(a) Includes General Revenue Fund and other funds. However, the School District Property Tax Replacement Fund and the Local Government Property Tax Replacement Fund are excluded from the Kilowatt-Hour Tax collections (see columns U and V).

(b) For most taxpayers, the corporate franchise tax was phased out over a five-year period, beginning in tax year 2006. For the remainder of taxpayers, tax year 2013 was the last year of the corporate franchise tax and for tax year 2014 and thereafter, they will pay the (new) Financial Institutions Tax. Revenue flow for fiscal year 2014 and forward reflects activity such as amended returns, refunds, late returns, audits and billing.

(c) Does not include collections from the excise tax on liquor, but does include collections from the excise tax on all other alcoholic beverages (primarily beer and wine).
