A Message From the Ohio Tax Commissioner

Dear Ohio Taxpayers,

Protecting your tax dollars, as well as ensuring the security of your personal identification and tax information, remain our top priority in these times of rampant crime occurring across the Internet. The incidence of stolen personal identification information remains high, as does the attempt to steal tax refunds by the filing of fraudulent tax returns.

Since 2014, when this surge of cyber-crime began, we have blocked more than 420,000 attempts to steal tax refunds, that in total exceed a half-billion dollars. We cannot and will not let down our guard.

Ohio's use of an Identity Confirmation Quiz to help verify the legitimacy of a refund request, along with a heightened vigilance among taxpayers, tax preparers, the financial community, the IRS and our staff, has coalesced into a formidable barrier to repel cyber-criminals.

We have continued to fine-tune our review of personal income tax returns, which has reduced the number of Ohioans who need to take the I.D. quiz to confirm their identity before receiving a tax refund. Regardless of whether you're directed to take the quiz or not, remember that filing your return electronically is the fastest way to get your refund. If you do file online, and request direct deposit of your refund, the money should be in your bank account within 15 business days.

There are a couple other changes this year that I'd like to mention. The business income deduction for 2016 has been increased to 100% of the first \$250,000 of net business income from "pass-through" businesses or sole proprietorships. Income over that amount from these businesses will remain subject to a flat 3% tax rate.

Also new this year, Ohio has added a deduction for contributions to Ohio's STABLE account to help taxpayers who are caring for a disabled child or other designated disabled beneficiary. This deduction allows taxpayers to reduce their taxable gross income by up to \$2,000 per beneficiary per year.

I'd like to close by thanking all Ohio taxpayers for their time and diligence in filing their annual state income tax return. I trust that this instruction booklet will provide all the information you need to complete your return. If you have additional questions, however, please visit our Web site at tax.ohio.gov or call 1-800-282-1780 for taxpayer assistance.

Respectfully,

Joe W. Testa
Ohio Tax Commissioner

Business Income Deduction. For tax year 2016, the business income deduction on Ohio Schedule A of the Ohio IT 1040 income tax return will increase to 100% of the first \$250,000 of net business income for single or married filing jointly returns and \$125,000 for married filing separately. A flat tax rate of 3% will be applied to business income exceeding the maximum business income deduction amounts, continuing to free up additional funds for private sector jobs creators to further invest in growing their business **See page 21**

NEW Ohio IT K-1. Use the Ohio IT K-1 to report each investor's or beneficiary's proportionate or distributive share of the partnership's, corporation's, estate's or trust's Ohio income and credits. The form can be found on our Web site at tax.ohio.gov.

Tax Forms. Beginning with the 2015 filing year, the Ohio IT 1040, IT 1040EZ and IT1040X forms were consolidated into one form, the Ohio IT 1040. Do's and Don'ts for Paper Tax Filers

Read the instructions carefully and review your return before filing.
To avoid a delay in processing your tax return, please . . .

Make sure that you DO...

- ✦ Correct your address. If you use a tax preparer to file your return electronically, and you have moved since last year's filing, make sure that your current address is on file with the preparer.
 - ✦ Use the correct tax form for the year you are filing. And be sure to enter the school district number for the taxable year for which you are filing your return.
 - ✦ Include Ohio Schedule A, pages 1 and 2, if you are claiming any adjustments on Ohio IT 1040, line 2a (Additions), or line 2b (Deductions). Be sure to fill in the total lines for both additions and deductions of this schedule and send in all pages of the return.
 - ✦ Include Ohio Schedule of Credits, pages 1 and 2, if you are claiming any nonrefundable credits/grants on Ohio IT 1040, line 9, or any refundable credits on line 16. Be sure to fill in lines 34, nonrefundable credits/grants, and line 41, refundable credits, for this schedule and send in all pages of the return.
 - ✦ Include Ohio Schedule J if you are claiming any dependents on Ohio IT 1040, line 4, personal and dependent exemption deduction.
- ✦ Check the **full-year resident** box on page 1 of Ohio IT 1040 if you qualify as "resident military personnel stationed outside Ohio" and you are taking the Ohio Schedule A, line 24, deduction.
 - ✦ Sign your tax return and place your W-2(s), W-2G(s) and/or 1099-R(s) after the last page of your return.
 - ✦ Write legibly if you file a paper return.
 - ✦ Protect yourself from identity theft by doing the following:
 - Protect your SSN.
 - Be careful if choosing a tax preparer to file your taxes.
 - Report identity theft immediately to the Ohio Department of Taxation (800-282-1780) and IRS (800-908-4490).
 - If you are an identity theft victim, see our Web site at tax.ohio.gov and the IRS' Web site at www.irs.gov for more information.

Make sure that you DON'T...

- ✗ Use the Ohio IT 40P voucher to pay your school district income tax due (instead, use the SD 40P).
- ✗ Staple W-2(s), W-2G(s), 1099-R(s) checks and/or forms to your return.
- ✗ Use the SD 40P voucher to pay your individual income tax due (instead, use Ohio IT 40P).

Go Paperless This Year: Have You Considered Filing Electronically?

Electronic filing has become the preferred method used by taxpayers, with more than 87% of all Ohio income tax returns filed electronically for taxable year 2015. The electronic options available for filing a 2016 income tax return are:

Online Services/Ohio I-File

Use your computer to file your Ohio individual and/or school district income tax returns.

Ohio I-File is a free filing service that guides you through a series of questions and information requests. Based upon the information you provide, I-File computes your refund or balance due, electronically submits the tax information, provides you with a copy, gives you a filing confirmation number and directs you to the electronic payment options. **See Online Services at tax.ohio.gov.**

IRS e-file

Use your tax software to file your tax returns or ask your tax preparer for assistance.

IRS e-file is a way to prepare and file your return electronically with the IRS and Ohio. More information, including a free federal e-filing program for qualified individuals, is available at www.irs.gov. You can also e-file through an approved, commercially available software program or you can have your return prepared and transmitted by an authorized tax professional. You may be required to pay fees to use these private services.

Most electronic filers receive their refunds in approximately 15 business days by direct deposit!

Payment Options for Ohio Personal and School District Income Tax

Several options are available for paying your Ohio and/or school district income tax. **If you are remitting for both Ohio and school district income taxes, you must remit each payment as a separate transaction.**

By law, all tax is due on April 18, 2017 except for certain members of the military.

While the Ohio Department of Taxation is not authorized to set up payment plans, if you submit partial payments they will be applied to the outstanding balance. Partial payments will not stop the imposition of additional interest and penalties. Partial payments will also not stop our billing process from progressing, including possible referral of the account to the Ohio Attorney General's Office for collection; however, partial payments will reduce the amount of interest and penalties that you will be charged.

You may pay by any one of the following three methods:

➔ Credit Card

You may use your Discover, VISA, MasterCard or American Express card to pay your income taxes. You may make the credit card payments by either visiting tax.ohio.gov or calling **1-800-2PAY-TAX** (1-800-272-9829). The Ohio jurisdiction code is 6446.

Whether you visit our Web site or pay by telephone, Official Payments will provide the credit card services. Official Payments will bill your credit card account a convenience fee equal to 2.5% (or \$1, whichever is greater) of the tax payment. **The state of Ohio and your school district do not receive any portion of this fee.**

When will my payment be posted? Your payment will be effective the date you charge it.

What happens if I change my mind? If you pay your tax liability by credit card and you subsequently reverse the credit card transaction, you may be subject to penalties, interest and other fees imposed by the Ohio Department of Taxation for nonpayment or late payment of your tax liability.

Whom should I call if I have a problem with my credit card payment? Call Official Payments toll-free at 1-866-621-4109.

How do I use my credit card and my telephone to pay my Ohio and/or school district income tax? Once you have determined how much you owe, follow the steps below:

➔ Electronic Check

You can eliminate writing a check for your Ohio and/or school district income tax due amount(s) by using the free, expanded electronic

Payment Options for Ohio Personal and School District Income Tax...cont.

check payment option that is available to all taxpayers. If you make a payment using an electronic check, it is the equivalent of using a debit card to withdraw money directly from your checking or savings account.

The authorized amount will be withdrawn from your account within 24 hours unless you elect to delay payment. You can delay payment until the payment deadline of April 18, 2017.

When paying by electronic check, you must first determine your filing method:

- ✓ **Ohio I-File** – Follow the payment instruction prompts that you receive during Ohio I-File.
- ✓ **IRS e-file** – If you are electronically filing your Ohio individual and/or school district income tax return using an approved

software program, follow the payment instruction prompts for making payments by electronic check.

- ✓ **Paper Filing** – If you are filing by paper (Ohio IT 1040 and/or SD 100), you can still use the electronic check payment option. Go to our Web site at tax.ohio.gov.

You may also **file** and **pay** your quarterly **2017 Ohio and/or school district estimated income tax with the electronic check method**. Go to our Web site at tax.ohio.gov.

➔ Paper Check or Money Order

If you do not want to use a credit card or electronic check to make your payment, you may send in a personal check or money order with the Ohio IT 40P / IT 40XP payment voucher for your Ohio income tax and/or SD 40P / SD 40XP payment voucher for your school district income tax. Both of these vouchers can be found on our Web site at tax.ohio.gov.

Where Should I Mail My Return and/or Payment?

See the chart below for mailing information. Be sure to sign your return before mailing. If you are enclosing a payment with your return, be sure to enclose Ohio IT 40P / IT 40XP or SD 40P / SD 40XP (found on our Web site at tax.ohio.gov) with your check or money order. This will ensure proper crediting of your payment.

Who Must File an Ohio Income Tax Return?

Every Ohio resident and every part-year resident (see page 14 for a discussion of "residency status") is subject to the Ohio income tax. Every nonresident having Ohio-sourced income must also file. Examples of Ohio-sourced income include the following:

- Wages earned in Ohio (see "Exception" below);
- Ohio lottery winnings;
- All Ohio casino gaming winnings;
- Income or gain from Ohio property;
- Income or gain from a sole proprietorship doing business in Ohio;
- Income or gain from a pass-through entity doing business in Ohio.

Exception: A full-year nonresident living in a border state does not have to file if the nonresident's only Ohio-sourced income is wages received from an unrelated employer.

You do **not** have to file an Ohio income tax return if...

- you are single **and** your federal adjusted gross income is less than or equal to \$12,250 **and** you have no Ohio Schedule A adjustments.
- you are married, filing jointly **and** you are not claimed as a dependent on another return **and** your federal adjusted gross income is less than or equal to \$14,500 **and** you have no Ohio Schedule A adjustments.
- your exemption amount (Ohio IT 1040, line 4) is the same as or more than your Ohio adjusted gross income (line 3).
- your only source of income is retirement income that is eligible for the retirement income credit (Ohio Schedule of Credits, line 2) **and** the credit is the same or larger than your tax before credits (Ohio IT 1040, line 8c).

When Do I Have To File?

For calendar year 2016 most taxpayers must file on or before April 18, 2017 (for exceptions, see "What if I Need More Time To File?" above and "Income Taxes and the Military" on page 13). Even if you are unable to pay the full amount of tax, you must file your return by the due date.

What Tax Records Do I Need To Keep?

Keep a copy of your completed Ohio income tax return. Also keep copies of any documents and/or payment records that you used

Filing Requirements

to prepare your return. Keep these records for at least four years from the later of the filing due date or the date that you filed the return. If the Ohio Department of Taxation audits your tax return, you must be able to prove all claims and items listed on your return.

What If I Need More Time To File?

If you need more time to file, you can extend the due date for filing. You must first qualify for an IRS extension of time to file. Ohio does not have an Ohio extension request form, but honors the IRS extension. You should include with the Ohio income tax return a copy of your IRS extension or your extension confirmation number or a printed copy of the IRS acknowledgment. Additionally, you should check the box on the Ohio IT 1040 indicating that you have filed the federal extension 4868. **An extension of time to file does not extend the time for payment of the tax due.** So, except as set forth below, you must make extension payments by April 18, 2017 on Ohio IT 40P (available on our Web site at tax.ohio.gov). Interest will accrue on any tax not paid by April 18, 2017, and penalties may also apply.

How Do I Round to the Nearest Dollar?

Ohio law requires you to round to the nearest whole dollar. When completing the Ohio income tax return, drop any cents less than 50 cents and increase amounts from 50 cents to 99 cents to the next highest dollar.

Do Both Nonresident, Married Filing Jointly Taxpayers Have To Sign the Return?

General Rule: If your filing status on your federal income tax return is married filing jointly, then **both** spouses must sign the Ohio income tax return (see "Filing Status" on page 14 for more information about your filing status for your Ohio income tax return).

Exception to the General Rule: Your spouse does not have to sign a married filing jointly return **only** if all three of the following apply:

- Your spouse resided outside Ohio for the entire year; AND
- Your spouse did not earn any income in Ohio; AND
- Your spouse did not receive any income in Ohio.

See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is on our Web site at tax.ohio.gov.

Do I Have To File a School District Income Tax Form?

Many Ohio school districts have an additional income tax. These school districts are marked with an asterisk (*) on pages 44-49. If during 2016 you were a full-year or part-year Ohio domiciliary and you were domiciled in one of these districts during all or part of the year, then by the due date for filing your Ohio income tax return you must also file an SD 100, School District Income Tax Return, with the Ohio Department of Taxation. **You can electronically file your school district return** or you can get the SD 100 from our Web site at tax.ohio.gov, or by calling toll-free 1-800-282-1782.

Do I Need To Enclose a Copy of My Federal Income Tax Return?

Enclose a copy of your federal income tax return if the amount shown on Ohio IT 1040, line 1 is zero or a negative amount.

