Ohio IT 1140ES Instructions and Worksheet
Estimated Withholding Tax Due

1. When is Ohio IT 1140ES required to be filed?

The pass-through entity must file estimated withholding tax payments and file Ohio IT 1140ES if the sum of the “adjusted qualifying amounts” for the taxable year beginning in 2016 exceeded $10,000 and the sum of the “adjusted qualifying amounts” for the taxable year beginning in 2017 will exceed $10,000.

2. Payment amount and time and place for filing and payment

For purposes of this payment schedule, “current year” means either calendar year 2017 or the fiscal year beginning in calendar year 2017. When computing the estimated tax due for the current year, the pass-through entity may annualize income to compute the estimated tax due for each of the first three payment dates.

In lieu of making estimated tax payments based on 90% of the current year tax (or tax computed on current year annualized income), the taxpayer can make four estimated tax payments, each for 25% of the previous year’s tax after credits.

All pass-through entities must use Ohio IT 1140ES or pay online through the Ohio Treasurer of State. For more information, visit the FAQs on our Web site at tax.ohio.gov.

Make checks payable to Ohio Treasurer of State and mail to:
Ohio Department of Taxation
P.O. Box 181140
Columbus, OH 43218-1140

3. Interest penalty

If withholding taxes are underpaid, the pass-through entity must add an interest penalty to the taxes for the taxable year at the rate per annum prescribed by Ohio Revised Code section 5703.47. See the Ohio IT/SD 2210, which is available on our Web site at tax.ohio.gov.

4. Completing Ohio IT 1140ES

a. Complete the worksheet below to figure the estimated tax for 2017. Alternatively, pay estimated tax equal to the year 2016 tax.

b. Enter on Ohio IT 1140ES the amount shown on line 2 of the worksheet and verify the FEIN. Alternatively, pay estimated tax equal to the year 2016 tax.
