

Department of
Taxation

Pay Electronically for Free

You can make your tax payment via electronic check **for free** by utilizing the Department's [Online Services](#), even if you file a paper return.

If you don't have an Online Services account, click [here](#) to register.

If you already have an account, click [here](#) to sign in.

Once you've signed in, click "View / Make Payments" on the left side of the page to make a payment. If there's already a bill showing on the dashboard, you also have the option to click the "Pay" button to make a payment.

Pay by Paper Check

Click [here](#) to continue to your payment voucher. You should include this voucher with your paper check or money order.