Does Ohio Follow the Alternative Preparer Signature Procedures?

The Ohio Department of Taxation follows federal Notice 2004-54, which provides for alternative preparer signature procedures for federal income tax paper returns that paid practitioners prepare on behalf of their clients. See Ohio Revised Code sections 5703.262(B) and 5747.08(F).

Exception: The paid preparer should **print** (rather than sign) his/her name and include their Preparer Tax Identification Number (PTIN) on the form if the taxpayer checks "Yes" to the question, "Do you authorize your preparer to contact us regarding this return?"

Preparers should provide their PTIN on the paper and/or electronically filed returns if available.

Can My Tax Preparer Contact the Tax Department About My Tax Return?

Yes. Just check the "Yes" box below your tax preparer's name on the bottom of page 2 of Ohio IT 1040. By checking the "Yes" box, you are authorizing your preparer to contact the Ohio Department of Taxation concerning questions that arise during the processing of your Ohio income tax return.

Checking "Yes" also authorizes your preparer to provide the department with information that is missing from the return, to contact the department for information about

the processing of the return or the status of your refund or payments, and to respond to mathematical error notices, offsets and return preparation notices that you have received from the department and have shown your preparer.

Should I Make Estimated Tax Payments in 2017?

You have to make estimated Ohio income tax payments for year 2017 only if the sum of (i) your year 2016 overpayment credited to year 2017 (Ohio IT 1040, line 25) and (ii) your year 2017 Ohio income tax withholding is not equal to or greater than either of the following:

- 100% of the year 2016 Ohio income tax (see Ohio IT 1040, line 10 minus line 18);
OR
- 90% of the year 2017 tax.

For purposes of these tests, you must reduce your year 2016 overpayment credited to year 2017 by any year 2016 tax payment that you made after April 18, 2017.

If you don't meet either of the tests above, you must timely pay enough estimated Ohio income tax so that the sum of (i) your year 2016 overpayment credited to year 2017, (ii) your year 2017 withholdings and (iii) your timely made estimated Ohio income tax payments is not less than either of the two tests above.

If you are required to make estimated payments and do not, you may be subject to an interest penalty on your underpayment of estimated taxes.

Quarterly estimated payments can be made electronically on our Web site at

tax.ohio.gov. Or you can obtain Ohio IT 1040ES from our Web site at tax.ohio.gov.

2017 Estimated Tax Payment Due Dates

- 1st quarter – April 18, 2017
- 2nd quarter – June 15, 2017
- 3rd quarter – Sept. 15, 2017
- 4th quarter – Jan. 16, 2018

TIP – If you don't want to make estimated payments, increase the amount of Ohio tax that your employer withholds from your wages. To do this, file a revised Ohio IT 4, Employee's Withholding Exemption Certificate (available at tax.ohio.gov) with your employer.

General Information for Ohio IT 1040

Is Unemployment Compensation Taxable to Ohio?

In general, unemployment compensation that is included in federal adjusted gross income is taxable to Ohio. For taxable year 2016, the total unemployment compensation paid to you in 2016 and included in federal adjusted gross income is taxable. For additional information, see the FAQs on our Web site at tax.ohio.gov.

Can Dependent Children Claim Themselves if They File Their Own Tax Return?

No. Children being claimed as dependents on their parents' Ohio income tax return may no longer claim the personal exemption on their own return.

What if a Taxpayer Is Deceased?

The taxpayer's personal representative has to file and sign the return on behalf of the taxpayer who died. A personal representative can be the executor, administrator or anyone who is in charge of the deceased taxpayer's property.

Important:

- Use the same filing status as shown on the federal income tax return.
- Check the "Deceased" box after the applicable SSN on Ohio IT 1040, page 1.
- If you are filing on behalf of a deceased taxpayer, you can properly sign on his/her behalf by signing the deceased taxpayer's name on the "Your signature" line. Sign your name on the "Spouse's signature" line and print your title. Also include your daytime telephone number.
- We cannot rewrite a decedent's refund check by making it payable to the estate of the decedent.

How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?

Each full-year nonresident and each part-year resident who is engaged in business (as a sole proprietor or through a partnership, S corporation or limited liability company) in Ohio must apportion his/her business income inside and outside of Ohio. If you file Ohio IT 1040, use Ohio IT NRC (income allocation and apportionment schedule) from our Web site at tax.ohio.gov to determine the proper amount of credit to claim on the Ohio Sched-

ule of Credits. See page 14 for an explanation of "residency status."

What if I Move After Filing My Tax Return and I'm Due a Refund?

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

What if I Want a Receipt To Prove That I Paid?

Your cancelled check or credit card statement can be used as proof of our receipt of your tax payment. If you make payment with a money order, be sure to keep a copy for your records.

How Do I Correct My Income Tax Return After I Have Already Filed?

Make any corrections to your return by filing an amended income tax return for the year that you are correcting. Mark "yes" on the amended return checkbox on Ohio IT 1040 to indicate when filing an amended return. The amended return should reflect the total of the new values rather than the change in value. To speed up the processing of your amended return:

- Include a copy of your W-2(s), W-2G(s) and 1099-R(s) if there was Ohio income tax withheld; AND
- Include documentation to support any adjustments to line items.

If you correct your federal income tax return or if you are audited by the IRS, you must file an Ohio amended income tax return within 60 days of the final determination of the IRS correction. See page 58 for more information.

The IRS notifies us of all changes it makes to your federal income tax return. To avoid penalties, be sure to file your Ohio amended income tax return within 60 days of the final determination of the federal change.

Do I Owe Penalties and Interest?

A **failure-to-file** penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to **file** your Ohio income tax return by the due date.

A **failure-to-pay** penalty of double the interest charged generally will apply if you do not **pay** the tax by April 18, 2017.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 13), interest is due from April 19, 2017 until the date the tax is paid.

If you file your return after the due date and if you paid and/or will pay any tax after the due date, you owe interest **unless** your refund, if any, is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2017 is 4%.

What Is the Difference Between Income Tax Table 1 and Income Tax Table 2?

Income Tax Table 1, which begins on page 36, shows the tax amount for \$50 increments of income. The tax is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2, which is shown on page 42.

How Should Investors in a Pass-Through Entity Report Income?

A pass-through entity is a partnership, S corporation or limited liability company treated as a partnership or an S corporation for federal income tax purposes. Unless the exception below applies, each investor in any pass-through entity doing business in Ohio must file Ohio IT 1040.

Exception: Such investors do not have to file Ohio IT 1040 if **all** of the following apply:

- The investor is a full-year nonresident; AND
- The pass-through entity files Ohio IT 4708, Pass-Through Entity Composite Income Tax Return, on behalf of the investor; AND
- The investor has no other Ohio-sourced income or, if the investor has other Ohio-sourced income, and that income is also reported on another Ohio IT 4708.

What Is a Medical Savings Account and What Are the Qualifications?

A medical savings account is used to pay eligible medical expenses of the account-holder or the account-holder's spouse and/or

dependents. A medical savings account can be opened by or on behalf of a person that participates in a sickness and accident plan, a plan offered by a health maintenance organization or a self-funded, employer-sponsored health-benefit plan pursuant to the federal *Employee Retirement Income Security Act*.

You must designate an administrator for the medical savings account at the time you open the account. Account-holders are generally permitted to withdraw the funds at any time for any reason. However, **account administrators cannot return any funds deposited during the year of deposit except for reimbursement of eligible medical expenses.**

Any withdrawals for a nonqualifying medical purpose may result in increased Ohio taxes. An "eligible medical expense" includes any expense for a service rendered by or for an article, device or drug prescribed by a licensed health care provider or provided by a Christian Science practitioner. See page 26, line 33, for a more detailed explanation.

Income Taxes and the Military

State and federal income tax laws contain special provisions for members of the military and their families. Details on some of the major issues facing military families during the income tax filing season can be found below.

For more details regarding income taxes and the military, visit our Web site at tax.ohio.gov.

You can also reach us by e-mail at Military-Info@tax.state.oh.us.

Key Issues

Ohio Resident Military Personnel

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district.

For an additional explanation, see page 22.

Resident Military Personnel Stationed Outside Ohio

Although military pay earned while on active duty and stationed outside of Ohio is exempt from Ohio income tax and may be deducted to the extent that it is included in federal adjusted gross income, you are still required to file an Ohio personal income tax return.

Ohio Revised Code section 5747.01(A) (24) provides that for taxable years beginning on and after Jan. 1, 2007, an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised

Code 5103.20, Article II, Subparagraph (U), that is, it means the military installation where an active duty servicemember – or, concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces – is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed." However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described on page 22, qualify a servicemember for this exemption.

For an additional explanation, see page 22.

Nonresident Military Servicemembers and Their Spouses

A November 2009 federal law exempts military spouses who are not residents of a state where they are living with their spouse from the income taxes of the state, provided they are a resident of the same state as their spouse. However, nonresident military and nonresident spouses serving in Ohio are strongly encouraged to file Ohio IT 10 each year to avoid a possible billing notice from the state of Ohio. You must also file by May 30, 2017, Ohio IT DA, Affidavit of Non-Ohio Residency/Domicile for Taxable Year 2016. Ohio IT 10 and the affidavit are available on our Web site at tax.ohio.gov.

For an additional explanation, see page 22.

Ohio National Guard and Reserves

Ohio resident members of the Ohio National Guard and reserves are entitled to the deduction for military pay received while stationed outside the state, if eligible.

Also, resident members of the Ohio National Guard and reserves are eligible for certain tax extensions and other benefits, if stationed in a combat zone. The uniformed

services military retirement pay received for Ohio National Guard and reserves service is also exempt from Ohio income taxes.

For an additional explanation, see page 23.

Uniformed Services Retirement Income

Retirement pay received for service on military active duty or the Ohio National Guard or reserves, as well as pay received by a surviving spouse through the Survivor Benefit Plan, is exempt from the Ohio income tax.

For an additional explanation, see page 23.

Military Injury Relief Fund

You do not have to include in federal adjusted gross income any military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operation Enduring Freedom. But you must include in federal adjusted gross income any other military injury relief fund amounts you received. These amounts are deductible for Ohio adjusted gross income.

For an additional explanation, see pages 23 and 35.

Ohio Resident Veterans Bonus

You do not have to include in federal adjusted gross income any bonuses that the Ohio Department of Veterans Services paid to, or made on behalf of, resident veterans of the Persian Gulf, Afghanistan and Iraq conflicts during the taxable year.

Payments that the state of Ohio makes under the Ohio Veterans Bonus Program are excludable from the recipient's federal adjusted gross income. Therefore, the taxpayer cannot deduct from Ohio adjusted gross income any portion of the bonus because no portion of the bonus is included in federal adjusted gross income.

Completing the Top Portion of Ohio IT 1040

How To Complete Your Income Tax Return

Ohio IT 1040 has been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

1. Use black ink **ONLY**.
2. Use this form **ONLY** for the taxable year **2016**.
3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes on the far right of the return, which designate cents (.00).
4. Print your numbers and letters (**UPPER-CASE** only) inside the boxes as shown below:

1	2	3		A	N	Y		S	T	R	E	E	T
---	---	---	--	---	---	---	--	---	---	---	---	---	---

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Amended Return Check Box. Mark the "Yes" box if you are amending your previously filed return and include the 2016 Ohio IT RE, Reason and Explanation of Corrections, with your amended income tax return. Otherwise, mark "No."

Net Operating Loss (NOL). Mark the "Yes" box if you are amending for an NOL and include Ohio Schedule IT NOL with your income tax return. Otherwise mark "No."

Name(s), Address and SSN(s). Enter your name and address on page 1 and your SSN on pages 1 and 2 of your return (if married filing jointly, also enter your spouse's name and SSN on page 1).

Ohio School District Number. Every Ohio public school district has an identification number. These numbers are listed on pages 44-49. Look up the number for the school district in which you were domiciled for the majority of the year and write it in the space provided. Nondomiciliaries should enter 9999.

If you were domiciled in a taxing school district during 2016, you are required to file the SD 100. If you are unsure of your Ohio

school district, use The Finder on our Web site as described on page 43.

County

If your home address is an Ohio home address, indicate on page 1 of the return the county for that address.

Ohio Residency Status

If your filing status is married filing jointly, each spouse must indicate his/her residency.

- **Resident.** Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were a full-year resident of Ohio. Mark this box if you qualify as "resident military personnel stationed outside Ohio" **and** you are taking the deduction on Ohio Schedule A, line 24.
- **Part-year Resident.** Mark this box if you permanently moved into or out of Ohio during 2016, not counting being away temporarily. **Part-year residents should use the nonresident credit on the Ohio Schedule of Credits for income earned while they were a resident of another state.**
- **Nonresident.** Mark this box if you resided outside of Ohio all year. Write the two-letter abbreviation of the state where you resided for 2016 in the space provided. For more information, see our information release dated Sept. 17, 2015, "Personal Income Tax: Residency Guidelines," which is available on our Web site at tax.ohio.gov.

Nonresidents who earn and receive all income outside of Ohio will not have an Ohio tax liability. Nonresidents who earn or receive income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned and not received in Ohio.

Military Personnel. If you are currently a member of the military and you have questions about your residency status, see page 13 for a detailed explanation regarding some of the key issues facing military families during the income tax filing season.

Filing Status

Your filing status must be the same as your federal income tax filing status for 2016 with the following exception:

- If you marked the box labeled "Qualifying widow(er) with dependent child" on your federal income tax return, then mark the "Single, head of household or qualifying widow(er)" box on your Ohio income tax return.

