year 2020.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of the revenue from all state General Revenue tax sources. HB 166 (133rd General Assembly) temporarily increased this percentage to 1.70 percent for FY 2020 and FY 2021. Distributions from the PLF to the Ohio Public Library Information Network and the Library for the Blind are then taken from the PLF for the January-December 2020 period.¹ This entitlement estimate is based on 1.70 percent of projected revenues (net of the aforementioned transfers) of General Revenue Fund tax sources from the previous month (plus adding back the previous month’s PLF and Local Government Fund transfers), multiplied by your county’s computed share of the total PLF. Your county’s share was determined pursuant to the formula contained in RC sections 5747.46 and 5747.47.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2020. Please remember that actual 2020 distributions to your county’s undivided public library fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in June 2020 we will issue an updated entitlement estimate for calendar year 2020.

Please contact Revenue Accounting at (614) 466-7150 with any questions regarding PLF distributions. Any inquiries relating to the forecasted estimate should be directed to Ernest Massie of Tax Analysis at (614) 466-0694.

¹ These transfers are set in each state budget. HB 166 (133rd General Assembly) set the transfer amounts for FY 2020-FY 2021 (July 2019-June 2021).

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of the revenue from all state General Revenue tax sources. HB 166 (133rd General Assembly) temporarily increased this percentage to 1.70 percent for FY 2020 and FY 2021. Distributions from the PLF to the Ohio Public Library Information Network and the Library for the Blind are then taken from the PLF for the January-December 2020 period.1 This entitlement estimate is based on 1.70 percent of projected revenues (net of the aforementioned transfers) of General Revenue Fund tax sources from the previous month (plus adding back the previous month’s PLF and Local Government Fund transfers), multiplied by your county’s computed share of the total PLF. Your county’s share was determined pursuant to the formula contained in RC sections 5747.46 and 5747.47.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2020. Please remember that actual 2020 distributions to your county’s undivided public library fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in June 2020 we will issue an updated entitlement estimate for calendar year 2020.
