

1. List All W-2 and 1099 wages, including sick pay. Include all copies with tax return.

EXEMPT COMPENSATION: All military pay, payments from poor relief, unemployment benefits, interest, dividends, old age pensions, worker's compensation, social security and similar payments received from local, state or federal governments, or from employer retirement plans.

1A. Total of all wages.

2. To be used for small business and/or rental income. No loss from business or rental income may be used against wages. (Corporations will be furnished with Schedules X, Y, and Z.)

3. Moving expense actually included in W-2 is \$\_\_\_\_\_. This amount is not subject to tax in Valley Hi if earned prior to residency.

4. Calculation for partial year taxpayer. ALL WAGES EARNED IN VALLEY HI, REGARDLESS OF WHERE YOU LIVED ARE ENTIRELY TAXABLE. Take total gross wage from out of town W-2's and divide by number of months you worked there. Multiply that answer by the number of months you lived in Valley Hi. This gives you the amount to enter on Line 3. Proceed to Line 4 to compute tax due.

- 5C. Tax paid to another municipality may be used, but only up to the rate of 1%.

5D. Total of all credits for 5A, 5B, and 5C.

6. Tax due, Line 4 minus Line 5D.

7. If overpaid, indicate whether to credit to next year or to refund. No refund will be made under \$1.00.

8. Once a year penalty of \$25.00 is due if tax return is filed after April 30th, even though there is no tax liability due. If we have to enforce your filing or payment of tax through the courts the maximum penalty of \$100 for the first offence and \$200 for each offence thereafter will be assessed.

NOTE: UNLESS THIS TAX FORM IS SIGNED, DATED, ACCOMPANIED BY PAYMENT IF TAX IS DUE, AND ALL SCHEDULES ARE INCLUDED, THIS IS NOT A LEGAL TAX RETURN.