If you and your spouse filed a joint federal income tax return, you must file a joint Ohio income tax return. Even if you are both Ohio nonresidents, if you filed a joint federal income tax return, you must file a joint Ohio income tax return, but you may claim the nonresident credit (Ohio Schedule of Credits) for income neither earned nor received in Ohio. If you and your spouse filed separate federal income tax returns, you must file separate Ohio income tax returns.

Ohio Political Party Fund

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund can only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get-out-the-vote campaigns not related to any particular candidate or election.

If your filing status is single, head of household, qualifying widow(er) or married filing separately and your tax (Ohio IT 1040, line 13) is \$1 or more, you can choose to have \$1 go to this fund by checking the "Yes" box on the return. If your filing status is married filing jointly and your tax (Ohio IT 1040, line 13) is \$2 or more, each of you can choose to have \$1 go to this fund by checking the "Yes" boxes on the return. Checking "Yes" will neither increase the tax due nor reduce the refund shown on your return.

Line Instructions for Ohio IT 1040

Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2016 federal income tax return:

- Federal 1040, line 37; **OR**
- Federal 1040A, line 21; **OR**
- Federal 1040EZ, line 4; **OR**
- Federal 1040NR, line 36; **OR**
- Federal 1040NR-EZ, line 10

In all cases, line 1 of your Ohio income tax return must match your federal adjusted gross income as defined in the Internal Revenue Code. Federal

adjusted gross income includes, but is not limited to, wages, salaries, commissions, gambling income, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of a penalty.

Zero or Negative Federal Adjusted Gross Income. If you have a zero or negative federal adjusted gross income, you must include a copy of page 1 of federal 1040, 1040A, 1040EZ, 1040NR, 1040NR-EZ or 1042-S or equivalent with your Ohio IT 1040 return.

Nonresident Taxpayers. If you and/or your spouse are not residents of Ohio and your filing status for federal income tax purposes is married filing jointly, then you must show the same adjusted gross income as on your federal income tax return. You must show this amount even if you or your spouse did not earn or receive any income in Ohio. See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is on our Web site at tax.ohio.gov.

Line 2a – Ohio Adjustments (Additions)

Ohio Schedule A lists the additions to your federal adjusted gross income. See pages 20-21 in this booklet to read about the adjustments you may be required to make.

- If you have no additions to your Ohio income, leave line 2a blank.
- Any additions listed on this line must be supported by the applicable Ohio Schedule A line item(s). Copy the total additions amount from Ohio Schedule A, line 10, to Ohio IT 1040, line 2a.

Line 2b – Ohio Adjustments (Deductions)

Ohio Schedule A lists the deductions to your federal adjusted gross income. See

pages 21-26 in this booklet to read about the adjustments you must make.

- If you have no deductions to your Ohio income, leave line 2b blank.
- Any deductions listed on this line must be supported by the applicable Ohio Schedule A line item(s). Copy the total deductions amount from Ohio Schedule A, line 35, to Ohio IT 1040, line 2b.

Line 4 – Personal and Dependent Exemptions

You may claim a personal exemption amount for yourself and, if filing a joint return, your spouse can claim an additional exemption amount.

The personal and dependent exemption is a graduated amount based on your Ohio adjusted gross income. See chart below:

Ohio Adjusted Gross Income	Personal/Dependent Exemption
\$40,000 or less	\$2,250
More than \$40,000, but not more than \$80,000	\$2,000
More than \$80,000	\$1,750

Dependent Exemptions. Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal tax return. **Note:** You must complete Ohio Schedule J to take advantage of the dependent exemption. The form can be found at tax.ohio.gov.

Multiply the appropriate exemption amount from the chart above by the number of personal/dependents you are claiming on the return.

What Personal and Dependent Exemption Can I Claim?

You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your federal income tax return. **Note: Children being claimed as dependents on their parents' Ohio income tax return may no longer claim the personal exemption on their own return.**

Locate your Ohio adjusted gross income on the chart above and multiply the number of personal/dependents by the exemption amount on the table. Enter this number on line 4 of your income tax return.

Example: John and Mary file a joint tax return and claim their 17-year-old son Patrick as an exemption on their federal income tax return. John and Mary's Ohio adjusted gross income is \$75,000. Based on these facts, they claim three exemptions of \$2,000 each on their return, for a total of \$6,000 on line 4. Patrick works at the local grocery after school and will also file his own return. Since Patrick's parents are taking the exemption for him, he will not be eligible for the exemption amount and will report \$0 on line 4.

Ohio Schedule J. You must complete and enclose Ohio Schedule J, Dependents Claimed on the Ohio IT 1040 Return, listing every dependent for whom you are claiming this exemption. Enter the first, middle and last name, SSN, dependent's relationship and birthdate of each dependent claimed for this exemption. If your dependent has an individual tax identification number (ITIN) or adopted taxpayer identification number (ATIN), enter that number in the boxes for the dependent's SSN. Verify the information submitted on Ohio Schedule J.

If the dependent information is not provided, incomplete or contains errors, you may be asked for supporting documentation.

Line 5 – Ohio Income Tax Base

Subtract line 4 from line 3:

- Your exemption amount on line 4 may be more than your Ohio adjusted gross income on line 3. If so, enter -0- on lines 5 through 11. If you had Ohio income tax withheld or made an estimated or extension payment, you must complete and file this return to receive a refund of any overpayment.

Note: If the amount on line 5 is \$10,000 or less, you owe no tax. Be sure to enter the \$88 credit on line 7 of the Ohio Schedule of Credits. Enter on line 9 the amount you show on Ohio Schedule of Credits, line 34, and include the schedule.

Line 6 – Taxable Business Income

Enter your taxable business income from Ohio Schedule IT BUS, line 13, on this line. If the amount is less than -0-, enter -0-.

Line 8a – Tax on Line 7a

Using the income tax tables on pages 36-42, calculate your tax on your Ohio income tax base less business income.

- If your nonbusiness taxable income is less than \$100,000, your tax has been calculated for you as shown on Income Tax Table 1, or you can use Income Tax Table 2.
- If your nonbusiness taxable income is \$100,000 or more, you **must** use Income Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

Line 8b – Business Income Tax Liability

Enter your business income tax liability from Ohio Schedule IT BUS, line 14, on this line.

Line 9 – Nonrefundable Credits

Line 11 – Interest Penalty

If line 10 minus line 14 and your 2015 overpayment credited to 2016 is \$500 or less, enter -0- on line 11. If line 10 minus line 14 and your 2015 overpayment credited to 2016 is greater than \$500, you may owe an interest penalty. You must complete Ohio IT/SD 2210 to determine if a penalty is due. If you did not make any out-of-state purchases during 2016, enter -0- on line 12. If you did make any out-of-state purchase during 2016 and paid **no** sales tax on that purchase, then you are required to complete the use tax worksheet on page 34 to determine the amount of Ohio use tax you owe (which is the sales tax on that purchase).

statement form (W-2, box 17; W-2G, box 15; or 1099-R, box 12). See the sample W-2 and W-2G on page 15 and the sample 1099-R on page 16.

- Place **legible state copies** of your W-2(s), W-2G(s) or 1099-R(s) after the last page of Ohio IT 1040. Do not staple or otherwise attach.
- You **cannot** claim on the Ohio return any taxes withheld for another state, a city or a school district.

- You **cannot** claim as an estimated payment a prior year's refund that you requested but did not receive. Instead, contact us about any refund you requested but did not receive.
- You **cannot** claim on this line estimated taxes paid by a pass-through entity. For proper reporting of the amount of tax paid on your behalf by a pass-through entity, see Ohio Schedule of Credits, line 37.

Line 17 – Amount Previously Paid (Amended Returns Only)

This line is only to be used for amended returns. Enter on this line the amount previously paid with your original and/or amended return on line 21.

Line 19 – Overpayment Previously Received (Amended Returns Only)

This line is only to be used for amended returns. Enter the amount previously overpaid on your original and/or amended return, line 24. Enter on this line all of the following:

- Refunds you claimed on previously filed returns for the year shown on this form – even if you have not yet received the refund;
- Donations you made on your previously filed return; AND

- Amounts you previously claimed as an overpayment credit to the following year.

Reduce the amount on this line by the interest penalty (line 11) and interest and penalty (line 22) shown on your originally filed return.

Line 22 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 13), interest is due from April 19, 2017 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** the refund, if any, shown on line 24 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2017 is 4%.

Penalty may be due on late-filed returns and/or late-paid tax. For more information, see "Do I Owe Penalties and Interest?" on page 12.

Line 23 – Total Amount Due

Add lines 21 and 22 to calculate the amount you owe.

- Do **not** mail cash.
- Make payment by electronic check or credit card (see page 8); OR
- Make your paper check or money order payable to "Ohio Treasurer of State." Write the last four numbers of your SSN on your paper check or money order and include Ohio IT 40P or IT 40XP (see our Web site at tax.ohio.gov) and your payment with Ohio IT 1040.

If you cannot pay the amount you owe, you still must file the return by April 18, 2017 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 13). For additional information regarding payments, see page 8.

Line 26 – Donations

 **A donation will reduce the amount of the refund that you are due. If you decide to donate, this decision is final. If you do not want to donate, leave lines 26a-f blank. If you do not have an overpayment on line 24 but you want to donate, you may not do so on this form. Instead, you may do so by writing a check and mailing it directly to the fund. See page 35 for more information.**

Line 27 – Your Refund

This is your refund after any reductions from your overpayment (line 24) minus credit carryforward (line 25) and donations (line 26g). If line 22 is more than the overpayment shown on line 24, you will have an amount due. Enter this amount on line 23 and follow instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address form. This does not guarantee that your refund will be forwarded because post offices are not required to

forward government checks. You should also notify our department of your address change.

Ohio Schedule A – Adjustments

Read the line instructions on pages 20-26 if you claim any adjustments on Ohio IT 1040, line 2a and/or line 2b.

Additions

Line 1 – Non-Ohio State or Local Government Interest and Dividends

Enter the total amount of interest and/or dividends you received from obligations or securities issued by non-Ohio state governments, their local governments and/or their authorities if the interest and/or dividends are not included in your federal adjusted gross income. Do not enter interest or dividend amounts from Puerto Rico obligations as it has not officially entered statehood of the U.S. Also include on this line the amortized portion of the original issue discount on such obligations and securities.

Line 2 – Pass-Through Entity Add-Back

Enter Ohio pass-through entity and financial institutions taxes – which should be shown on your Ohio IT K-1(s) and/or federal K-1(s) – to the extent that those taxes were deducted in arriving at your federal adjusted gross income.

Line 3 – College Tuition Expenses

Enter any reimbursement received during the taxable year of any amount deducted for college tuition and fees in any previous taxable year to the extent that the amount is not otherwise included in Ohio adjusted gross income.

If you received a distribution during 2016 reported to you on a 2016 federal 1099-Q from the CollegeAdvantage program and any portion of such distribution was **not** used to pay for qualified higher-education expenses and was **not** due to the beneficiary's death, disability or receipt of a scholarship, you may be required to include an adjustment on line 3. Follow the instructions for items 1 through 3 below for such distributions.

1. You do not have to show on this line the amount of distributions relating to the cost of tuition credits or units that you purchased before Jan. 1, 2000.
2. If you are the CollegeAdvantage account owner or beneficiary, and a portion of the distribution reported to you on your CollegeAdvantage year 2016 1099-Q relates to original contributions

or purchases by the account owner (or beneficiary) that are not excluded under item 1, then the nonearnings portion (usually the original contribution or purchase price unless the account has declined in value below these amounts) related to such portion of the distribution must be included in Ohio adjusted gross income to the extent that either the account owner or the beneficiary has taken an Ohio contribution deduction for such contributions or purchases in this or a prior taxable year. Add this adjustment to the total reported for line 3.

3. Include on line 3 the earnings portion of the distribution reported to you on federal 1099-Q to the extent that you have not otherwise included these earnings in Ohio adjusted gross income (Ohio IT 1040, line 3) for either the current taxable year or for any previous taxable year(s).

Contribution Carryovers: CollegeAdvantage account owners or beneficiaries should also reduce any contribution deduction carryovers to future years to the extent that the nonearnings distributions in item 2 above (i) exceed contribution

deductions taken in this and prior years and (ii) are reflected in your contribution deduction carryover to future years' returns.

Line 4 – Ohio Public Obligations

Enter any loss resulting from the sale/disposition of Ohio public obligations to the extent that such losses have been deducted in determining federal adjusted gross income.

Line 5 – Medical Savings Account

Enter reimbursements received in 2016 for any expenses that you deducted on a previously filed Ohio income tax return if the amount of the reimbursement was not included in federal adjusted gross income for 2016.

Medical Savings Account Worksheet for Ohio Schedule A, Lines 5 and 33

6. If line 5 is less than line 4, subtract line 5 from line 4 and enter here and on Ohio Schedule A, line 33 6. _____
7. If line 4 is less than line 5, subtract line 4 from line 5 and enter here and on Ohio Schedule A, line 5 7. _____

Note for lines 1 and 2: Do not show on either line any contribution to medical savings accounts if the contribution is excluded from box #1 on your federal W-2, Wage and Tax Statement.

Note for line 5: If any prior year contribution exceeded the deductible limit for that year, contact the Ohio Department of Taxation at 1-800-282-1780 to help you determine the amount you should enter on line 5 of this worksheet.

Line 7 – Accelerated Depreciation

Add 5/6 of Internal Revenue Code section 168(k) bonus depreciation allowed under the Internal Revenue Code in effect on Dec. 15, 2010. Also add 5/6 of the excess of the Internal Revenue Code section 179 depreciation expense allowed under the Internal Revenue Code in effect on Dec. 15, 2010 over the amount of section 179 depreciation expense that would have been allowed based upon Internal Revenue Code section 179 in effect on Dec. 31, 2002.

