

Hurricane Irene File/Pay Extension

Tax Commissioner Joe Testa announced today the Ohio Department of Taxation will extend the filing and payment dates for a select group of taxpayers impacted by Hurricane Irene.

The extension includes corporations and businesses that previously obtained a federal extension until Sept. 15, 2011, to file their 2010 returns and individuals and businesses that received a similar extension until Oct. 17. It also includes the estimated tax payment for the third quarter of 2011, which would normally be due Sept. 15.

Taxes impacted by this announcement are Corporation Franchise Tax, Pass Through Entity Tax, Individual Income Tax and School District Income Tax.

Impacted taxpayers have until October 31, 2011 to meet their filing and payment obligations. The filing extension does not extend to any balance due on the extended tax return. Statutory interest is charged on the balance due when the return is filed.
