Schedules F, G, H and I for Trusts Only

Note: Schedule E not included in this return (see instructions).

Schedule F – Allocated Qualifying Trust Amount for Trusts

54. Enter the trust’s portion of capital gains/losses recognized to the extent included in Ohio taxable income (line 3) if the location of the physical assets of the closely held investee is available (see instructions) ................................................................................................................................ 54.

55. Enter the percentage of the closely held investee’s physical assets located within Ohio .............. 55.

56. Multiply the amount on line 54 by the percentage on line 55. Enter here and on line 4 .................. 56.

Schedule G – Apportioned Income for Trusts

57. Enter (i) the trust’s business income not included in line 54 and (ii) the trust’s qualifying investment income not otherwise a part of business income and not included in line 54 ............ 57.

58. Enter the Ohio apportionment ratio from line 73 of the apportionment worksheet below .............. 58.

59. Multiply the amount on line 57 by the apportionment ratio on line 58. Enter here and on line 5 .... 59.

Schedule H – Allocated Nonbusiness Income for Trusts

60. Resident trusts: Enter the trust’s portion of Ohio taxable income (line 3) not reported on lines 54 or 57 ....................................................................................................................... ........................ 60.

61. Nonresident trusts: Enter the trust’s portion of Ohio taxable income (line 3) not reported on lines 54 or 57 to the extent such income was (i) derived from real or tangible property located in or based in Ohio or (ii) was sitused to Ohio (see instructions for line 61) .......................................... 61.

62. Add lines 60 and 61 and enter here and on line 6 ............................................................................ 62.

Schedule I – Resident Tax Credit for Trusts

63. Enter the amount of allocated resident trust income (line 62, above) subjected to tax in another state or the District of Columbia .............................................................................................. ........... 63.

64. Enter the tax from line 8 ....................................................................................................................... 64.

65. Enter the amount of modified Ohio taxable income from line 7 ......................................................... 65.

66. Divide line 64 by line 65 and enter the percentage here. This is your average effective tax rate ...... 66.

67. Multiply the amount on line 63 by the percentage reported on line 66 ............................................... 67.

68. Enter the amount of tax actually paid by the resident trust to another state or the District of Columbia on the trust’s allocated nonbusiness income ................................................................... 68.

69. Enter the smaller of the amount on lines 67 and 68. This is the trust’s Ohio resident tax credit. Enter here and on line 10 ...................................................................................................... .............. 69.

Apportionment Worksheet for Modified Business Income and Qualified Investment Income in Schedule G

Use this schedule to calculate the apportionment ratio for the trust’s modified business income and qualifying investment income included in Ohio taxable income.

<table>
<thead>
<tr>
<th>(1) Within Ohio</th>
<th>(2) Total Everywhere</th>