Replace “5/6” with “2/3” for employers who increased their Ohio income taxes withheld by an amount equal to or greater than 10% over the previous year. Replace “5/6” with “6/6” for taxpayers who incur a net operating loss for federal income tax purposes if the loss was a result of the 168(k) and/or 179 depreciation expenses.

No add-back is required for employers who increased their Ohio income taxes withheld over the previous year by an amount greater than or equal to the sum of the 168(k) or 179 depreciation expenses. No add-back is required for 168(k) and/or 179 depreciation amounts related to a pass-through entity in which the taxpayer has less than 5% ownership.

See Ohio Revised Code section 5747.01(A)(20) and our information release IT 2002-02 entitled “Ohio Bonus Depreciation Adjustments,” which is available on our Web site at tax.ohio.gov.

Line 9 – Miscellaneous Additions

For information about miscellaneous federal tax adjustments, see our Web site at www.tax.ohio.gov/other/Update.aspx.

Deductions

Line 11 – Business Income Deduction

In order to take this deduction, you must complete the Ohio Schedule IT BUS – Business Income (available at tax.ohio.gov). Enter the amount from Ohio Schedule IT BUS, line 11, on this line.

Line 12 – Residents of Neighboring States

Enter compensation amounts earned in Ohio while you were a resident of Indiana,

Kentucky, West Virginia, Michigan and Pennsylvania. You do not have to file an Ohio income tax return if the following two conditions apply:

- You were a full-year resident of one of these states; AND
- Your only source of income within Ohio was from wages, salaries, tips or other employee compensation.

If Ohio income tax was withheld on this income and you meet the two conditions set forth above, you can file an Ohio income tax return to get a full refund. Enter the amount from Ohio IT 1040, line 1, onto line 2b and onto Ohio Schedule A, line 12.

Exception: Reciprocity agreements do not apply to you if you own directly or indirectly at least 20% of a pass-through entity having nexus in Ohio. Ohio Revised Code section 5733.40(A)(7) reclassifies compensation from such pass-through entities to a distributive share of the income from the pass-through entity. You must claim the nonresident/part-year resident credit on the Ohio Schedule of Credits. Also, see “How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?” on page 12.

Line 13 – State or Municipal Income Tax Overpayments

Enter the amount shown on your 2016 federal 1040, line 10. If line 10 is blank, or you filed federal 1040EZ or 1040A, then you are not entitled to this deduction.

Line 14 – Social Security and Certain Railroad Retirement Benefits

Pursuant to R.C. section 5747.01(A)(5) and federal tax pre-emptions, deduct the following benefits only to the extent that they are included in your federal adjusted gross income:

- Social Security benefits
- Tier I and Tier II railroad retirement benefits
- Supplemental railroad retirement benefits
- Dual railroad retirement benefits
- Railroad disability

Line 15 – Interest Income from Ohio Public Obligations

Deduct interest income earned from Ohio public obligations and Ohio purchase obligations if the interest income was included in your federal adjusted gross income. You can also deduct any gains resulting from the sale or disposition of Ohio public obligations to the extent that the gain was included in your federal adjusted gross income.

Deduct income from providing public services under a contract through an Ohio state project (including highway services) if the income was included in your federal adjusted gross income. You can also deduct income from a certain transfer agreement or an enterprise transferred under that agreement if the income was included in your federal adjusted gross income. See Ohio Revised Code section 4313.02.

Line 16 – Individual Development Accounts

You can deduct matching contributions that you made to an Individual Development Account when the account has been established by a county department of human services. For further information, contact your local county department of human services.

Line 17 – STABLE Contributions

You may deduct contributions to a STABLE (Ohio ABLE) account, up to \$2,000 per beneficiary per year. Qualifying contributions exceeding the \$2,000 limitation may be deducted on future years' returns until fully utilized, subject to the annual \$2,000 per beneficiary limitation. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing jointly or married filing separately.

Line 18 – Federal Interest and Dividends Exempt from State Taxation

[Click here for detailed instructions.](#)

Line 19 – Depreciation Expense

Deduct 1/5, 1/2 or 1/6 of the Internal Revenue Code sections 168(k) and 179 depreciation adjustments that you added back on your previous Ohio income tax returns. The fraction used depends on the fraction used when the add-back took place. Deduct 1/5 of amounts that resulted from a 5/6 add-back. Deduct 1/2 of amounts that resulted from a 2/3 add-back. Deduct 1/6 of amounts that resulted from a 6/6 add-back. You can take this deduction even if you no longer directly or indirectly own the asset.

Note: These deductions cannot be taken to the extent that your sections 168(k) and 179 depreciation expenses increased a federal net operating loss carryback or carryforward. If a deduction is not available for this reason, you may carry forward the amount not deducted for Ohio purposes

and deduct it during a future year. See Ohio Revised Code section 5747.01(A)(20) and our information release IT 2002-02 entitled "Ohio Bonus Depreciation Adjustments," which is available on our Web site at tax.ohio.gov.

Line 20 – Refund or Reimbursement for Itemized Deductions

Deduct refunds or reimbursements of expenses you originally deducted on a prior year federal income tax return if the following conditions are met:

- The refund or reimbursement was included in your federal adjusted gross income on your 2016 federal 1040, line 21; AND
- The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior year federal income tax return.

Example: Sue claimed an itemized deduction of \$500 for medical expenses on her 2015 federal income tax return. In 2016 she received a medical expense reimbursement for \$200 from her insurance company, and she reported the \$200 on her 2016 federal income tax return, line 21. Sue is entitled to deduct the \$200 reimbursement on Ohio Schedule A, line 20.

Line 21 – Repayment of Income Reported

Enter on this line any amount of income that you paid back in a subsequent year if that amount meets the following three requirements:

- For federal income tax purposes you claimed either (i) an itemized deduction on Schedule A of your 2016 federal income tax return for the amount repaid OR (ii) a tax credit on your 2016 federal income tax return based upon the amount repaid; AND
- You do not deduct this amount on any other line on your Ohio tax return for this year or any other year; AND
- In the year you received the income, the income did not qualify for either the resident or nonresident/part-year resident credits on your Ohio income tax return.

Line 22 – Wage Expense

Deduct the amount of employer wage and salary expenses that you did not deduct for federal income tax purposes because you instead claimed the federal work opportunity tax credit.

Line 23 – Miscellaneous Federal Deductions

For information about miscellaneous federal tax adjustments, see our Web site at www.tax.ohio.gov/other/Update.aspx.

Line 24 – Military Pay for Ohio Residents

Ohio Revised Code section 5747.01(A)(24) provides that an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio.

Do not deduct on this line any other types of income such as civilian wages, interest, dividends and capital gains.

Note: The Nov. 11, 2009, amendment to the *Servicemembers Civil Relief Act of 2003* described on line 25 **does not apply** to Ohio-domiciled spouses of servicemembers who reside with their spouses outside the state. These spouses are presumed to retain their Ohio domicile.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised Code 5103.20, Article II, Subparagraph (U), that is, it means the military installation where an active duty servicemember – or, concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces – is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed." However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described below, qualify a servicemember for this exemption.

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district – even if the servicemember did not reside in the school district at any time during the taxable year.

Examples of military pay and allowances that **do** qualify for this deduction include the following amounts, but only if the taxpayer receives the amounts while he/she is stationed outside Ohio:

- Military pay and allowances received while a member of the active component of the U.S. armed forces and assigned to a permanent duty station outside Ohio.
- Military pay and allowances received while a member of the active component of the U.S. Armed Forces, who is assigned to a permanent duty station inside Ohio, only for periods of duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of the Ohio National Guard or the reserve components of the U.S. Armed Forces in an active duty status outside Ohio, or for periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of a unit of the Ohio National Guard or the reserve components of the U.S. Armed Forces under federal mobilization orders under which the unit mobilizes for training at a non-Ohio location followed by an operational deployment to any non-Ohio location.
- Military pay and allowances received by cadets at the U.S. service academies, specifically the Military Academy, the Air Force Academy, the Coast Guard Academy and by midshipmen at the Naval Academy. Cadets and midshipmen are serving on active duty under the provisions of 38 United States Code section 101(21) and are eligible for this deduction for the pay they receive while stationed at these facilities to the extent that this pay is included in federal adjusted gross income (Ohio IT 1040, line 1). However, this deduction is not available for pay received for service in the Reserve Officer Training Corps.

Examples of military pay and allowances that do **not** qualify for this deduction are explained in our information release IT 2008-02 entitled "Military Taxpayer Guide to Taxable Income and Deductions," which is available on our Web site at tax.ohio.gov.

Line 25 – Income Earned By Military Nonresidents

The *Servicemembers Civil Relief Act of 2003*, as amended in 2009, is a federal law that provides that a state cannot consider a servicemember or his/her spouse to be a resident or a nonresident simply

because he/she is present in the state – or absent from the state – due to military orders of the servicemember. Additionally, the 2009 amendment to the act provides that the wage and salary income of the nonresident spouse of a servicemember is exempt from the income tax of the state in which the servicemember and spouse are stationed and living, provided that the servicemember and spouse are residents of the same state. Military payroll authorities will generally withhold income tax for the state of legal residence shown on the servicemember's federal DD 2058. A servicemember who had state income tax withheld in error should have the military payroll authorities correct the state of legal residence shown on his/her federal DD 2058. A servicemember's nonresident spouse who had Ohio income tax withheld and who claims exemption under the 2009 amendment to the Servicemembers Civil Relief Act of 2003 should file an Ohio income tax return claiming a refund. Free electronic filing of Ohio income tax forms is available at tax.ohio.gov through our Online Services.

Line 26 – Uniformed Services Retirement Income

Uniformed Services Retirement Income.

Taxpayers who retired from the uniformed services can deduct their military retirement income to the extent that income is not otherwise deducted or excluded in computing federal or Ohio adjusted gross income. "Uniformed services" includes the active or reserve components of the U.S. Army, Navy, Air Force, Marine Corps, Coast Guard and National Guard, and the commissioned corps of both the National Ocean and Atmospheric Administration and the Public Health Service.

Taxpayers who served in the military and receive a federal civil service retirement pension are also eligible for a limited deduction if any portion of their federal retirement pay is based on credit for their military service. These retirees can deduct only the amount of their federal retirement pay that is attributable to their military service.

If you are eligible for this limited deduction, refer to your federal civil service retirement benefit handbook to determine the number of years of your military service. Divide the number of years of military service by the total number of years of combined military service and civilian employment with the U.S. government. Take this fraction and multiply it by the amount of your federal civil service pension you have included on line 1 of this return. The resulting number is the amount of

your federal civil service pension that you can deduct on Ohio Schedule A, line 26.

Example: Included on line 1 of Ohio IT 1040 is \$60,000, which the taxpayer received as a federal civil service pension. The taxpayer has 15 years of military service and 45 years of combined military service and civilian employment with the U.S. government. The fraction is $15/45 = 1/3$. The taxpayer can deduct \$20,000 on line 26: $1/3 \times \$60,000$.

If you do not have your federal civil service retirement handbook, contact the U.S. Office of Personnel Management (OPM) at 1-888-767-6738 or TDD 1-800-878-5707. You can also e-mail OPM at retire@opm.gov or use its Web site at www.opm.gov/retire to request the booklet. It's important that you specify that you want a **replacement** booklet (there are other types). An OPM customer service representative will tell you how much military and total service time you have in your retirement calculation and can mail you a screen print or short form letter with the information.

The military retirement income also applies to such amounts received by the surviving spouse or the former spouse of each military retiree who is receiving payments under the Survivor Benefit Plan.

We may later ask you for a copy of the divorce agreement and federal 1099-R as verification for the deduction. **Note:** Child support receipts, regardless of the source, are not included in federal adjusted gross income, so you cannot deduct these amounts.

Line 27 – Military Injury Relief Fund

Military Injury Relief Fund. Enter on this line military injury relief fund amounts that you reported on Ohio IT 1040, line 1 (federal adjusted gross income).

Line 28 – Ohio National Guard Reimbursements and Benefits

Deduct on line 28 the following amounts, but only if (i) these amounts are in your federal adjusted gross income (Ohio IT 1040, line 1) and (ii) you have not already deducted these amounts elsewhere on Ohio Schedule A:

- Receipt of Ohio Adjutant General-authorized Ohio National Guard reimbursement for group life insurance premiums paid; AND
- Receipt of Ohio Adjutant General-authorized payment of death benefits received as a beneficiary of an active duty member of the Ohio National Guard who died while performing active duty.

Line 29 – Tuition Investments in Ohio CollegeAdvantage Savings Plan

Contribution Deduction. You may deduct purchases of tuition units and contributions to the Ohio Tuition Trust Authority's CollegeAdvantage 529 Savings Plan, up to \$2,000 per beneficiary per year if these amounts do not qualify as a deduction on page 1 of federal 1040. Qualifying purchases exceeding the \$2,000 limitation may be deducted on future years' returns, subject to the annual \$2,000-per-beneficiary limitation. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing jointly or married filing separately. For information on contribution carryovers, see page 20, line 3.

Adjustment for Earnings on Certain Distributions. The earnings portion of distributions from Internal Revenue Code section 529 programs can generally be excluded from federal adjusted gross income if the distribution is used solely to fund qualified higher-education expenses. If the earnings portion of a 2016 distribution from Ohio's CollegeAdvantage program is excluded from federal adjusted gross income (Ohio IT 1040, line 1), then no further adjustment is allowed on line 29.

