Federal Privacy Act Notice

Because we require you to provide us with a Social Security number, the Federal Privacy Act of 1974 requires us to inform you that providing us your Social Security number is mandatory. Ohio Revised Code sections 5703.05, 5703.057 and 5747.08 authorize us to request this information. We need your Social Security number in order to administer this tax.
Amended SD 100 Filing Tips

If your amended SD 100 results in tax due, you should always include an SD 40XP payment voucher with your payment. Do not use the SD 40P payment voucher.

When amending due to changes to my federal return, should I file my amended Ohio return(s) at the same time I file my amended federal return with the IRS?

Refund: You should wait to file your amended Ohio IT 1040 and/or SD 100 until the IRS has approved the changes to your amended federal return. When filing your amended returns, you must include:

- A copy of your federal amended return (1040X), AND
- A copy of the IRS acceptance letter -or- refund check.

Tax Due: To reduce the amount of interest you will owe, you should file your amended SD 100 and pay any tax due as soon as possible.

What documentation should I include when amending to show a change in my school district residency status?

Submit any and all relevant information you believe supports your change in residency status from one school district to another. Provide as many relevant documents as possible. Relevant documents include, but are not limited to, the following: property records, utility bills, vehicle registration, driver’s licenses or state IDs, and voter registration.

When should I NOT file an amended return?

Some common mistakes may not require an amended return. Instead, the Department of Taxation will either make the corrections or contact you to request documentation. For example, the following mistakes generally do not require an amended return:

- Math errors;
- Missing return pages;
- Unclaimed estimated and/or extension payments;*

- Demographic errors (such as name, address or SSN corrections);
- Unclaimed withholding.**

*Generally, unclaimed estimated and/or extension payments will automatically be added to your original return when filed.

**If you have unclaimed withholding, please submit a detailed explanation along with legible copies of all income statements (W-2s and 1099s) showing the school district withholding amounts instead of filing an amended return.

For additional information, you can go to tax.ohio.gov for FAQs (located under the "Income - Amended Returns" category).
