School District Year 2018 Estimated Income Tax Payments

Worksheet #1: Traditional Tax Base

Use this worksheet to determine your estimated liability for school district income tax due to a traditional tax base school district.

If you filed a school district income tax return for year 2017 and if you will be making estimates based on the “last year’s tax” method, skip lines 1 through 8 and enter on line 9 below 100% of the tax shown on line 4 of the 2017 SD 100.

Note 1: If you move during the year and will be residing in more than one district that imposes the school district income tax, you will need to complete a separate worksheet for each school district.

Note 2: You can avoid paying school district estimated income tax if the sum of (i) your 2018 Ohio income tax withholding and (ii) your 2018 school district income tax withholding and (iii) \$500 is equal to or greater than the sum of your 2018 Ohio income tax and your 2018 school district income tax.

What Are My Payment Options?

There are three payment options available to you:

- **Electronic Check** – Save time and postage by electronically filing and paying your 2018 quarterly estimates. Simply go to our Web site at tax.ohio.gov for this electronic payment option. Using this method of payment eliminates the need for you to file a paper copy of SD 100ES.
- **Credit Card** – You may use your Discover, VISA, MasterCard or American Express card to pay your estimated school district income taxes. Do not file voucher SD 100ES if you use the credit card method of payment.
- **Check or Money Order** – You may send in a personal check or money order made payable to the School District Income Tax with your quarterly estimated SD 100ES. Mail to the address printed on the voucher. **Do not send cash.**