For federal income tax purposes, however, there are certain situations where, due to the coordination of benefits from an Internal Revenue Code 529 program with other federal tax benefits for higher-education expenses (such as the federal American Opportunity Tax Credit), the earnings on a distribution from the CollegeAdvantage program **that are actually used to pay qualified higher-education expenses** cannot be excluded from federal adjusted gross income. If any portion of the earnings reported to you on your 2016 federal 1099-Q from the CollegeAdvantage program **is used to pay qualified higher-education expenses**, and if because of certain federal tax limitations such earnings are **not** excluded from your federal adjusted gross income, you can exclude such portion by reporting it on line 29.

Adjustment for Distributions at a Loss. If a distribution reported to you on 2016 federal 1099-Q reflects a loss (the earnings in box 2 is negative), you can report this loss on line 29 as a positive number if this loss is not deducted in computing federal adjusted gross income (Ohio IT 1040, line 1).

For more information, call 1-800-AFFORD-IT (1-800-233-6734) or visit the tuition trust Web site at www.collegeadvantage.com.

Line 30 – Portion of Certain College Grants Used To Pay Room and Board

Deduct the federally taxable portion of a federal Pell Grant and/or Ohio College Opportunity Grant used to pay room and board.

You qualify for this deduction if you, your spouse or your dependent was a student enrolled in a post-secondary educational institution, used a portion of a Pell Grant and/or an Ohio College Opportunity Grant to pay room and board expenses, and this portion was included in your federal adjusted gross income. The room and board, including meal plans, must have been furnished at the facilities of the educational institution for which the grant was awarded. See the worksheet below.

Line 31 – Disability and Survivorship Benefits

You **may** deduct the following:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. **Note:** The disability must be (or presumed to be) permanent.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

You **may not** deduct the following:

- Payments that otherwise qualify as retirement or pension benefits. Upon reaching your plan's minimum retirement age, the disability benefits received under that plan become retirement or pension benefits and are no longer deductible as disability or survivorship. If you are uncertain of the minimum retirement age under your plan, contact your plan administrator for this information.
- Temporary wage-continuation plans.
- Payments for temporary illnesses or injuries (for example, sick pay provided by an employer or third party).

See Ohio Administrative Code (Ohio Rule) 5703-7-08 on our Web site at tax.ohio.gov.

Line 32 – Unreimbursed Long-Term Care Insurance Premiums, Unsubsidized Health Care Insurance Premiums and Excess Health Care Expenses

There are several deductions for unreimbursed medical expenses:

- Excess medical care expenses and subsidized medical care insurance premiums for dental, vision and health;
- Unsubsidized medical care insurance premiums for dental, vision and health;

- Unsubsidized long-term care insurance premiums; AND
- Accident and health insurance premiums paid for qualifying dependent relatives.

Note: Unsubsidized medical care insurance includes amounts under the Affordable Care Act even if the taxpayer receives a federal subsidy for purchasing it.

Line 1

Select on line 1 of the worksheet on page 25 your eligibility status to participate in any subsidized health plan/Medicare.

A subsidized health plan is a plan for which your current or former employer or your spouse's current or former employer pays for any part of the plan's costs and reimburses you or your spouse for any portion of the plan's cost. Most people who receive wage or salary income from an employer participate in one or more subsidized plans; such plans are not unsubsidized health plans. If you are participating in a subsidized health plan, pre-tax premiums may be reflected on your pay stub or W-2, box 12. If you are unsure, check with your employer. If you were not eligible to participate in a subsidized plan for any part of the year, check box B on line 1. Otherwise, check box A or C. See Note 1 on the worksheet.

Line 2

Enter on line 2 of the worksheet the costs for qualifying medical care expenses. Some examples of qualifying expenses include unreimbursed costs for the following:

- Prescription medicine or insulin;
- Hospital costs and nursing care;
- Medical, dental and vision examinations

and treatment by a certified health professional;

- Eyeglasses, hearing aids, braces, crutches and wheelchairs; AND
- Subsidized premiums for medical care insurance, to include Medicare premiums and supplemental Medicare insurance.

Refer to IRS publication 502 for allowable items and expenses.

Example 1: Sue has a health care insurance plan through her employer. The health care insurance premium for this coverage is \$265 every two weeks, of which \$100 is deducted from Sue's post-tax pay and \$165 is paid by her employer. The taxpayer can include on line 2 of the worksheet the \$100 insurance premiums that she paid.

Line 2a – Unsubsidized Medical Care Insurance Premiums

If you were eligible to participate in a subsidized health care plan, enter on line 2a of the worksheet the costs for unsubsidized medical care insurance premiums you paid for dental, vision and health insurance for you, your spouse and dependents. If you or your spouse were eligible to participate in a subsidized plan for part of the year, enter on this line the unsubsidized premiums for the portion of the year during which you or your spouse were eligible to participate in a Medicare and/or a subsidized health insurance plan.

Note: You must reduce the unsubsidized medical care insurance premium amount you enter on line 2a of the worksheet by the amount of the self-employed health insurance deduction that you claimed on federal 1040, line 29.

Example 1: Sue has a health care insurance plan through her employer. She has \$50 deducted from her paycheck (post-tax) each month to pay for her portion of her health care insurance premium costs. Her employer contributes \$450 each month toward the health care insurance premium costs that total \$500 each month. This is a subsidized plan, so Sue is not participating in an unsubsidized health care insurance plan. Sue cannot use her \$50 monthly payment on line 2a of the worksheet below, but she can include this amount on line 2.

Example 2: Sue is retired and qualifies for Medicare for the entire year. She pays \$50 each month for unsubsidized supplemental health insurance and \$20 each month for Medicare B premiums. Sue can include her \$50 monthly premium payments on line 2a of the worksheet as she is eligible for a

subsidized plan through Medicare; Also, on line 2 she can include the \$20 Medicare B premium payments amounts.

Note: If you are eligible for Medicare coverage, you can use line 2a of the worksheet to report any unsubsidized medical care insurance premiums paid while you were eligible for Medicare coverage.

Example 3: From Jan. 1 through June 30, Sue paid unsubsidized medical care insurance premiums. Sue became eligible for Medicare on July 1. On that same day, she begins to pay Medicare Part B premiums and \$50 of supplemental medical care insurance premiums each month. Sue can claim her unsubsidized medical care insurance premiums paid Jan. 1 through June 30 on line 8. Sue can also claim her supplemental medical care premiums paid from July 1

through Dec. 31 on line 2a of the worksheet and her Medicare Part B premiums on line 2.

Note 2: Do not enter any amounts on line 7 that are included on lines 2, 2a, 8 or 9.

Line 9 – Accident and Health Insurance Plan and Medical Expense Reimbursement for Qualifying Relatives

You may be able to take a deduction for contributions made by your employer for accident and health insurance for "qualifying relatives." You are permitted to deduct income included in your federal adjusted gross income on the basis of an employer-paid plan covering a "qualifying relative." See the definition below of a qualifying relative for this deduction.

You are also permitted to deduct amounts received as an employee through an accident and health insurance plan that are paid, directly or indirectly, to you to reimburse you for expenses incurred for the medical care of the same qualifying relatives. See the definition below of a qualifying relative for this deduction.

This deduction is only available for "qualifying relatives" who are not eligible to participate in any subsidized medical care insurance plan offered by their employer and who are not eligible for Medicare or Medicaid. A subsidized health insurance plan is a plan where your employer, your spouse's employer, a retirement plan or Medicare pays any portion of the total premium for health insurance coverage. The deduction is not available to self-employed taxpayers because such taxpayers deduct all of their family accident and health insurance premiums on federal 1040 before arriving at federal adjusted gross income.

If you answer "Yes" to either question below, you are not eligible to take these deductions:

1. Did you claim the self-employed health insurance deduction on federal 1040, line 29? Yes No
2. During the year, was your qualifying relative eligible for medical care coverage through Medicare or Medicaid? Yes No

For line 9 of the worksheet only, the definition of "qualifying relative" is expanded to include those who would be a qualifying relative under the Internal Revenue Code definition, without regard to the gross income test or the support test. For purposes of this deduction only, a "qualifying relative" is a citizen or national of the United States or a resident of the United States, Mexico or Canada that also bears one of the following relationships to the taxpayer:

- A child or a descendent of a child.
- A brother, sister, stepbrother or stepsister.
- The father or mother, or an ancestor of either.
- A stepfather or stepmother.
- A son or daughter of a brother or sister of the taxpayer.

- A brother or sister of the father or mother of the taxpayer.
- A son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law.
- An individual (other than an individual who at any time during the taxable year was the spouse of the taxpayer) who, for the taxable year of the taxpayer, has the same principal place of abode as the taxpayer and is a member of the taxpayer's household.

Below are a few examples of a taxpayer who can or cannot take this deduction:

Example 1: Sue, who is a self-employed independent contractor, purchases an accident and health insurance plan for herself, her husband and her 25-year-old daughter. Sue is a sole proprietor and earns a net profit of \$100,000. She pays accident and health insurance premiums of \$10,000 a year. The company does not offer health insurance coverage for her employees. Her daughter works with her and is paid an annual salary of \$25,000, lives in her own home and is self-supporting. Sue cannot include the \$10,000 on line 9 of the worksheet because she took the deduction on line 29 of the federal return for health insurance premiums paid by self-employed individuals. For additional information, visit the Ohio Department of Insurance's Web site at www.insurance.ohio.gov.

Example 2: Sue's employer offers a health insurance plan that offers coverage for children up to the age of 29. Sue enrolls in coverage to cover her 28-year-old son. Sue's son earns \$25,000 per year, lives on his own and pays for his own support. Sue's son is not eligible for any subsidized health plan through his employer, nor is he eligible for Medicare or Medicaid. Sue's employer pays \$5,000 in health insurance premiums on behalf of her son. Under federal law, Sue's son is not a dependent because he fails to meet the income and support test of a qualifying relative. Thus, the \$5,000 paid on behalf of Sue's son is imputed as income and included in her federal adjusted gross income. However, in Ohio, Sue can deduct the \$5,000 from gross income on line 9 of the worksheet because her son meets the definition of a qualifying relative and thus qualifies for this deduction.

Line 33 – Medical Savings Account

You may be able to deduct the amount of funds you deposited into a medical savings account. If filing a joint return, your spouse may also be able to deduct his/her funds deposited into his/her medical savings account. For 2016 the maximum amount of

deposited funds you may be able to deduct is \$4,636. If filing a joint return, each spouse may deduct up to \$4,636 of funds deposited into his/her account for a maximum joint deduction of \$9,272. Any investment income or interest earned on the funds deposited into a medical savings account is also deductible **if the income or interest is included in your federal adjusted gross income** (Ohio IT 1040, line 1). **Note:** You must reduce the amount of this deduction by any amount that you claimed on your federal 1040, line 25.

To determine if you are eligible for this deduction, complete the medical savings account worksheet on page 20. For further information, see "What Is a Medical Savings Account and What Are the Qualifications?" on page 12.

Example: Bob and Sue file a joint tax return. Bob contributed \$2,000 to his medical savings account while Sue contributed \$5,000 to hers. Bob's account earned \$120 in interest and Sue's earned \$300, which were included in their federal adjusted gross income. These amounts are not deductible in arriving at federal adjusted income. They are entitled to a medical savings account deduction of \$7,056 (\$2,000 for Bob's contribution, \$4,636 for Sue's contribution and the combined interest income of \$420).

Line 34 – Qualified Organ Donor Expenses

Deduct on this line up to \$10,000 of qualified organ donation expenses you incurred during the taxable year. If your filing status is married filing jointly, each of you can deduct on this line up to \$10,000 of qualified organ donation expenses you each incurred during the taxable year. "Qualified organ donation expenses" means unreimbursed travel and lodging expenses that you incur in connection with your donation, to another human being, of your human liver, pancreas, kidney, intestine, lung or any portion of your human bone marrow.

You can claim this deduction only once for all taxable years. If you claim the deduction for this year, you cannot claim this deduction in any subsequent year. If your filing status is married filing jointly and if you and your spouse both claim the deduction for this year, both you and your spouse cannot claim this deduction in any subsequent year. However, if your filing status is married filing jointly but only one spouse claims this deduction for this year, the other spouse can claim the deduction in a subsequent year, regardless of the spouse's filing status in that subsequent year.

Ohio Schedule of Credits

Read the line instructions on pages 27-32 if you claim any credits on Ohio IT 1040, line 9 and/or line 16.

Nonrefundable

Line 2 – Retirement Income Credit

To qualify for the Ohio retirement income credit, you **must** meet all of the following:

- Your Ohio income tax base (Ohio IT 1040, line 5) is less than \$100,000; AND
- You received retirement benefits, annuities or distributions that were made from a pension, retirement or profit-sharing plan; AND
- You received this income because you have retired; AND
- This income is included in your adjusted gross income on Ohio IT 1040, line 3.

Note: Social Security and certain railroad retirement benefits required to be shown on Ohio Schedule A, line 14, and uniformed services retirement income required to be shown on Ohio Schedule A, line 26, do **not** qualify for this credit.

The Amount of the Credit is as Follows:

Amount of qualifying retirement income during the taxable year:	Line 2 retirement income credit for taxable year:
\$500 or less.....	\$0
\$501 – \$1,500	\$25
\$1,501 – \$3,000	\$50
\$3,001 – \$5,000	\$80
\$5,001 – \$8,000	\$130
More than \$8,000	\$200

The Maximum Credit Per Return is \$200.

If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table above.

If the taxpayer has previously taken a lump sum retirement income credit, they cannot take the retirement income credit on this year's return or any future year's return to which this taxpayer is a party.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on federal form W-2 qualify for this credit **only** if the amounts are paid under a retirement plan.

