MNP Net Operating Loss Deduction Worksheet Instructions

To complete the Municipal Net Profit Tax Net Operating Loss Deduction Worksheet (MNP NOL DW), include the municipal net profit tax account number, primary reporting member's FEIN, name, address, and the taxable year for which this form is being submitted. Please note, one worksheet is required for every municipality in which the NOL is claimed.

***For more information please see Information Release - MNP 2018-04: Net Operating Loss Deductions**

1. For Pre-2017 NOL, enter the number of years the NOL may be carried forward in this municipality.
2. Enter the taxable year in which the NOL was incurred.
3. Enter the amount of NOL incurred for the taxable year referenced in column 2.
4. Enter the amount of NOL incurred in the taxable year referenced in column 2 that has been used in years prior to the current year.
5. Enter the amount of NOL incurred in the taxable year referenced in column 2 remaining for use in the current year. This is calculated by subtracting column 4 from column 3.
6. Enter the amount of NOL that will be utilized on the current year's return. This amount cannot be greater than column 5.
7. Enter the amount of NOL that is available for use on future returns. This is calculated by subtracting column 6 from column 5. If the carryforward period has expired, enter zero (-0-).
8. Sum of column 5. Represents the total NOL available for use in the current year.
9. Sum of column 6 (cannot be greater than column 8). Represents the total NOL utilized in the current taxable year. Note - when claiming a Post-2016 NOL, please use the Phase-In Calculation below, if applicable, to determine the maximum amount of Post-2016 NOL allowed.
10. Sum of column 7. Represents the total NOL available for use in future taxable years.
