Worksheet #1: Qualifying Pass-Through Entities – Adjusted Qualifying Amount; Estimated Tax Due

Estimated payments are due only if (i) the sum of the "adjusted qualifying amounts" (see line 9, below) for the taxable year beginning in 2000 exceeds $10,000 and (ii) the entity reasonably and in good faith estimates the sum of the adjusted qualifying amounts for the taxable year beginning in 2001 will exceed $10,000. Use the worksheet below to calculate the adjusted qualifying amounts and estimated tax due for all qualifying investors in qualifying pass-through entities OR base your estimated tax on 100% of the entity’s previous year’s tax (entity tax and withholding tax) payable in four equal installments.

1. Sum of all qualifying investors' distributive shares of income and gain ................... 1.________________________

2. All amounts, if any, included in line 1, above, which are not subject to a tax on or measured by net income (see page 7 of the instructions) .................. 2. < > 2. < >

3. Adjusted qualifying amount: Line 1 minus line 2 .................................................. 3.________________________

4. Add: all qualifying investors' share of expenses and losses incurred in connection with all direct and indirect transactions between the qualifying pass-through entity and its related members (see note below). However, do not add expenses or losses incurred in connection with sales of inventory to the extent that (i) the cost of the inventory and the loss incurred were calculated in accordance with Internal Revenue Code sections 263A and 482 ...............................................................................

5. If the qualifying pass-through entity is either a partnership or a limited liability company treated as a partnership, add all qualifying investors' share of guaranteed payments which the qualifying pass-through entity made to any qualifying investor directly or indirectly owning at least 20% of the qualifying pass-through entity ........ 5.________________________

6. If the qualifying pass-through entity is an S corporation add all qualifying investors' share of compensation which the qualifying pass-through entity S corporation made to any qualifying investor directly or indirectly owning at least 20% of the qualifying pass-through entity .............................................................................................

7. Adjusted distributive share. Add lines 3, 4, 5, and 6 ............................................ 7.________________________

8. Apportionment ratio from Worksheet #2, line 4 on the next page ...................... 8. X X

9. Adjusted Qualifying Amount: Line 7 times line 8. Complete the remainder of this worksheet only if the sum of line 9, Columns (A) and (B) exceeds $10,000 .... 9.________________________

10. Tax Rate ............................................................................................................. 10. X .05 X .085

11. Estimated Tax: line 9 times line 10 ..................................................................... 11.________________________

12. For first quarter enter .225 in columns A & B, for second quarter enter .45 in columns A & B, for third quarter enter .675 in columns A & B, for the fourth quarter enter .90 in columns A & B ................................................................. 12.________________________

13. Tax due to date: line 11 times line 12 .................................................................. 13.________________________

15. Amount currently due: line 13 minus line 14. Place the column (A) amount on line 1 of the payment coupon; place the column (B) amount on line 2 of the payment coupon ........................................................................................................ 15.________________________

Note: "Related member" is defined in Ohio Revised Code section 5733.042(A)(6) but is modified by Ohio Revised Code section 5733.40(P). For purposes of the line 4 adjustment, a related member is any business entity directly or indirectly related to the taxpayer if the direct and indirect ownership interests exceed 40%.