Example: Bob and Sue are retired and file a joint return. Bob has \$5,000 in qualifying retirement income included in adjusted gross income on Ohio IT 1040, line 3. Sue has \$2,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. The total of the two qualifying retirement incomes is \$7,000. The table at left shows a credit of \$130 for retirement income of more than \$5,000, but not more than \$8,000. They are entitled to claim on Ohio Schedule of Credits, line 2, an Ohio retirement income credit of \$130.

Line 3 – Lump Sum Retirement Credit

To be eligible for this credit, your Ohio income tax base (Ohio IT 1040, line 5) must be less than \$100,000. Lump sum distributions that you received on account of retirement from a qualified retirement plan may qualify for the lump sum retirement credit. A lump sum distribution is one where you receive your entire balance from a qualified pension, retirement or profit-sharing plan during one taxable year.

If you take this credit, you cannot take the retirement income credit on this year's return or on any future year return to which this taxpayer is a party. For more information on lump sum distribution and lump sum retirement credits, see Ohio LS WKS, page 1, which is available on our Web site at tax.ohio.gov.

Note 1: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on federal W-2 do **not** qualify for this credit.

Note 2: Distributions from university retirement plans and from government-sponsored deferred compensation plans do **not** qualify for this credit because these plans are not described in Internal Revenue Code section 401(a).

Line 4 – Senior Citizen Credit

To be eligible for this credit, your Ohio income tax base (Ohio IT 1040, line 5) must be less than \$100,000. You can claim a \$50 credit if you were 65 or older before Jan. 1, 2017. If you are filing a joint return, **only one credit of \$50 is allowed** even if you and your spouse are both 65 or older.

If you take or have previously taken the lump sum distribution credit, you cannot take the \$50 senior citizen credit on this year's return or any future year's return.

Line 5 – Lump Sum Distribution Credit

To be eligible for this credit, your Ohio income tax base (Ohio IT 1040, line 5) must be less than \$100,000. This credit is available only to individuals 65 or older before Jan. 1, 2017. If you received a lump sum distribution from a pension, retirement or profit-sharing plan, whether on account of retirement or separation from employment, and if you are 65 or older, you may be able to take advantage of a special tax treatment that uses the \$50 senior citizen tax credit multiplied by your expected remaining life years.

If the answers to questions 1 through 6 below are all "Yes," you can claim the lump sum distribution credit. If you answer "No" to any of the questions, you do not qualify for this credit.

1. Were you 65 or older before Jan. 1, 2017?
2. Was the lump sum distributed from a qualified employee benefit plan (pension, profit-sharing, stock bonus, Keogh, Internal Revenue Code 401(k), STRS, PERS, SERS, etc.)?
3. Was the distribution made from all of the employer's qualified plans of one kind in which the employee had funds?
4. Was the distribution for the full amount credited to the employee?
5. Was the distribution paid within a single taxable year?
6. Was the distribution made because the employee died, quit, retired, or was laid off or fired?

If you take this credit, you cannot take the \$50 senior citizen's credit on this year's return or on any future year return to which this taxpayer is a party. For more information, see Ohio LS WKS, page 2, which is available on our Web site at tax.ohio.gov.

Note 1: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on federal W-2 do **not** qualify for this credit.

Note 2: Distributions from university retirement plans and from government-sponsored deferred compensation plans do **not** qualify for this credit because these plans are not described in Internal Revenue Code section 401(a).

Line 6 – Child Care and Dependent Care Credit

If your adjusted gross income (Ohio IT 1040, line 3) is less than \$40,000 and if you made payments that qualified for the federal child care and/or dependent care credit, you are entitled to this credit. Complete the worksheet below to calculate the amount of credit that you may claim.

Line 8 – Displaced Worker Training Credit

Ohio law provides a \$500 maximum credit per taxpayer for amounts you pay for qualified displaced worker training during the 12-month period after you lose your job. Qualified training is job training or education that improves your ability to perform a new job after you have lost your previous job. Displaced worker training includes apprenticeships, internships and educational classes.

It does **not** include amounts paid for computer purchases or upgrades, professional organizational fees, meals, mileage, transportation or outplacement firms that help you to develop skills to find a new job – for example, career planning, profile analysis, skills assessment, resume writing, marketing action plan, etc. – that are paid in one's endeavor to find a new job. These training classes are not to improve the skills that one would use in performing the functions or tasks associated with a new job. Complete the worksheet below.

Line 9 – Ohio Political Contributions Credit

You can claim a credit against your tax for monetary contributions you made during the year to the campaign committee of candidates for any of the following Ohio offices:

- Governor
- Lieutenant governor
- Secretary of state
- Auditor of state
- Treasurer of state
- Attorney general
- Chief justice of the Ohio Supreme Court
- Justice of the Ohio Supreme Court
- Ohio Board of Education
- Ohio Senate
- Ohio House of Representatives

The amount of the credit is the lesser of the combined total cash contributions you made during the year or \$50 (\$100 for married filing joint returns).

Line 10 – Exemption Credit

The \$20 personal and dependent exemption credit is only available to taxpayers with Ohio income tax base of less than \$30,000. Ohio income tax base is defined as Ohio adjusted gross income less exemptions. If Ohio income tax base is less than \$30,000, multiply your total number of personal and dependent exemptions by \$20 and enter on Ohio Schedule of Credits, line 10.

Line 13 – Joint Filing Credit

To qualify for this credit, you and your spouse must each have qualifying Ohio adjusted gross income of at least \$500 after you have figured your Ohio Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, uniformed services retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650 (see the following examples).

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on Ohio Schedule A, line 13, and

is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500 or more not deducted on Ohio Schedule A, he and Sue would qualify for the credit.

If you **do not** qualify for the joint filing credit, enter -0- on Ohio Schedule of Credits, line 13.

If you **do** qualify for the joint filing credit, calculate it this way:

If Ohio income tax base (IT 1040, line 5) is:	Your credit is:
\$25,000 or less.....	20% of line 12
More than \$25,000, but not more than \$50,000	15% of line 12
More than \$50,000, but not more than \$75,000	10% of line 12
More than \$75,000	5% of line 12
This credit is limited to a maximum of \$650.	

Example 2: If your Ohio income tax base (Ohio IT 1040, line 5) is \$20,000 and the amount on line 12 is \$303, then the joint filing credit will be \$61:

$$\begin{array}{r} \$303 - \text{from line 12} \\ \times .20 - \text{from table above} \\ \hline \end{array}$$

Joint filing credit = \$61 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you **must** include with the return a separate statement explaining the income that qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in adjusted gross income (Ohio IT 1040, line 3) in order to take the joint filing credit.

Line 14 – Earned Income Credit

A nonrefundable earned income credit is available for taxpayers who were eligible for the federal earned income tax credit (EITC) on their federal tax returns. The Ohio earned income credit is equal to 10% of the taxpayer's federal EITC.

However, if the taxpayer's Ohio income tax base (Ohio adjusted gross income less exemptions) exceeds \$20,000 on either an individual or joint tax return, then the credit is limited to 50% of the tax otherwise due after deducting all other credits that precede the credit except for the joint filing credit. See the worksheet on page 30.

Line 15 – Ohio Adoption Credit

You can claim a credit against your tax if you adopted a minor child (under 18 years of age) during the taxable year. The amount of the credit for each minor child legally adopted by the taxpayer shall equal the greater of the following:

1. \$1,500 (one-thousand five-hundred dollars);
2. The amount of expenses incurred by the taxpayer and the taxpayer's spouse to legally adopt the child, not to exceed \$10,000 (ten-thousand dollars). For the purposes of this division, expenses incurred to legally adopt a child include expenses described in Ohio Revised Code section 3107.055, division (C).

This is a one-time credit per child. Any unused amounts can be carried forward for up to five years. The adoption must be final and recognizable under Ohio law in the year for which you first claim the credit. "Legally adopt" does not include the adoption of a minor child by the child's stepparent.

Line 16 – Job Retention Credit, Nonrefundable Portion

Administered by the Ohio Tax Credit Authority through the Ohio Development Services Agency, the nonrefundable portion of the job retention credit applies to "eligible businesses" that commit to a substantial capital investment project that will retain jobs in Ohio. In consideration of an eligible business' commitment to acquire, construct, renovate or repair buildings, machinery or equipment, or conduct basic research and new product development at the Ohio project site, the authority will grant a tax credit equal to a percent of the Ohio income tax withheld from the taxpayer's employees at the project site over the term of the credit.

An "eligible business" must apply to the authority for review and approval of the taxpayer's proposed capital investment project. Following the authority's approval of the taxpayer's project, the eligible business and the authority can enter a tax credit agreement. While the particulars can vary from agreement to agreement, depending on the number of full-time equivalent employees at the project and the value of the project, the credit cannot exceed 75% of the tax withheld, and the credit term is limited to 15 years. The taxpayer must maintain operations at the project site for the greater of (a) the term of the credit plus three years, or (b) seven years.

For each taxable year for which the taxpayer claims the credit, the taxpayer

is required to submit a copy of the Ohio Development Services Agency's certificate of verification with the taxpayer's tax report. However, failure to submit a copy of the certificate with the report does not invalidate a claim for the credit if the taxpayer submits a copy of the certificate to the commissioner within 60 days after the commissioner requests it.

A pass-through entity will generally claim this credit as a credit against the pass-through entity's commercial activity tax (CAT) liability. Nevertheless, a pass-through entity can make an irrevocable election to pass the credit to its owners. If the pass-through entity makes the election, those owners that are individuals can claim their share of the credit against either their CAT liability on a stand-alone basis or against their Ohio individual income tax liability. See Ohio Revised Code sections 122.171(I) and 5747.058(B).

For additional information please contact the Ohio Development Services Agency's Office of Grants and Tax Incentives at (614) 466-4551 or (800) 848-1300.

Line 17 – Credit for New Employee in an Enterprise Zone

An employer that is complying with an enterprise zone agreement under Ohio Revised Code (R.C.) sections 5709.62 and 5709.63 and that has not closed or reduced employment at any place of business in Ohio within the previous 12 months may apply to the director of the Ohio Development Services Agency for an "employee tax credit certificate" for each "eligible new employee," which the employer hires after June 30, 1994 at the facility to which the enterprise zone agreement applies.

An employer that receives a tax credit certificate for an eligible employee may claim a \$1,000 nonrefundable credit for each taxable year covered under the enterprise zone agreement during which the employer employs the eligible new employee. If an eligible employee is employed for less than the employer's full taxable year, the taxpayer's credit is proportionately reduced. See R.C. section 5709.66(B)(1).

An "eligible employee" is a new employee at the facility to which the enterprise zone agreement applies who at the time hired was a recipient of aid to dependent children or general assistance and who resided for at least one year in the county in which the facility is located. See R.C. section 5709.66(B)(2)(a).

Important: Taxpayers who claim this credit should maintain for four years a supporting schedule that provides the following information for **each** eligible employee for which an employee tax credit certificate is received from the director of the Ohio Development Services Agency: (a) name of employee, (b) date hired (and date of termination of employment if applicable) and (c) amount of credit claimed. If a taxpayer claims the R.C. section 5709.66 enterprise zone new employee tax credit with respect to an employee, the taxpayer may not claim the R.C. section 122.17 new jobs refundable credit with respect to that employee. See R.C. sections 5709.66(B)(2)(b)(i) and 122.17(A).

The employer calculates the credit. If the employer is a pass-through entity, each investor in the pass-through entity may claim a proportionate share of the credit. Unused credit amounts may be carried forward for three taxable years following the taxable year in which the credit is generated.

Line 18 – Credit for Purchases of Grape Production Property

Grape producers may claim a credit equal to 10% of the cost of purchasing and installing or constructing qualifying property. Qualifying property is any property, plant or equipment used in growing, harvesting or producing grapes in Ohio. The credit is subject to recapture if the taxpayer disposes of the property or ceases to use it as qualifying property within seven years after placing it in operation. If the producer is a pass-through entity, each investor in the pass-through entity may claim a proportionate share of the credit. Unused credit amounts may be carried forward for seven taxable years following the taxable year in which the credit is generated. After that time the unused portion of the credit expires.

Line 19 – Invest Ohio Credit

InvestOhio provides a nonrefundable personal income tax credit to investors that infuse new equity (cash) into Ohio small businesses to acquire an ownership interest in the company. The small business is required to reinvest that infusion of cash into one of five categories of allowable expenses within six months of its receipt. The investor must retain his or her ownership interest for a two-year holding period before the tax credit may be claimed. The small business must similarly retain the property that it purchased from the cash infusion for the entire two-year holding period.

The Ohio Development Services Agency administers this program in collaboration with the Ohio Department of Taxation. For more information, go to http://development.ohio.gov/bs/bs_invest_ohio.htm.

The amount of the credit for a taxable year shall not exceed \$150,000. No taxpayer is eligible to claim this credit unless they have obtained a certificate issued by the Ohio Development Services Agency and submits a copy with the tax return filing for that taxable year. Do **not** include on this line pass-through entity distributive shares of income allocated or apportioned to Ohio.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on your W-2(s) should **not** be included on this line to the extent that such amounts are based upon employment or previous employment within Ohio. Do not include on this line any severance pay, termination pay, final pay or "golden parachute" amounts if you (i) earned in Ohio any portion of such amounts and/or (ii) were employed in Ohio by the payor or the payor's affiliate prior to or at the time of your receipt of such amounts.

Limitation: Do **not** include income for which you have directly or indirectly deducted, or were entitled to deduct in computing federal adjusted gross income. Unpaid Use (Sales) Tax Explanation and Instructions for Ohio IT 1040

TIP: This line will be -0- if you made no catalog, Internet or out-of-state purchases. If you do have catalog, Internet or out-of-state purchases, many out-of-state retailers already collect use (sales) tax on your purchase. Your receipt will show it as a sales tax amount. If the retailer charges you sales tax on your purchase, you do **not** have to use the Ohio income tax return to pay additional use tax to Ohio.

