For purposes of this payment schedule, "current year" means either calendar year 2017 or the fiscal year ending in calendar year 2017. When computing the estimated tax due for the current year, the pass-through entity may annualize income to compute the estimated tax due for each of the first three payment dates.

In lieu of making estimated tax payments based on 90% of the current year tax (or tax computed on current year annualized income), the taxpayer can make four estimated tax payments, each for 25% of the previous year's tax after credits.

All pass-through entities must use Ohio IT 4708ES or pay online through the Ohio Treasurer of State. For more information, visit the FAQs on our Web site at tax.ohio.gov.

Make checks payable to Ohio Treasurer of State and mail to:
Ohio Department of Taxation
P.O. Box 181140
Columbus, OH 43218-1140

3. Interest penalty

If income taxes are underpaid, the pass-through entity must add an interest penalty to the taxes for the taxable year at the rate per annum prescribed by Ohio Revised Code section 5703.47. See the Ohio IT/SD 2210, which is available on our Web site at tax.ohio.gov.

4. Completing Ohio IT 4708ES

a. Complete the worksheet below to figure the estimated tax for 2017. Alternatively, pay estimated tax equal to the year 2016 tax.

b. Enter on Ohio IT 4708ES the amount shown on line 2 of the worksheet and verify the FEIN. Alternatively, pay estimated tax equal to the year 2016 tax.
