1. On all salaries, wages, commissions and other compensation earned during the effective period of the ordinance by residents of this municipality.

If the Administrator finds net profits are not properly allocated to this municipality by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates, or transactions with such division, branch, factory, office, laboratory or activity or by some other method, he shall make such allocation as he deems appropriate to produce a fair and proper allocation of net profits to this municipality.

D. EXCEPTION. SECTION 4. EFFECTIVE PERIOD.

Said tax shall be levied, collected and paid with respect to the salaries, wages, commissions and other compensation, and with respect to the net profits of businesses, professions or other activities earned on and after July 1, 1978.

SECTION 5. RETURN AND PAYMENT OF TAX.

A. Each taxpayer, except as herein provided, shall, whether or not a tax be due thereon, make and file a return on or before April 15 of the year following the effective date of this ordinance, and on or before April 15 of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed within three and one-half (3½) months from the end of such fiscal year or period. The Administrator is hereby authorized to provide by

regulation that the return of an employer or employers, showing the amount of tax deducted by said employer or employers from the salaries, wages, commissions or other compensation of an employee, and paid by him or them to the Administrator shall be accepted unless otherwise specified as the return required of any employee whose sole income, subject to tax under this ordinance, is such salary, wages, commissions, or other compensation.

B. The return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from such Administrator setting forth:

1. The aggregate amounts of salaries, wages, commissions and other compensation earned and gross income from business, profession or other activity, less allowable ordinary, reasonable, and necessary expenses incurred in the acquisition of such gross income earned during the preceding year and subject to said tax;

3. Such other pertinent statements, information returns, or other information as the Administrator may require.

C. The Administrator may extend the time for filing of the annual return upon the request of the taxpayer for a period of not to exceed six (6) months, or one (1) month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the Federal

Income Tax Return. The Administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due. No penalty shall be assessed in those cases in which the return is filed and the final tax paid within the period as extended.

D. 1. The taxpayer making a return shall, at the time of the filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, however, that where any portion of the tax so due shall have been deducted at the source pursuant to the provisions of Section 6 of this ordinance, or where any portion of said tax shall have been paid by the taxpayer pursuant to the provisions of Section 7 of this ordinance, or where an income tax has been paid to another municipality, credit for the amount so paid in accordance with Section 15 hereof, shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing said return.