Use Ohio IT 1040, line 12, to report the amount of use (sales) tax (if any) on out-of-state purchases that you made if you used, stored or consumed in Ohio the item or service you purchased (for example, Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and for which you paid **no** sales tax on such purchase(s). **Complete the use tax worksheet on page 34 to determine if you owe this tax.**

Note: Any unpaid portion of the Ohio use tax is subject to collection, including penalty and interest. If you previously paid your Ohio use tax by filing Ohio VP USE, then you do not have to report the use tax on Ohio IT 1040, line 12.

Ohio's Use Tax

Ohio's use tax has been part of our tax laws since 1936. The use tax rate is equal to the sales tax rate in your county. Every state with a sales tax also has a companion use tax. The use tax laws were passed to

eliminate the disadvantage to Ohio retailers when Ohio shoppers buy from out-of-state sellers who do not collect Ohio sales tax.

Who Benefits From the Tax?

- ✓ **You and Our Schools:** One-third of Ohio's sales and use tax supports our elementary and secondary schools. The remaining two-thirds pays for state services – higher education, parks, public safety, etc.
- ✓ **County Governments and Transit Authorities:** The sales and use tax is the largest source of financing for the local criminal justice system and public transportation systems.
- ✓ **Ohio Retailers:** The use tax protects Ohio jobs and helps Ohio retailers by keeping prices competitive with out-of-state merchants who don't collect sales tax.

Can You Give Me an Example?

If you buy a taxable item or service from an out-of-state retailer and pay no sales tax, Ohio requires you to pay the Ohio use tax if you will use, store or consume the item or service in Ohio. The use tax applies when you buy from catalog or Internet retailers. The use tax rate is equal to the sales tax rate in the Ohio county where you will use, store or consume the item or service.

Example: Rita lives in Tuscarawas County. She orders a new bedspread from the Cata-

log Linen Company based in New York. The price is \$125. The catalog company collects no sales tax. Rita is liable for paying Ohio's use tax:

Taxable purchase: \$125

Ohio + Tuscarawas County use tax rate
= 6.75%

Use tax: \$125 x .0675 = **\$8.44**

**Round this \$8.44 use tax amount
to the nearest whole dollar: \$8**

**Rita would enter \$8 on Ohio IT 1040,
line 12.**

What if I Have Already Paid Tax on My Out-of-State Purchase?

If you previously paid to another state sales tax on the purchase or if you have previously paid your Ohio use tax by filing Ohio VP USE, then you do not have to report on Ohio IT 1040, line 12, any use tax on that purchase.

I Owe Ohio Use Tax – How Do I Pay It?

You can pay your use tax when you file your Ohio income tax return. Complete the worksheet on page 34.

If you do not have to file an Ohio income tax return (see page 10) but you owe Ohio use tax, you must file Ohio VP USE to pay the tax. This form is on our Web site at tax.ohio.gov.

School District Income Tax Instructions

General Information for the SD 100

Do I Have To File a School District Income Tax Return?

No, if ...

- ▶ you were not a resident of a school district with an income tax in effect during 2016; AND
- ▶ you had no school district income tax withheld.

Yes, if ...

- ▶ you were a resident of a school district with an income tax in effect for 2016 and either (i) had any income for a **traditional** tax base school district or (ii) had earned income for an **earned income** tax base school district (see "Tax Type" discussion below). Taxpayers residing in **traditional** tax base school districts must file the SD 100 even if none of their income is subject to the tax; OR
- ▶ you received a W-2 with **erroneous school district withholding tax** taken out of your pay for 2016. If you are not liable for school district income tax, but had school district tax withheld in error, you must complete an SD 100 for that school district number in order to request a refund. If you are liable for tax in one school district, but you had withholding tax taken for another school district, you must file **separate** SD 100 returns under each school district number (see listings on pages 56-57).

Tax Type

Traditional Tax Base School District Method – Ohio Revised Code sections 5748.01(E)(1)(a) and 5748.01(E)(2) pro-

vide that the voters in each school district can vote to enact a school district income tax based upon income and deductions shown on the Ohio income tax return. Under these provisions of the law, individuals pay the school district income tax based upon Ohio income tax base (Ohio adjusted gross income less the exemption amount) as shown on Ohio IT 1040, line 5 and estates pay the school district income tax based upon Ohio taxable income as shown on Ohio IT 1041, line 3. Taxpayers filing an Ohio income tax return and residing in **traditional** tax base school districts must file the SD 100 even if none of their income is subject to the tax.

Earned Income Tax Base School District Method – Ohio Revised Code section 5748.01(E)(1)(b) provides that voters in a school district can approve a school district income tax that will apply only to individuals – not to estates – and will apply only to each individual's earned income without any deductions. This method of taxation is an alternative to the **traditional** tax base school district method. For a listing of **earned income** tax base school districts, see page 56.

"Earned income" is defined as wages, salaries, tips, other employee compensation, and self-employment income from sole proprietorships and partnerships to the extent included in Ohio adjusted gross income.

Under this alternative tax base, each taxpayer in the **earned income** tax base school district does **not** pay school district

income tax on any other types of income such as retirement income, unemployment compensation, Worker's Compensation, lottery winnings, interest, dividends, capital gains, profit from rental activities, distributive shares of profit from S corporations, alimony received, distributions from trusts and estates and all other types of income that are not earned income, but that are part of Ohio adjusted gross income.

Taxpayers in **earned income** tax base school districts cannot claim any deductions such as the alimony paid deduction or the capital loss deduction. In addition to these limitations, taxpayers in the **earned income** tax base school districts are not allowed a deduction for personal or dependency exemptions.

I Don't File an Ohio Income Tax Return. Must I File an SD 100?

Yes, if you have a school district tax liability. To determine this liability, you should start with what your Ohio taxable income would be if you were filing an Ohio income tax return. Then, if you show an amount on the SD 100, line 6 you must file the school district income tax return.

I'm Retired. Am I Liable for School District Tax?

Yes, if you show any amount of tax on the SD 100, line 6. Note that taxpayers who are 65 or older before Jan. 1, 2017 may claim on line 3 a senior citizen credit of \$50 **per return**.

Are My Children Liable for the School District Tax?

Your children are liable if they have school district taxable income (see the SD 100, line 1). There is no age limit.

Filing Due Date

- Generally, you must file this return and make all payments by April 18, 2017. If you choose a paperless method and use direct deposit, most likely you will receive your refund in approximately 15 business days.
- For due date exceptions that may apply, see "I Can't File My SD 100..." and "I'm Not Able to Pay..." below.
- If you were in a combat zone, see "Income Taxes and the Military" on page 13.

Can I e-File My School District Return?

Yes. Residents, part-year residents and nonresidents of the school district for which you are filing may e-File. You also must file an electronic Ohio income tax return at the same time.

I Can't File My SD 100 By April 18, 2017. Can I Get an Extension?

Yes, if you have an extension of time **to file** your federal 1040, 1040A or 1040EZ. Ohio does not have its own extension request form, but honors the federal extension of time to file. When you file the SD 100, you must include a copy of your federal extension or extension confirmation number. However, there is no extension of time for **paying** your tax. You will owe interest and penalty on any payment you make after April 18, 2017.

Exception to the General Rule: Certain members of the military have an extended time to pay as well as an extended time to file. For more information see "Income Taxes and the Military" on page 13.

I'm Not Able To Pay By April 18, 2017. What Should I Do?

By law all tax is due on this date except for certain members of the military (see "Exception to the General Rule" above). Whatever amount you pay by the required due date will reduce the amount of interest and late-payment penalty you will be charged. Even if you are unable to pay the full amount of tax, you **must** file your return by the due date.

Do I Owe Penalties and Interest?

A **failure-to-file** penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to **file** your Ohio school district income tax return by the due date.

A **failure-to-pay** penalty of double the interest charged generally will apply if you do not **pay** the tax by April 18, 2017.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 13), interest is due from April 19, 2017 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** your refund, if any, is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2017 is 4%.

How Can I Be Sure of the School District in Which I Live or Am Domiciled?

If you are not sure of the school district in which you live, the Ohio Department of Taxation has an online resource called **The Finder** to assist you. Instructions for using The Finder are on page 43.

I Lived or Was Domiciled Only Part-Year in a Taxable School District. What Must I Do?

You must file the SD 100 for each taxing school district in which you lived during the year.

What if I Am a Part-Year Resident or a Part-Year Domiciliary of Two Taxing School Districts?

You must file a separate SD 100 for **each** taxing school district. Be sure to include the correct school district number on each return.

Can I Apply My Refund Against Any Other Balance Due?

No. You can't apply a refund against any of the following:

- A balance due for another school district's tax;
- A school district tax that has expired;
- Another person's tax;

- Any prior year's tax; OR
- Your Ohio individual income tax.

What If I Received a W-2 With School District Income Tax Withheld, But I Am Not Domiciled in a School District With a Tax?

You are not subject to the school district income tax. In order to get a full refund of the school district income tax withheld for a school district in which you were not domiciled at any time during the year, you must complete the SD 100.

On the front page of the return be sure to (i) enter in the boxes provided the school district number shown on your W-2(s) and (ii) check the "full-year nonresident" box.

If school district income tax was withheld for a **traditional** tax base school district (see listings on pages 56-57), complete the SD 100, Schedule A (lines 19-23). Complete lines 19 and 21, and enter on line 22 the same amount that you entered on line 21. Then enter a -0- on line 23 and on lines 1, 2, 4, 5 and 6. Enter the amount of school district income tax withheld on lines 7, 10, 12, 16 and 18.

If school district income tax was withheld for an **earned income** tax base school district (see listings on page 56-57), complete the SD 100, Schedule B (lines 24-27) by entering a -0- on lines 24, 25 and 27. Then enter a -0- on lines 1, 2, 4, 5 and 6. Enter the amount of school district income tax withheld on lines 7, 10, 12, 16 and 18.

When you mail us your return, you must include a copy of the W-2(s) showing the school district income tax withheld for the school district number that you entered in the boxes in the upper right-hand corner on page 1 of your return.

My W-2 Does Not Show My School District Withholding. What Should I Do?

You should ask your employer for either a corrected W-2 or a letter showing both the school district withholding amount and the four-digit school district number.

What Should I Do If My Employer Is Not Withholding Enough Tax or Any Tax?

Employer withholding requirements are found in Ohio Revised Code section 5747.06(E). If your employer is not withholding either enough or any school district income tax and you will owe combined state and school district income tax of at

least \$500, you are required to file a school district estimated income tax voucher (SD 100ES), which is on our Web site at tax.ohio.gov.

If your employer is not withholding **any** tax, provide us with the facts in writing along with a copy of last year's W-2 (if you were with the employer then) and submit them to Employer Withholding Unit, P.O. Box 2476, Columbus, OH 43216-2476.

How to Complete the 2016 SD 100

The 2016 SD 100 has been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

1. Use black ink **ONLY**.
2. Use this form **ONLY** for the taxable year **2016**.
3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes at the far right of the return, which designate cents (.00).
4. Print your numbers and letters (**UPPER-CASE only**) inside the boxes as shown below:

1	2	3				A	N	Y		S	T	R	E	E	T
---	---	---	--	--	--	---	---	---	--	---	---	---	---	---	---

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Name(s), Address and SSN(s). Enter your name and address on page 1 and your SSN on pages 1 and 2 of your return (if married filing jointly, also enter your spouse's name and SSN on page 1).

Ohio School District Number: Enter the school district number for which you are filing this return in the school district number box in the upper right-hand corner on page 1 of the return and in the school district number box at the top of page 2 of the return. Pages 56-57 list each taxing school district and its school district number.

School District Domicile: Check the appropriate box ("full-year resident," "part-year resident" or "full-year nonresident") for the school district number that you have indicated on the return.

Do Both Married Filing Jointly Taxpayers Have To Sign the Return?

Both married filing jointly spouses must sign unless one of the spouses was not domiciled in the school district for the entire year. In this case the nondomiciled, married filing jointly spouse does not have to sign.

Preparer's Name

The Ohio Department of Taxation follows federal Notice 2004-54. For more information, see the section entitled "Does Ohio Follow the Alternative Preparer Signature Procedures?" on page 10.

Preparers should provide PTIN on the paper and/or electronically filed returns if available.

How Do I Correct My SD 100 After I Have Already Filed?

Make any corrections to your return by filing an amended school district income tax return for the year that you are correcting. Mark "yes" on the amended return checkbox on the SD 100 to indicate when filing an amended school district return and include the 2016 SD RE, Reason and Explanation of Corrections. The amended return should reflect the total of the new values rather than the change in value. To speed up the processing of your amended return:

- Include a copy of your W-2(s), W-2G(s) and 1099-R(s) if there was Ohio income tax withheld; AND
- Include documentation to support any adjustments to line items; AND
- If changing school district residency status to part-year or full-year nonresident, include documentation to support your claim.
- Mark the "Yes" box if you are amending for an NOL and include Ohio Schedule IT NOL with your income tax return. Otherwise mark "No."

If you correct your federal income tax return or if you are audited by the IRS, you must file an Ohio amended school district income tax return within 60 days of the final determination of the IRS correction. See page 58 for more information.

The IRS notifies us about all changes it makes to your federal income tax return. To avoid penalties, be sure to file your amended school district income tax return within 60 days of the final determination of the federal change.

Do I Have To Make School District Estimated Income Tax Payments for 2017?

Except as discussed below, you must make school district estimated income tax payments if you will owe more than \$500 in combined state and school district income tax for 2017 after subtracting your Ohio and school district income tax withholding amounts and overpayment carryforward from 2016 to 2017.

Even if you will owe more than \$500, you do not have to make estimated school district income tax payments if either (i) your 2017 combined Ohio and school district income tax withholding amounts and overpayment carryforwards from 2016 to 2017 are at least 90% of your 2017 combined state and school district income tax or (ii) your 2017 combined state and school district income tax withholding amounts and overpayment carryforwards from 2016 to 2017 are equal to or greater than your 2016 combined Ohio and school district income tax. For purposes of these tests, your year 2016 overpayment credited to year 2017 does not include any year 2016 tax payment that you made after April 18, 2017.

Estimated payments can be made electronically on our Web site at tax.ohio.gov. Or you can obtain the SD 100ES from our Web site at tax.ohio.gov or by calling toll-free 1-800-282-1782.

Where Can I Find the Ohio Law References About School District Taxes?

Line Instructions for the SD 100

Be sure to keep a copy of this return for your records. If during 2016 you resided in or had school district income tax withheld for more than one of the school districts listed on pages 56-57, you must complete a separate return for each of those school districts.

Line 1 – Traditional Tax Base School District Filer

Complete the SD 100, Schedule A (lines 19-23) and enter on line 1 the amount you show on line 23.

Line 1 – Earned Income Tax Base School District Filer

Complete the SD 100, Schedule B (lines 24-27) and enter on line 1 the amount you show on line 27.

Line 3 – Senior Citizen Credit

To claim the senior citizen credit (**limit \$50 per return**), you or your spouse, if married filing jointly, must be 65 or older before Jan. 1, 2017. If you are filing a joint return, **only one credit of \$50 is allowed** even if you and your spouse are both 65 or older.

Line 5 – Interest Penalty

Except as set forth below, if the tax on line 4 minus the amount on line 10 is more than \$500, complete and enclose Ohio IT/SD 2210, which can be found on our Web site at tax.ohio.gov. Enclose the corresponding worksheet only if you annualize. Last year's overpayment credited to this year and timely paid estimated taxes reduce the interest penalty you might otherwise owe.

Exception: You do not need to complete Ohio IT/SD 2210 if the sum of (i) line 7 of the SD 100 and (ii) your 2015 school district income tax overpayment credited to 2016 is equal or greater than one of the following:

- 90% of your 2016 school district income tax (2016 SD 100, line 6); OR
- 100% of your 2015 school district income tax (2015 SD 100, line 6).

Note: For purposes of this exception, you must reduce your 2015 school district income tax overpayment credited to 2016 by any 2015 income tax you paid after April 18, 2017.

Line 7 – School District Income Tax Withheld

Enter **only** the school district withholding tax that is identified on your W-2(s), W-2G(s) and/or 1099-R(s) for the school district for which you are filing this return (see the upper right-hand corner on page 1 of the SD 100).

- Place **legible state copies** of your W-2(s), W-2G(s) and/or 1099-R(s) after the last page of the SD 100. Do not staple or otherwise attach.
- Confirm that the withholding reported is for school district withholding and not local withholding. Generally, school district withholding appears directly below the local income tax in box 19 and the school district four-digit number or school district name appears in box 20. On occasion, the school district withholding may appear in box 14.
- If you have W-2(s), W-2G(s) and/or 1099-R(s) for more than one taxing school district, you must file a separate SD 100 for **each** taxing school district. Be sure to include the correct school district number on each return.

Line 8 – 2016 Estimated and Extension Payments and 2016 Overpayment Credited to 2017

Amounts carried over or paid for one school district cannot be used for any other school district.

Line 9 – Amount Previously Paid (Amended Returns Only)

Enter on this line the amount previously paid with your original and/or amended return on line 13.

Line 11 – Overpayment Previously Received (Amended Returns Only)

Enter the amount previously overpaid on your original and/or amended return, line 16. Enter on this line all of the following:

- Refunds you claimed on previously filed returns for the year and school district number shown on the front of this form – even if you have not yet received the refund; AND
- Amounts you previously claimed as an overpayment credit to the following year.

Reduce the amount on this line by the interest penalty and interest and penalty shown on your originally filed return.

Line 14 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page

13), interest is due from April 19, 2017 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** the refund, if any, shown on line 16 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2017 is 4%.

Penalty may be due on late-filed returns and/or late-paid tax. For more information, see "Do I Owe Penalties and Interest?" on page 51.

Line 15 – Amount Due Plus Interest and Penalty

Add lines 13 and 14 to calculate the amount you owe.

- Do **not** mail cash.
- Make payment by electronic check or credit card (see page 8); OR
- Make your paper check or money order payable to School District Income Tax. Write your school district number, the last

four numbers of your SSN and "2016 SD 100" on your paper check or money order. Include the SD 40P (see our Web site at tax.ohio.gov) and your payment with the SD 100.

If you cannot pay the amount you owe, you still must file the return by April 18, 2017 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 13). For additional information regarding payments, see page 8.

Line 17 – Overpayment Credited to Year 2017

Indicate the amount of line 16 that you want us to credit to your 2017 school district tax liability. You can't apply a credit against a balance due for any of the following: another school district's tax, a school district tax that has expired, another person's tax, any prior year's tax or your Ohio income tax.

Line 18 – Your Refund

This is your refund after any reduction on line 14. If line 14 is more than the overpayment

shown on line 16, you have an amount due. Enter this amount on line 15 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address form.

This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

Schedule A – Traditional Tax Base School District Method (Lines 19, 20, 21, 22 and 23)

Complete the SD 100, Schedule A only if you entered on page 1 of the SD 100 a **traditional income** tax base school district number (see listings on pages 56-57).

Note: If your filing status is married filing jointly, then complete the SD 100, Schedule A for both you and your spouse.

Sample W-2 – This form reports taxpayers' wages and withholding

See "School District Income Tax Withheld" on page 53 of these instructions

Place all W-2 documents after the last page of your SD 100. Do not staple or otherwise attach.

Box b – Employer identification number

Box 14 – Occasionally, you may find school district withholding and its school district number or name identified in box 14, instead of the boxes below 19 and 20.

Form **W-2** Wage and Tax Statement
Copy 1 – For State, City, or Local Tax Department

2016

Department of the Treasury – Internal Revenue Service

Box 19/20 – Only claim the school district tax in box 19 for the school district that is identified in box 20 (which will show "SD" and a four-digit code or "SD" and the abbreviated name of the school district).

Line 19 – Ohio Income Tax Base

If you filed your Ohio income tax return using Ohio IT 1040, enter the amount from line 5.

Line 20 – Business Income Deduction Add-Back

If you took the business income deduction on Ohio Schedule A, line 11, enter the amount you deducted on line 20.

Line 22 – Adjustments for Part-Year Residents and Full-Year Nonresidents of Traditional Tax Base School Districts

Complete this line only if you were either a part-year resident or a full-year nonresident of a **traditional** tax base school district.

Enclose with this return a detailed explanation telling us why you are entering an amount on this line. Common reasons include the following:

- Part-year resident of the **traditional** tax base school district.
- Full-year nonresident of the **traditional** tax base school district.
- An individual not domiciled in the **traditional** tax base school district but merely using a mailing address located within that school district.

If you claim that you are domiciled outside the school district, include in your explanation the full address where you claim to be domiciled.

Note: Be sure that your explanation includes your full name, your SSN and the phrase "2016 SD 100."

Show on this line the portion of your Ohio income tax base (Ohio IT 1040, line 5) that you earned while you were a resident of another school district. The amount you show on this line must be "net" of all related deductions that you claimed on the front page of your federal income tax return and on Ohio IT 1040, Schedule A (see example that follows).

Example: For only part of the year Lee was a resident of the Reynoldsburg City School

District, which imposes a school district income tax and is **not** an **earned income** tax base school district. Lee lived in Columbus for the remainder of the year. There is no Columbus school district income tax.

While Lee was residing in the Reynoldsburg City School District, she earned \$39,000 in wages and \$5,000 in interest from bonds issued by another state (this interest is not subject to federal income tax, but is subject to Ohio income tax and to Reynoldsburg City School District income tax). While Lee was residing in the Columbus City School District she earned \$31,000 in wages and dividends, paid \$10,000 in alimony, incurred a \$3,000 capital loss and paid \$2,000 into a medical savings account she established on Dec. 31 (the \$2,000 contribution qualifies for the medical savings account deduction on Ohio IT 1040, Schedule A).

For a detailed example, see page 53.

Schedule B – Earned Income Only Tax Base (Lines 24, 25, 26 and 27)

Taxpayers domiciled in any of the **earned income** tax base school districts pay school district income tax only on qualifying earned income, which is generally limited to wages and self-employment income. For additional information, see the "Tax Type" discussion on page 50.

Complete the SD 100, Schedule B, only if you entered on the SD 100, page 1 an **earned income** tax base school district number (see listings on page 56).

Note: If your filing status is married filing jointly, then complete the SD 100, Schedule B, for both you and your spouse.

Line 24 – Wages and Other Compensation

Show on this line the amount you reported on federal 1040, line 7; 1040A, line 7; or 1040EZ, line 1 that you earned while you were a resident of an **earned income** tax base school district.

Note: Do not include military pay and allowances, if any, that you received while you were stationed outside Ohio for active duty service in the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard or Reserve components thereof, or the National Guard. The term "stationed" refers to an Ohio resident servicemember's permanent duty station, as defined in the Joint Federal Travel Regulations, Appendix A. This refers to the place where the servicemember performs his/her military duty. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, is not included in the definition of "stationed."

Line 25 – Net Earnings from Self-Employment

Show on this line your net earnings from self-employment that (i) you earned while you were a resident of an **earned income** tax base school district and (ii) are included in Ohio adjusted gross income (Ohio IT 1040, line 3). Do not include on this line minister housing allowances that are not part of Ohio IT 1040, line 3 even though they do constitute net earnings from self-employment.

Enter on this line only the portion of your net earnings while you were a resident of the **earned income** tax base school district. Be sure to enter the date of nonresidency on the SD 100.

Line 26 – Depreciation Expense Adjustment

This depreciation expense adjustment might be used if Ohio were not in conformity with the IRS based on entries from Ohio Schedule A, line 6. At the time of this publication, Ohio was in conformity with the IRS, therefore all entries on this line would be "-0-." For more information, see tax.ohio.gov for our notice concerning Ohio Revised Code section 5701.11 and miscellaneous federal tax adjustments.

For information on where to mail your return, see page 9.

Amended Personal Income and School District Income Tax Instructions

Amended Ohio IT 1040 / SD 100 Instructions

Time Period in Which To File (Statute of Limitations)

1. Generally, you can claim a refund within four years from the date of the overpayment of the tax, interest or penalty. For most taxpayers, the four-year period begins on the date that the Ohio IT1040 / SD100 income tax return was due without extensions.
2. If your Ohio amended return shows a refund due to a decrease in your federal adjusted gross income and if the IRS issues you a refund check due to that decrease, you always have at least 60 days from the date that the IRS agreed to the decrease to file your Ohio IT 1040 and/or SD 100 amended return.
3. If your Ohio amended return shows a refund due to an increase in your Ohio resident credit, you always have 60 days from the date that the other state increased the tax owed to that state to file your Ohio amended return. Include a copy of the other state's return(s).

Change in Filing Status

1. Check the box on page 1 of your Ohio IT 1040 / SD 100 that corresponds with the filing status of the federal amended income tax return for which this Ohio amended IT 1040/SD 100 is based.
2. You can change your filing status from married filing separately to married filing jointly at any time within the statute of limitations, but without taking into consideration any extension of time to file.
3. You cannot change your filing status from married filing jointly to married filing separately after the time (includ-

ing extensions, if any) has expired for the filing of either your return or your spouse's return.

General Information

1. Use Ohio IT 1040 / SD 100 by checking "Yes" to the amended question on the return to do the following:
 - correct your Ohio income tax return/school district income tax return; AND/OR
 - request a refund of tax, interest and/or penalty previously paid; AND/OR
 - report IRS changes that affected the number of exemptions claimed; AND/OR
 - report IRS changes that affected your federal adjusted gross income; AND/OR
 - change your filing status (see Change in Filing Status above).
2. You can file an amended Ohio IT 1040 / SD 100 return only after you have filed an original Ohio IT 1040 / SD 100 income tax return.
3. You must complete all of the information requested on the form. Otherwise, we cannot process your amended return and we may have to contact you for additional information.

Note: If your filing status for your federal income tax return is married filing jointly, then you must place on line 1 of the Ohio IT 1040 income tax return the amount you show as adjusted gross income on your federal income tax return. You must show this amount even if only one spouse earned or received any income in Ohio. See Ohio Administrative Code Rule 5703-

7-18, which is available through our Web site at tax.ohio.gov.

4. If your amended Ohio IT 1040 / SD 100 return shows a refund due to **any** of the following:
 - a decrease in your federal adjusted gross income; OR
 - a change in your filing status (ex: married filing jointly to married filing separately); OR
 - an increase in the number of exemptions claimed, then you must include the following to avoid delays:
 - (a) a copy of the federal account transcript; OR
 - (b) a copy of your amended federal income tax return (federal 1040X) **and** either a copy of the IRS acceptance letter or a copy of the refund check. (Under federal law the copy of your check must either be larger than or smaller than the size of the original check. If you make a reduced-size copy, please make sure that the copy is legible.)

Note: Your amended return may not be reviewed until at least 180 days once received.

Net Operating Loss (NOL)

Be sure you complete and include Ohio IT NOL, Net Operating Loss Carryback Schedule, and check the box on the front of the IT 1040 / SD 100 return indicating that you are amending for an NOL.

Reason and Explanation of Corrections

Be sure to complete and attach Ohio IT RE to your amended IT1040 return and/or SD RE to your amended SD 100 return.
